Watch 6N | OSW-8000N

This image shows the Oraimo Watch 6N OSW-8000N smartwatch, highlighting its sleek design and the clear display of time, date, weather, steps, and heart rate. It emphasizes smart care and timeless design.

Anti-Scratch Panda Glas

Durable Clarity, Everyday Protection

This image illustrates the durable, anti-scratch Panda Glass screen of the Oraimo Watch 6N OSW-8000N, emphasizing its clarity and protection for daily use. A comparison shows its superior display.

3. SETUP

3.1 Charging the Device

Before initial use, fully charge your Oraimo Watch 6N. Connect the charging cable to the charging port on the back of the watch and to a USB power adapter. A full charge typically takes approximately 2 hours.

Up to 7-Day Usage Time & 28-Day Standby

Power That Lasts, Anytime You Need

The image displays the Oramo Watch 6N OSW-8000N smartwatch connected to its charger, indicating its long-lasting battery and charging capability.

3.2 Power On/Off

- **To Power On:** Press and hold the side button until the Oramo logo appears on the screen.
- **To Power Off:** Press and hold the side button, then select the 'Power Off' option on the screen.

3.3 App Connection

To unlock the full potential of your smartwatch, download and install the Oramo Health app on your smartphone. The app is compatible with Android smartphones.

1. Scan the QR code provided in the manual or on the watch screen, or search for "Oramo Health" in your smartphone's app store ([Oramo Health App Link](#)).
2. Enable Bluetooth on your smartphone.
3. Open the Oramo Health app and follow the on-screen instructions to pair your smartwatch.

4. OPERATING INSTRUCTIONS

4.1 Basic Navigation

- **Touchscreen:** Swipe left, right, up, or down to navigate through menus and notifications. Tap to select items.
- **Side Button:** Press to return to the home screen or wake the device. Long press for power options.

4.2 Bluetooth Calling

Once paired with your smartphone via Bluetooth, you can make and receive calls directly from your watch.

- **Making Calls:** Access the dialer or contacts list on your watch to initiate a call.
- **Answering Calls:** When a call comes in, tap the green icon on your watch screen to answer.

4.3 Health Monitoring

The smartwatch continuously monitors various health metrics.

- **Heart Rate:** View your current heart rate and historical data in the Oramo Health app.

- **Blood Oxygen (SpO2):** Measure your blood oxygen saturation levels.
- **Sleep Tracking:** Monitor your sleep patterns, including deep sleep, light sleep, and wake times.
- **Activity Tracking:** Tracks steps, distance, and calories burned throughout the day.

The image focuses on the back of the Oraimo Watch 6N OSW-8000N, showing the green light of the heart rate and blood oxygen sensors, indicating continuous wellness monitoring.

4.4 Sport Modes

Select from over 100 sport modes to accurately track your workouts.

- Navigate to the 'Workout' or 'Sport Modes' section on your watch.
- Choose your desired activity (e.g., Running, Cycling).
- Start your workout, and the watch will record relevant data such as duration, distance, and calories.

This image features the Oramo Watch 6N OSW-8000N on a user's wrist, displaying various sport mode icons, emphasizing its capability to track over 100 different sports activities.

4.5 Watch Faces

Customize your watch's appearance with a variety of watch faces available through the Oramo Health app.

- Open the Oramo Health app on your smartphone.
- Navigate to the 'Watch Faces' section.
- Browse and select your preferred watch face to sync it to your device.

5. MAINTENANCE

5.1 Cleaning

Regularly clean your smartwatch and strap to prevent skin irritation and maintain device performance. Use a soft, damp cloth to wipe the screen and strap. Avoid harsh chemicals or abrasive materials.

5.2 Water Resistance

The Oramo Watch 6N OSW-8000N is IP68 water-resistant, meaning it can withstand immersion in water up to 1 meter deep. It is suitable for daily use and light water activities like hand washing or rain exposure. Avoid hot water, steam, or prolonged immersion in water.

IP68 Waterproof

Built to Perform, Ready for Life

The image shows the Oramo Watch 6N OSW-8000N smartwatch surrounded by water bubbles, signifying its IP68 waterproof rating and readiness for various activities and environments.

6. TROUBLESHOOTING

- **Device not turning on:** Ensure the watch is fully charged. Connect it to the charger for at least 10 minutes before attempting to power on again.
- **Cannot pair with smartphone:** Ensure Bluetooth is enabled on your phone and the watch is within range. Restart both devices and try pairing again through the Oramo Health app.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensors on the back of the watch.
- **Short battery life:** Reduce screen brightness, disable unnecessary notifications, and limit continuous heart rate monitoring if not needed.
