## Lordear H-AWS332010D2S-LB

# Lordear 33-Inch White Fireclay Farmhouse Sink Workstation Instruction Manual

Model: H-AWS332010D2S-LB

## 1. INTRODUCTION

---

This manual provides detailed instructions for the installation, operation, and maintenance of your Lordear 33-inch white fireclay farmhouse sink workstation. Please read all instructions carefully before beginning installation and retain this manual for future reference.

## 2. SAFETY INFORMATION

---

Observe the following safety precautions during installation and use:

- Always wear appropriate personal protective equipment, such as safety glasses and gloves, during installation.
- The sink is heavy (approximately 89 pounds). Use proper lifting techniques or seek assistance to prevent injury.
- Ensure all plumbing connections are secure and leak-free to prevent water damage.
- Do not use harsh chemicals or abrasive cleaners on the sink surface, as this may damage the finish.
- Keep small children away from the installation area.

## 3. PACKAGE CONTENTS

---

Verify that all components are present before beginning installation:

- 33-inch white fireclay farmhouse sink
- Cutting board
- Drain assembly
- Mesh grid (bottom rinse grid)
- Foldable dish drying rack (roll-up rack)

## WORKSTATION ACCESSORIES

Lordear®

Cutting Board

Updated type of drain set

Roll Up Rack

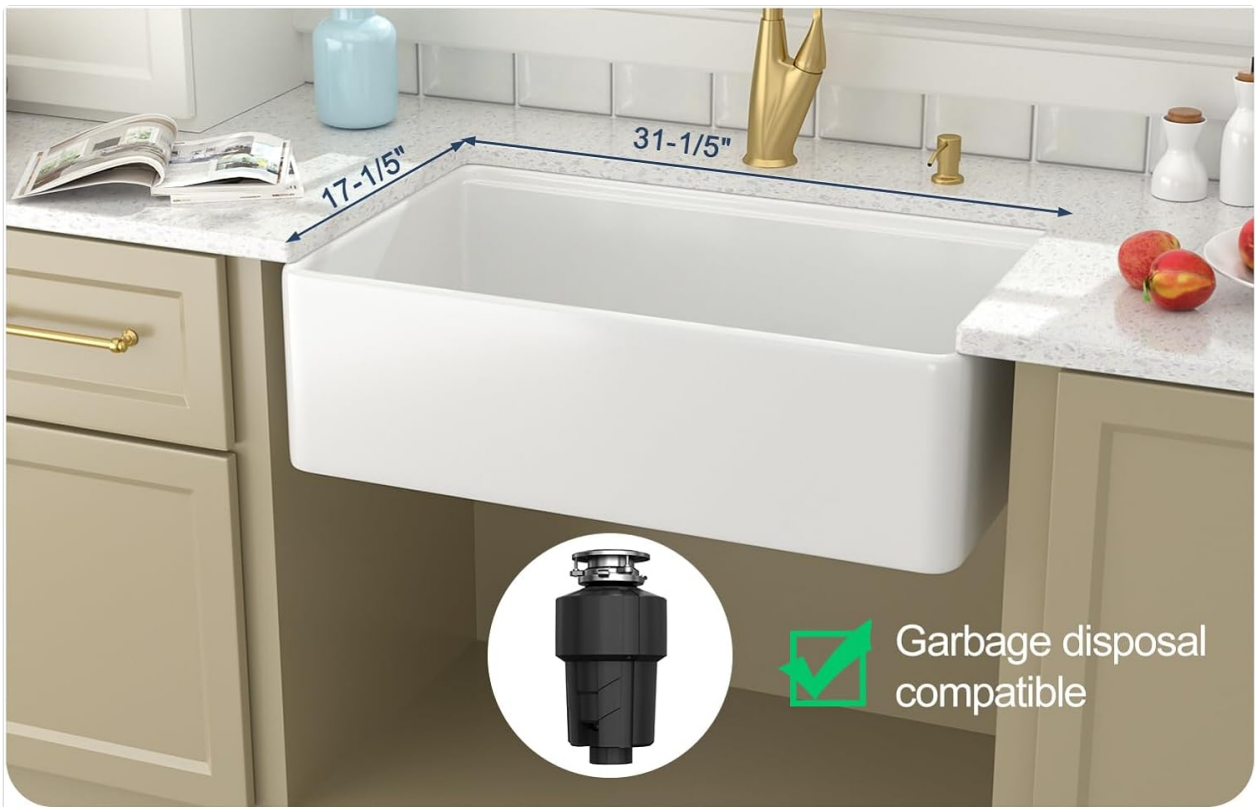

Bottom Grid

## 4. INSTALLATION

### 4.1 Pre-Installation Requirements

- **Cabinet Size:** A minimum cabinet base size of 36 inches is required for this 33-inch sink.
- **Professional Installation:** Due to the weight and specific installation requirements of fireclay sinks, professional installation is recommended.
- **Template:** Please make the countertop cutout after receiving the sink to ensure an accurate fit.

## KITCHEN SINK DIMENSION

External Dimension: 33"Wx20"Dx10"H

Internal Dimensions: 31-1/5"Wx17-1/5"D

Recommend Base Cabinet : 36 inch wide

Standard Drainage Hole: 3.5 inch

Figure 4: Minimum cabinet base size requirement.

### 4.2 General Installation Steps (Consult a professional for detailed guidance)

1. Prepare the cabinet opening according to the sink's dimensions and the provided template.
2. Install necessary support framing within the cabinet to bear the sink's weight.
3. Apply a silicone sealant bead around the cabinet opening.
4. Carefully lower the sink into the opening.
5. Connect the drain assembly and plumbing according to local codes.
6. Install the faucet and other accessories.

## 5. OPERATING INSTRUCTIONS

---

Your Lordear farmhouse sink is designed with integrated workstation features to enhance kitchen functionality.

- **Workstation Ledge:** The built-in ledge allows accessories to slide directly over the sink, providing a versatile workspace.
- **Cutting Board:** Use the included cutting board on the workstation ledge for food preparation.
- **Foldable Dish Drying Rack:** Place the roll-up rack over the sink for drying dishes or rinsing produce.
- **Bottom Rinse Grid:** Position the stainless steel grid at the bottom of the sink to protect the surface from scratches and allow water to drain freely.

## 6. MAINTENANCE & CARE

---

Proper care will ensure the longevity and appearance of your fireclay sink.

- **Daily Cleaning:** Wipe the sink with a dry cloth after each use to prevent water spots and mineral buildup.
- **Stain Removal:** The smooth enamel finish is designed to resist stains. For stubborn marks, use a non-abrasive cleaner and a soft cloth.
- **Avoid Abrasives:** Do not use abrasive pads, steel wool, or harsh chemical cleaners, as these can scratch or dull the fireclay surface.
- **Protect from Scratches:** Utilize the included bottom rinse grid to protect the sink base from potential scratches from pots and pans.

**High Temperature**

**Impact Resistant**

**Durable Scratch-Resistant Coating**

**Anti-osmosis**

## EXCELLENT WATER FLOW CUSHIONING

Special curvature of the sink softens water flow, reducing splashes and keeping countertops dry.

## SLEEK LINES, EASY TO CLEAN

Sleek design with seamless lines reduces dirt accumulation, making it easier to clean.

Figure 6: Water flow cushioning and easy cleaning features.

## 7. TROUBLESHOOTING

---

This section addresses common issues you might encounter with your sink.

### 7.1 Water Pooling in the Sink

The sink features a sloped bottom designed to direct water towards the drain. If water appears to be pooling, ensure the sink is level during installation. Minor pooling may occur due to surface tension but should not impede drainage.

### 7.2 Stains or Discoloration

Fireclay is highly resistant to stains. For most stains, a soft cloth with mild soap and water should suffice. For more persistent marks, a non-abrasive cleaner specifically designed for ceramic or porcelain surfaces can be used. Avoid leaving highly acidic or alkaline substances in the sink for extended periods.

### 7.3 Scratches on the Surface

While the fireclay is durable and scratch-resistant, heavy impact or dragging sharp objects can cause marks. The use of the bottom rinse grid is recommended to minimize direct contact with the sink surface.

## 8. SPECIFICATIONS

---

Feature	Specification
Brand	Lordear
Model Number	H-AWS332010D2S-LB
Color	White-Round Workstation
Material	Fireclay
Exterior Dimensions	33"W x 20"D x 10"H
Internal Dimensions	31-1/5"W x 17-1/5"D x 9"H
Minimum Cabinet Size	36 Inches
Installation Type	Farmhouse Apron Sink
Finish Type	Glaze
Shape	Rectangular
Drain Type	Grid
Item Weight	89 Pounds

## 9. WARRANTY & SUPPORT

---
