# Sweetcrispy 40-Inch Computer Desk with Drawers

Model: SWGDZ-2BC-40IN-RUST

Brand: Sweetcrispy

## INTRODUCTION

---

This manual provides detailed instructions for the assembly, operation, maintenance, and care of your Sweetcrispy 40-Inch Computer Desk. Please read all instructions carefully before beginning assembly and retain this manual for future reference. Ensure all components are present and undamaged before proceeding.

## KEY FEATURES

---

- **Premium Materials:** Constructed from premium MDF and solid steel tubing for durability and stability.
- **Sturdy X-Frame Support:** Features a reinforced X-frame base for enhanced stability, minimizing wobbling.
- **Flexible Drawer Setup:** Includes drawers that can be attached to either the left or right side, or removed for additional space.
- **Handy Side Hooks:** Integrated side hooks provide convenient storage for headphones, bags, or other accessories.
- **Easy Assembly:** Designed for straightforward assembly with all necessary parts, tools, and a clear manual included.

## PARTS LIST

---

Before assembly, verify that all parts listed below are present. Refer to the assembly video and diagrams for visual identification of each component.

## ASSEMBLY INSTRUCTIONS

---

Follow these steps carefully to assemble your Sweetcrispy computer desk. An assembly video is also provided for visual guidance.

Video: Sweetcrispy Computer Desk with Drawers Installation Guide. This video provides a step-by-step visual walkthrough of the desk assembly process.

- 1. Prepare the Desktop:** Lay the two main desktop panels (I and J) flat on a clean, soft surface. Align them and secure them together using the provided connectors and screws.
- 2. Assemble the Main Frame:** Connect the metal frame components (A, B, C, D, E, G) using the designated screws and the included Allen wrench. Ensure all connections are tight for stability.
- 3. Attach Frame to Desktop:** Carefully place the assembled metal frame onto the underside of the desktop panels. Align the screw holes and secure the frame to the desktop using the appropriate screws.
- 4. Install X-Shaped Reinforcement:** Attach the X-shaped reinforcement bars (F) to the designated points on the back of the desk frame. Secure them with the provided screws to enhance stability.
- 5. Assemble and Insert Drawers:** Fold the fabric drawer components (H) into their box shape. Insert the bottom panel into each drawer. Attach the handles to the front of the drawers.
- 6. Position Drawers:** Slide the assembled drawers into the designated slots on the side shelving unit. The drawers can be positioned on either the left or right side of the desk according to your preference.
- 7. Attach Side Hook:** Secure the side hook to the pre-drilled hole on the side of the desk frame using the provided screw.

## USAGE AND ADJUSTMENTS

---

- **Adjustable Drawer Position:** The desk features a flexible design allowing the drawer unit to be installed on either the left or right side. This can be changed after initial assembly by unscrewing and reattaching the unit.
- **Side Hooks:** Utilize the integrated side hooks for hanging headphones, bags, or other items to keep your workspace organized and clutter-free.

## CARE AND MAINTENANCE

---

- **Cleaning:** Wipe the desk surfaces with a clean, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** Promptly clean up any spills to prevent staining or damage to the wood surface.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary to maintain stability.
- **Weight Limit:** Do not exceed the maximum weight recommendation of 200 pounds for the tabletop and 66 pounds for the small base plate to prevent damage or instability.

## SAFETY INFORMATION

---

- Ensure the desk is assembled on a flat, stable surface to prevent tipping.
- Keep small parts and assembly tools away from children during assembly.
- Do not stand or sit on the desk.
- Avoid placing hot items directly on the desk surface without protective padding.
- Distribute weight evenly across the desk surface.
