2. KEY FEATURES

- **Spacious Work Surface:** A 47-inch wide desktop with an integrated hutch provides ample space for computers, documents, and office essentials.
- **Ample Storage:** Includes two smooth-sliding drawers, storage cabinets with adjustable shelves, and open cubbies for organized storage of files, books, and equipment.
- **Built-in Charging Station:** Equipped with 4 power outlets and 2 USB ports, allowing simultaneous charging of up to 6 devices. Features an easy-access switch for safe power control.
- **Smart LED Lights:** Bluetooth-enabled LED lights with adjustable colors, brightness, and modes via remote or app. Lights can sync with music for ambiance.
- **Durable Construction:** Features a 1.18-inch thick desktop designed to support up to 150 pounds, crafted from wood with a farmhouse aesthetic.

3. SETUP AND ASSEMBLY

Assembly of the Vabches Farmhouse 47" Executive Desk requires careful attention to detail. It is recommended to have a second person assist with the assembly process. All parts are clearly labeled for ease of identification.

3.1 Assembly Video Guide

Video 1: Detailed installation guide for a similar farmhouse desk model. Follow the steps carefully for proper assembly.

3.2 Key Assembly Steps

- 1. Unpack and Identify Parts:** Carefully unpack all components and verify against the parts list provided in the packaging. Ensure all hardware is present.
- 2. Assemble Base Frame:** Connect the main horizontal and vertical support panels using the provided cam locks and dowels. Ensure all connections are secure.
- 3. Attach Side Cabinets:** Secure the side cabinet panels to the main desk frame. Install drawer slides on the interior of the cabinet sides.
- 4. Construct Drawers:** Assemble the drawer boxes by connecting the side, front, and back panels. Attach the drawer fronts and handles. Install the corresponding drawer slides to the drawer boxes.
- 5. Install Hutch:** Carefully place and secure the hutch unit onto the main desktop. Ensure it is aligned and fastened properly.
- 6. Mount Sliding Doors:** Attach the sliding door hardware to the hutch and the doors themselves. Insert the doors into the tracks.
- 7. Install LED Lights:** Adhere the LED light strip to the designated area under the hutch. Connect the power supply and controller.
- 8. Connect Charging Hub:** Insert the charging hub into the pre-cut opening on the desktop and secure it.

4. OPERATING INSTRUCTIONS

4.1 Using the Built-in Charging Station

The desk includes a convenient charging hub with 4 AC outlets and 2 USB ports. To use:

1. Ensure the desk is plugged into a wall outlet.
2. Press the power switch on the charging hub to activate it.
3. Plug your devices into the available AC outlets or USB ports.

4.2 Controlling the Smart LED Lights

The integrated Bluetooth LED lights can be controlled via a remote or a smartphone app.

1. **Remote Control:** Use the provided remote to adjust colors, brightness, and select various lighting modes.
2. **Smartphone App:** Download the compatible app (refer to packaging for QR code or app name). Pair your device via Bluetooth to access advanced controls, including music sync and custom lighting effects.

5. MAINTENANCE

To ensure the longevity and appearance of your Vabches Executive Desk, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or water damage.
- **Hardware:** Periodically check and tighten all screws and fasteners to maintain stability.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration of the wood finish.

6. TROUBLESHOOTING

If you encounter any issues with your desk, refer to the following common troubleshooting tips:

- **Wobbly Desk:** Ensure all cam locks and screws are fully tightened. Check that the desk is on a level surface; use shims if necessary.

- **Drawers Not Sliding Smoothly:** Verify that the drawer slides are correctly installed and free of obstructions. Apply a silicone-based lubricant if needed.
- **LED Lights Not Working:** Check the power connection to the LED strip and the wall outlet. Ensure the remote control batteries are functional or the app is correctly paired via Bluetooth.
- **Charging Hub Not Functioning:** Confirm the desk is plugged into a live wall outlet and the charging hub's power switch is on. Test with different devices and cables.

7. SPECIFICATIONS

Feature	Detail
Brand	Vabches
