SETUP AND ASSEMBLY

Assembly of the MERITLINE Dual Twin Murphy Bed is required. It is recommended to have at least two adults for assembly. All necessary tools and a detailed assembly instruction guide are included with your purchase.

1. **Unpack Components:** Carefully unpack all four packages. Verify all parts and hardware are present against the provided parts list in the assembly guide.
2. **Follow Assembly Guide:** Refer to the step-by-step assembly instructions provided in the separate guide. Ensure each step is completed accurately before proceeding.
3. **Secure Fasteners:** Tighten all screws, bolts, and connectors firmly. Do not overtighten to avoid damaging the wood.
4. **Wall Mounting (if applicable):** Ensure the unit is securely anchored to a wall stud according to the assembly instructions to prevent tipping.
5. **Mattress Placement:** Once assembled, place your twin mattresses (6-8 inches thick) directly onto the slat support

system. No box spring is needed.

Note: Your order will arrive in 4 separate packages, which may not be delivered simultaneously. Please wait for all packages before beginning assembly.

OPERATING INSTRUCTIONS

Extending the Bed:

1. **Unlock Latches:** Locate and disengage any safety latches that secure the bed in the upright position.
2. **Lower Bed:** Gently pull the bed frame downwards from the top. The smooth folding mechanism (often with gas struts) will assist in lowering the bed. Maintain a firm grip until the bed is fully extended.
3. **Engage Support Legs:** Fold out the support legs located at the foot of the bed until they lock into place, providing

stability.

4. **Prepare for Use:** Ensure the mattress is properly seated on the slats.

Folding the Bed:

1. **Clear Bed:** Remove all bedding, pillows, and any other items from the mattress.
2. **Retract Support Legs:** Disengage and fold the support legs back into their stored position.
3. **Lift Bed:** Grasp the foot of the bed frame and gently lift upwards. The mechanism will assist in raising the bed. Guide it smoothly until it is fully upright.
4. **Secure Latches:** Engage the safety latches to securely hold the bed in the closed position.

Using Storage Shelves and Cabinets:

- **Open Shelves:** The central unit features open shelves for easy access to books, decor, or other items.
- **Cabinets:** The closed cabinets provide discreet storage for personal items. Open by pulling the knob or handle.
- **Weight Limit:** Do not overload shelves or cabinets. Distribute weight evenly.

MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Hardware Check:** Periodically inspect all screws, bolts, and connections to ensure they remain tight. Re-tighten as needed to maintain structural integrity.
- **Moving Parts:** Ensure the folding mechanism operates smoothly. If any squeaking or stiffness occurs, apply a small amount of silicone-based lubricant to moving joints (avoid oil-based lubricants on wood).
- **Environmental Conditions:** Avoid exposing the furniture to extreme temperature changes or high humidity, which can cause wood to warp or crack.

TROUBLESHOOTING

- **Bed Does Not Fold/Unfold Smoothly:**

- Check for obstructions around the bed frame.
 - Ensure all hardware is properly tightened and aligned.
 - Apply lubricant to the folding mechanism if necessary.
- **Bed Feels Unstable:**
 - Verify that the support legs are fully extended and locked into place.
 - Check all assembly fasteners for tightness.
 - Ensure the unit is securely anchored to the wall as per assembly instructions.
- **Missing Parts or Damaged Components:**
 - Refer to the parts list in your assembly guide.
 - Contact customer support for assistance (see Warranty and Support section).
