SAFETY INFORMATION

To ensure safe operation and prevent damage, please observe the following:

- Do not exceed the overall weight capacity of **170 lbs.**
- The countertop has a maximum weight capacity of **44 lbs.**
- Exercise caution when moving the cart, especially on uneven surfaces or when fully loaded.
- Be aware of potential pinch points during assembly and when operating moving parts like drawers and drop leaves.
- Do not allow children to play on, with, or around the kitchen island.

SETUP AND ASSEMBLY

Assembly of the HOMCOM Kitchen Island is required. Detailed instructions are included with the product packaging. Please follow these instructions step-by-step to ensure correct and secure assembly. It is recommended to have two people for assembly to facilitate handling and ensure stability.

FEATURES AND OPERATION

1. Drop-Leaf Design

The kitchen island features a versatile drop-leaf design. This allows you to extend the countertop for additional food preparation space or a dining area, and then fold it down to save space in smaller kitchens. The expanded countertop measures 44.1" x 29.1", while the folded countertop measures 44.1" x 17.3".

3. Storage Solutions

The kitchen island offers extensive storage options to keep your kitchen organized:

- **3 Drawers:** Convenient for storing utensils, cutlery, or smaller kitchen gadgets.
- **2 Cabinets:** Provide ample space for larger items like pots, pans, or dishes. Each cabinet includes an adjustable shelf to customize storage height.
- **Spice Rack:** Located on the side, ideal for keeping frequently used spices within easy reach.
- **Towel Bars:** Positioned on both sides of the island, perfect for hanging kitchen towels or oven mitts.

ADDED STORAGE SPACE
