IMPORTANT SAFETY INFORMATION

WARNING: Failure to follow these instructions could result in fire, explosion, or burn hazard, which could cause property damage, personal injury, or death.

- Always use the grill outdoors in a well-ventilated area.
- Keep children and pets away from the grill at all times.
- Do not store or use gasoline or other flammable vapors and liquids in the vicinity of this or any other appliance.
- Only use propane gas with this appliance. Natural gas is not recommended and can be dangerous.
- Ensure all gas connections are tight and leak-free before operation. Perform a leak test as described in the assembly section.
- Never leave a lit grill unattended.
- Keep any electrical supply cord and fuel supply hose away from heated surfaces.
- Wear protective gloves when handling hot components.
- Allow the grill to cool completely before cleaning or moving.

PRODUCT OVERVIEW

The LAUDLIFE FUSION 3-Burner Charcoal & Propane Grill Combo offers versatile outdoor cooking with both gas and charcoal grilling options, plus a side burner. It features a robust design and ample cooking space for various culinary needs.

Key Features:

- **748 sq. in. Grilling Area:** Large cooking surface suitable for preparing meals for groups.
- **30,000 BTU Gas Burners:** Provides quick and even heat for efficient grilling.
- **Charcoal Grilling Section:** Allows for traditional smoky flavor.
- **Side Burner:** Ideal for simmering sauces or preparing side dishes.
- **Easy-to-Clean Enamel Coating Grates:** Non-stick and rust-proof for simplified cleanup.
- **Heavy-Duty Frame:** Supports up to 250 lbs for stability and durability.
- **Integrated Control Station:** Includes shelves, hooks, and racks for convenient access to tools and ingredients.

Components Diagram:

Figure 1: Exploded view of the LAUDLIFE FUSION Grill components. This image illustrates the various parts included, such as the grill lids, metal warming racks, enamel-coated grill grates, charcoal drawer, side burner, tissue holder, stainless steel knobs, adapter hose, oil catch cylinder, side table, and wheels, providing a visual guide for identification during assembly.

ASSEMBLY INSTRUCTIONS

Carefully unpack all components and ensure all parts are present before beginning assembly. Refer to the provided assembly video for a visual guide.

Assembly Video Guide:

Video 1: Official Assembly Guide for the LAUDLIFE Charcoal & Gas Grill Combo. This video provides step-by-step visual instructions for assembling the grill frame, installing side panels, attaching crossbeams and hole plates, mounting wheels, securing the furnace body, and installing side platforms and barbecue accessories.

Step-by-Step Assembly:

1. **Frame Installation:** Assemble the main frame components using the provided screws. Ensure all connections are secure.
2. **Side Panel Installation:** Attach the side panels to the main frame, securing them with screws.
3. **Crossbeam and Hole Plate Installation:** Install the crossbeams and the perforated hole plate to complete the lower structure of the grill.
4. **Wheel Installation:** Insert the axle rod through the designated holes and attach the wheels, securing them with caps. Install foot sleeves on the opposite legs.
5. **Furnace Body Installation:** Carefully place the main furnace body onto the assembled frame and secure it with screws from underneath.
6. **Side Platform Installation:** Attach the left and right side platforms. Install the side burner components, ensuring the gas line and igniter wire are correctly connected. Secure the oil catch cylinder beneath the side burner.
7. **Barbecue Accessories Installation:** Place the flame tamers, gas grill grates, charcoal drawer, and charcoal grill grates into their respective sections. Install the air door plate and thermometer on the charcoal grill lid. Attach the J-shaped hooks to the side table and the towel/tissue holder to the side of the grill.

Pro Tip: Watch the assembly video first for a quicker and smoother process.

OPERATING INSTRUCTIONS

Gas Grill Operation:

1. **Preparation:** Open the lid of the gas grill section. Ensure all control knobs are in the "OFF" position.
2. **Connect Propane:** Connect the regulator to the propane gas bottle. Turn on the gas supply at the regulator or gas bottle valve.
3. **Ignition:** Push down the control knob for the desired burner and keep pressing while turning it counter-clockwise to the "HIGH" position. A click sound indicates ignition. If the burner does not light, turn the dial to "OFF" and wait 5 minutes before repeating.
4. **Temperature Control:** Adjust the control knobs to achieve the desired cooking temperature. The built-in thermometer on the lid helps monitor internal temperature.
5. **Side Burner:** Operate the side burner similarly to the main gas burners for simmering or frying.

Charcoal Grill Operation:

1. **Preparation:** Open the lid of the charcoal grill section.
2. **Add Charcoal:** Place charcoal briquettes or lump charcoal into the charcoal drawer.
3. **Ignition:** Use a charcoal starter or lighter fluid (follow product instructions) to ignite the charcoal. Allow charcoal to ash over before spreading evenly.
4. **Temperature Control:** Adjust the air vents on the lid and side of the charcoal section to control airflow and temperature. More airflow increases heat, less airflow reduces it.

CARE AND MAINTENANCE

Regular cleaning and maintenance will extend the life of your LAUDLIFE FUSION grill and ensure optimal performance.

- **Grates:** After each use, clean the enamel-coated grates with a grill brush while they are still warm. For stubborn residue, soak grates in warm, soapy water before scrubbing.
- **Charcoal Drawer:** Empty the charcoal ash drawer after it has cooled completely.
- **Exterior:** Wipe down exterior surfaces with a damp cloth and mild detergent. Avoid abrasive cleaners that can damage the finish.
- **Grease Management:** Regularly check and clean the oil catch cylinder and any grease trays to prevent flare-ups and maintain hygiene.
- **Storage:** Store the grill in a dry, protected area when not in use, especially during inclement weather. Consider using a grill cover.

Easy to BBQ Design

Figure 2: Illustration of grill grate cleaning and the charcoal drawer. This image highlights the easy-to-clean enamel-coated grates and the convenient charcoal drawer design, simplifying maintenance.

TROUBLESHOOTING

If you encounter issues with your grill, refer to the following common troubleshooting steps:

- **Burner Not Lighting:**
 - Check if the gas bottle is open and has sufficient fuel.
 - Ensure the regulator is properly connected.
 - Verify that the igniter wire is securely attached to the burner and the igniter electrode is clean and correctly positioned.

- Confirm control knobs are pushed in and turned to the "HIGH" position during ignition.

• **Low Heat/Uneven Flame:**

- Check for blockages in the burner tubes or gas orifices.
- Ensure the gas regulator is not in bypass mode (reset by turning off all burners, disconnecting the gas, waiting 30 seconds, then reconnecting and slowly opening the gas valve).
- Clean burner ports if clogged.

• **Gas Leak Smell:**

- Immediately turn off the gas supply.
- Perform a leak test using soapy water on all connections. Bubbles indicate a leak. Tighten connections or replace faulty parts.
- Do not operate the grill if a gas leak is detected.

For persistent issues, contact customer support.

SPECIFICATIONS

Feature	Detail
Brand	LAUDLIFE
Model Name	FUSION
Item Model Number	GF006BL00NBA-UG
Product Dimensions	21.65"D x 63.39"W x 40.55"H
Item Weight	73.92 Pounds
Fuel Type	Gas (Propane) and Charcoal
Main Burner Count	3
Side Burner Count	1
Heating Power (Gas)	30,000 BTU (8.8 Kilowatts)
Cooking Surface Area	748 Square Inches
Material	Alloy Steel, Cast Iron, Porcelain, Stainless Steel
Finish Type	Non-Stick Enamel Coating
Special Features	Adjustable Air Vent, Built-In Thermometer, Heat-Resistant Handle, Heavy Duty, Rust Resistant
Assembly Required	Yes
Indoor/Outdoor Usage	Outdoor

WARRANTY AND SUPPORT

LAUDLIFE is committed to providing quality products and excellent customer service.

- **Warranty:** This product comes with a 3-year warranty. Please retain your proof of purchase for warranty claims.
- **Customer Support:** For any questions, concerns, or assistance with assembly, operation, or troubleshooting, please contact LAUDLIFE customer support. We aim to provide a 12-hour response promise and 2-year support for our products.
- **Contact Information:** Refer to the contact details provided on the LAUDLIFE official website or your purchase documentation.
