JOYMOR low loft bed

JOYMOR Low Loft Bed Twin Size with LED Lights

Model: low loft bed

1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembling and using this product. Keep this manual for future reference.

- **Weight Limit:** This bed is designed to support a maximum weight of 350 pounds. Do not exceed this limit.
- **No Jumping:** For safety, do not jump on the bed.
- **Guardrails:** The bed features a 15-inch tall upper guardrail. Ensure all guardrails are securely installed before use to prevent accidental falls.
- **Ladder Safety:** The 2-step ladder is designed for easy and safe climbing. Always use the ladder to access the bed.
- **Assembly:** Assembly requires two adults. Ensure all hardware is tightened securely. Periodically check and re-tighten all connections.
- **Anchoring:** Consider anchoring the bed to a wall for additional stability, especially if the bed will be used by active children.
- **Mattress:** Use a mattress within a 4-6 inch height range for optimal safety with the guardrails.

2. SETUP AND ASSEMBLY

Assembly of the JOYMOR Low Loft Bed is required. Please follow the detailed assembly instructions provided in the separate assembly guide included with your product. Ensure all components are present before beginning assembly.

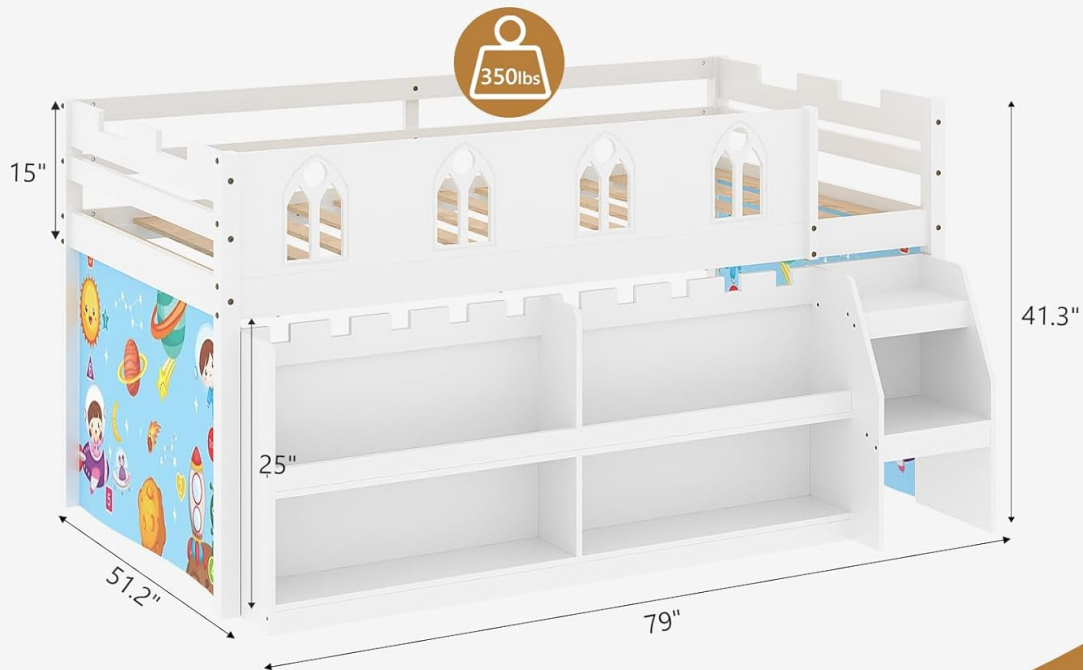

2.1 Unpacking and Part Identification

Carefully unpack all components and lay them out. Refer to the parts list in your assembly guide to identify each piece. Some pieces may have numbers stamped on them; verify these against the guide.

2.2 Assembly Steps

Follow the step-by-step diagrams and instructions in your assembly guide. It is recommended to have two adults for assembly to ensure stability and ease of construction.

2.3 Final Checks

Once assembled, ensure all screws, bolts, and fasteners are fully tightened. Verify the stability of the bed frame and guardrails before use.

3. OPERATING INSTRUCTIONS

3.1 LED Lights Operation

The integrated LED light strip can be controlled via a remote or a dedicated mobile application. Refer to the separate LED light manual for detailed instructions on pairing the remote/app, customizing lighting modes, adjusting brightness, and setting dynamic effects.

3.2 Storage Shelves

The bed includes four open storage shelves. These shelves are suitable for storing books, toys, small electronics, and decorative items. Ensure items are placed securely to prevent them from falling.

3.3 Under-Bed Play Area

The space beneath the loft bed provides an area for play or additional storage. The removable curtains can be attached to create a private hideaway. Ensure the area is clear of hazards before use.

Ample Unberbed Space

*A Great Place for Playing,
Reading or Storage*

3.4 Removable Curtains

The product comes with two detachable curtains featuring universe designs. These can be easily attached or removed to customize the under-bed area. Follow the instructions in the assembly guide for proper attachment.

- **LED Lights Not Working:** Verify the power connection. Check the remote control battery or ensure the mobile app is correctly paired. Refer to the LED light manual for specific troubleshooting steps.
- **Damaged or Missing Parts:** If any parts were damaged during shipping or are missing, contact JOYMOR customer support immediately for assistance.
