## CARE AND MAINTENANCE

To ensure the longevity and appearance of your VINGLI Fireplace TV Stand, follow these simple care guidelines:

- **Cleaning:** The surface is designed to be waterproof and easy to clean. Use a soft, damp cloth to wipe down surfaces. Avoid harsh chemicals or abrasive cleaners.
- **Dusting:** Regularly dust the unit with a dry, soft cloth.
- **Fireplace Insert:** Ensure the fireplace is turned off and cooled before cleaning. Refer to the fireplace insert's specific cleaning instructions.

## TROUBLESHOOTING

If you encounter any issues with your VINGLI Fireplace TV Stand, please review the following common solutions. For more complex problems, refer to the detailed instruction book or contact customer support.

### Common Issues:

- **Fireplace Not Turning On:** Check if the power cord is securely plugged into a working outlet. Ensure the main power switch on the fireplace insert is in the 'ON' position. Verify remote control batteries if applicable.
- **No Heat Output:** Confirm the heater function is activated. Check the temperature setting; it may be set too low. Ensure the air vents are not obstructed.
- **Unstable Stand:** Recheck all assembly connections to ensure they are tightened. Verify the anti-tip device is correctly installed and secured to the wall.
