VINGLI BL0SM03

VINGLI 58-inch Fireplace TV Stand User Manual

Model: BL0SM03

IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- Exercise caution around sharp edges during assembly and use.
- Do not exceed the maximum load capacity of 420 lbs (190 kg) on the TV stand.
- Ensure all electrical connections for the fireplace are properly secured and meet local safety standards.
- Keep flammable materials away from the electric fireplace heater.
- The electric fireplace includes CSA-certified overheating protection. If the unit overheats, it will automatically shut off.

PRODUCT OVERVIEW

The VINGLI 58-inch Fireplace TV Stand is a farmhouse-style entertainment center designed to accommodate TVs up to 70 inches. It features an integrated electric fireplace heater, adjustable shelves for storage, and a durable engineered wood construction with a Gray Oak finish.

Image: The VINGLI 58-inch Fireplace TV Stand, showcasing its Gray Oak finish, central electric fireplace, and side shelving units. A television is placed on top, and various decorative items and media devices are arranged on the shelves.

Key Features:

- **TV Compatibility:** Supports TVs up to 70 inches and a maximum weight of 420 lbs.
- **Electric Fireplace:** Features a realistic flame effect with 7 color options, adjustable heating (62°F–82°F), a 0.5–6 hour timer, and remote control.
- **Storage:** Two side cabinets with adjustable shelves for media devices, books, and decor.
- **Design:** Farmhouse style with rustic criss-cross details and a Gray Oak finish.
- **Dimensions:** 58.66"W x 15.75"D x 23.62"H.

PACKAGE CONTENTS

Before beginning assembly, ensure all parts are present and undamaged. The item will be delivered in two packages, which may arrive at different times.

- TV Stand components (engineered wood panels, shelves, hardware)

- Electric Fireplace insert
- Remote control for fireplace
- Assembly instructions
- Necessary tools for assembly

SETUP AND ASSEMBLY

Assembly is required. Follow the included clear instructions and use the provided tools for quick setup. It is recommended to have two people for assembly.

Assembly Tips:

1. **Review Instructions:** Carefully read through the entire instruction manual before starting.
2. **Organize Parts:** Lay out all components and hardware, verifying against the parts list.
3. **Insert Wooden Dowels Early:** A crucial tip for smoother assembly: insert the wooden dowels (often labeled 'G' or similar) into their designated holes on the bottom panels *before* fully assembling the entire unit. The instructions may suggest this later, but doing it earlier prevents needing to disassemble parts.
4. **Secure Connections:** Ensure all screws and fasteners are tightened securely, but do not overtighten to avoid damaging the engineered wood.

OPERATING INSTRUCTIONS FOR ELECTRIC FIREPLACE

The electric fireplace can be operated using the control panel on the unit or the included remote control.

Remote Control Functions:

- **Power Button:** Turns the fireplace on or off.
- **Flame Button:** Cycles through 7 different flame color options.
- **Heat Button:** Activates or deactivates the heating function.
- **Temperature Up/Down Buttons:** Adjusts the desired heat temperature (62°F–82°F).
- **Timer Button:** Sets the operating timer for 0.5 to 6 hours.

Meticulously Crafted Details

Refined and Elegant Surface
Waterproof and Scratch-resistant

Durable and Sturdy Base

The flame effect can be used independently without the heating function.

MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your TV stand and electric fireplace.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Dusting:** Regularly dust the unit, especially around the fireplace vents, to maintain proper airflow.
- **Electrical Safety:** Periodically check the power cord and plug for any signs of damage. Do not operate if damaged.
- **Fireplace Care:** Ensure the fireplace intake and exhaust vents are clear of obstructions.

TROUBLESHOOTING

If you encounter issues with your VINGLI Fireplace TV Stand, refer to the following common solutions:

Problem	Possible Cause	Solution
Fireplace does not turn on.	No power, power switch off, remote battery low.	Check power outlet and connections. Ensure the main power switch on the unit is on. Replace remote batteries.
No heat output.	Heat function not activated, temperature set too low, overheating protection activated.	Press the heat button on the remote/panel. Increase the temperature setting. Allow the unit to cool down if overheating protection was triggered. Ensure vents are clear.
Flame effect not working.	Flame function not activated.	Press the flame button on the remote/panel.
Unit feels unstable after assembly.	Loose fasteners, missing dowels.	Re-check all screws and connections. Ensure all wooden dowels are correctly inserted as per assembly instructions.

If problems persist, contact VINGLI customer service for assistance.
