## CANKETEC 12V Electric Wiggle Car

# CANKETEC 12V Electric Wiggle Car User Manual

Model: 12V Electric Wiggle Car

## INTRODUCTION

This manual provides essential information for the safe and effective operation of your CANKETEC 12V Electric Wiggle Car. Please read all instructions carefully before assembly and use. Keep this manual for future reference.

## SAFETY INFORMATION

To ensure safe operation and prevent injury, please adhere to the following guidelines:

- Suitable for ages 36 months and up.
- Maximum user weight is 150 lbs.
- Keep away from fire.
- Adult supervision is required at all times to reduce the risk of injury.
- Never use the wiggle car on roadways, near motor vehicles, on or near steep inclines or steps, swimming pools, or other bodies of water.
- Always wear protective clothing and shoes during operation.

## WHAT'S IN THE BOX

Upon unpacking, ensure all components are present:

- Wiggle Car x 1

If any parts are missing or damaged, please contact customer support.

## SETUP AND ASSEMBLY

The CANKETEC 12V Electric Wiggle Car features a simple two-step setup process. The main body of the car comes pre-assembled, requiring only the attachment of the steering wheel to the bottom center wheel mechanism.

1. Carefully remove all packaging materials.
2. Attach the steering wheel by aligning it with the central shaft and securing it according to the visual guide.

Figure 2: Location of the Speed Control Button, Charging Port, and Power Switch.

## OPERATING INSTRUCTIONS

The CANKETEC Wiggle Car offers two distinct operating modes for varied play experiences:

## 1. Electric Mode

- Turn on the main power switch.
- Press the foot pedal to engage the electric motor and propel the car forward.
- Steer using the steering wheel.
- The car has a maximum speed of 4 mph. For younger riders, the speed can be adjusted to 1.9 mph using the bottom-mounted button.

## 2. Manual Mode

- Turn the steering wheel left and right, or use your feet to push off the ground, to set the car in motion.
- This mode provides an active experience, promoting balance and motor skills.

## Special Features

- **Lights:** The front light illuminates the path, and magnetic flashing wheels light up in vibrant colors (no batteries required for wheels).
- **Turbo Spray Effect:** Add water to the designated reservoir to activate a fog trail effect from the rear.
- **Music & Bluetooth:** Connect to Bluetooth to play your favorite tunes or utilize the built-in music functions.

## SAFETY FEATURES

The CANKETEC Wiggle Car is engineered with several safety features:

- **Anti-Tip Chassis:** A pyramid-style double triangular anti-tip chassis enhances stability and prevents dangerous tilting.
- **Upgraded Rear Wheels:** Designed for improved stability and control.
- **Spring Shock System:** Provides a smoother ride and additional safety.
- **Backrest:** Ensures the child remains secure and comfortable during use.

## MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your wiggle car:

- **Charging:** Ensure the battery is fully charged before each use. The battery life is approximately 1-2 hours per charge.
- **Cleaning:** Wipe down the car with a damp cloth after use. Avoid using harsh chemicals.
- **Storage:** Store the wiggle car in a dry, cool place away from direct sunlight when not in use.
- **Water Reservoir:** Empty and clean the water reservoir for the spray effect regularly to prevent buildup.

## TROUBLESHOOTING

If you encounter any issues with your CANKETEC Wiggle Car, please refer to the following common solutions:

- **Car not moving in Electric Mode:** Ensure the power switch is ON and the battery is charged. Check if the pedal is fully depressed.
- **Lights not working:** Verify the light switch is ON. For magnetic wheels, ensure they are spinning to generate light.
- **Spray effect not working:** Check if the water reservoir is filled and the spray function is activated.
- **Bluetooth connectivity issues:** Ensure the device's Bluetooth is enabled and within range. Restart both the car and the device if necessary.

For persistent issues, contact CANKETEC customer support.

## SPECIFICATIONS

Feature	Detail
Product Dimensions	32.5 x 18.5 x 12.8 inches
