## OPERATING INSTRUCTIONS

The Hape Smart Wooden Supermarket offers multiple interactive features for realistic role-play.

### 1. Hand-Operated Conveyor Belt

Customers can place their items on the conveyor belt. Turn the red crank handle located on the side of the counter to move items towards the cashier for scanning.

### 2. Interactive Cash Register and Scanner

The cash register unit includes a smart scanner that displays prices of items. Use the included play bank card with the card reader for simulated transactions. The register also features options for voice recording and music playback to enhance the play experience.

## MAINTENANCE

To ensure the longevity of your Hape Smart Wooden Supermarket, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a slightly damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the wood finish.
- **Storage:** Store the toy in a dry environment, away from direct sunlight or extreme temperatures, to prevent warping or fading.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Tighten any loose fasteners as needed.

## TROUBLESHOOTING

If you encounter any issues with your Hape Smart Wooden Supermarket, consider the following:

- **Assembly Issues:** If parts do not fit correctly, re-check the assembly instructions to ensure all pieces are oriented and connected as specified.
- **Conveyor Belt Not Moving:** Ensure the crank handle is properly attached and the belt is free from obstructions.
- **Electronic Features (if applicable):** If the scanner or cash register's electronic functions are not working, check for battery installation or replacement (batteries not included unless specified).
- **Missing Parts:** If any parts are missing upon unboxing, contact Hape customer support immediately.
