- **Velvet Fabric:** For general cleaning, gently brush the velvet with a soft brush or use a vacuum cleaner with an upholstery attachment to remove dust and debris. For spills, blot immediately with a clean, dry cloth. Avoid rubbing, as this can damage the fabric pile. For stubborn stains, consult a professional upholstery cleaner.
- **Wooden Lid:** The wooden surface of the reversible lid is waterproof. Wipe clean with a damp cloth and mild soap if necessary. Dry immediately with a clean, soft cloth to prevent water spots.
- **General Care:** Avoid direct sunlight exposure for prolonged periods to prevent fading. Keep away from heat

sources.

- **Foot Pads:** The bottom of each ottoman is equipped with foot pads to protect your floor. Periodically check these pads for wear and tear.

5. TROUBLESHOOTING

This section addresses common concerns you might encounter with your ottoman set.

- **Stability Issues:** Ensure the ottoman is placed on a flat, even surface. If an ottoman feels wobbly, check for any debris under the foot pads.
- **Lid Not Fitting Properly:** Ensure no items inside the storage compartment are obstructing the lid from closing flush.
- **Fabric Wear:** Over time, velvet may show signs of wear. Regular cleaning and avoiding harsh chemicals can help maintain its appearance.
