

HLR YJJ250030

HLR Kitchen Island Cart with Storage (Model YJJ250030) User Manual

Comprehensive instructions for assembly, operation, and maintenance.

1. INTRODUCTION

Thank you for choosing the HLR Kitchen Island Cart with Storage, Model YJJ250030. This manual provides essential information for the safe assembly, proper operation, and effective maintenance of your new kitchen island. Please read these instructions thoroughly before beginning assembly or use to ensure optimal performance and longevity of the product.

This versatile kitchen island features a foldable tabletop, smooth-rolling casters for mobility, a durable solid wood surface, and ample storage space, all designed with a classic vintage style to complement your home.

2. SAFETY INFORMATION

- Always keep the island away from heat sources and sharp objects.
- Secure the casters when not in use to prevent accidental movement.
- Be cautious of sharp edges during assembly and use.
- Avoid placing heavy objects on the drop leaf when extended to prevent tipping or damage.
- Use appropriate safety gear, such as gloves, when assembling or disassembling the island.
- Ensure all screws and fasteners are tightened securely during assembly and periodically check for looseness.

3. PACKAGE CONTENTS

Before beginning assembly, please verify that all components are present and undamaged. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

- All furniture panels and components
- Hardware kit (screws, dowels, cam locks, etc.)

- Assembly instructions (this manual)
- Tools required: Philips head screwdriver (not included), rubber mallet (optional, not included)

4. SETUP AND ASSEMBLY

Assembly is required for this kitchen island. It is recommended to have two people for assembly, though it can be completed by one person. Follow the numbered diagrams provided in the separate assembly guide for detailed step-by-step instructions. Ensure you have adequate space and a clean, flat surface for assembly.

4.1 Key Dimensions

Refer to the diagram below for the overall dimensions and internal measurements of the kitchen island.

4.2 Assembly Tips

- Identify all parts and hardware before starting. Each part is typically labeled.
- Do not overtighten screws, as this can damage the engineered wood.
- Ensure all panels are correctly oriented before fastening.
- For casters, ensure the two lockable casters are installed on the front side for easy access.

5. OPERATING INSTRUCTIONS

5.1 Foldable Tabletop (Drop Leaf)

The kitchen island features a foldable drop leaf tabletop to expand your workspace or dining area. To extend, gently lift the drop leaf and pull out the support arms from underneath. Ensure the support arms are fully extended and locked into place for stability. To retract, push the support arms back in and lower the drop leaf until it rests securely against the main tabletop.

Image: The HLR Kitchen Island Cart shown with its drop leaf tabletop extended, providing additional counter space.

5.2 Mobile Functionality

The island is equipped with five smooth-rolling casters, two of which are lockable. To move the island, ensure the lockable casters are disengaged. To secure the island in a stationary position, press down on the locking mechanism of the two lockable casters until they click into place. Always lock the casters when the island is in use to prevent accidental movement.

5.3 Storage Compartments

The island provides various storage options:

- **Left Storage Cabinet:** Ideal for bottles, jars, and smaller kitchen items. Features adjustable shelving.
- **Right Storage Cabinet:** A larger compartment suitable for microwaves, pots, or larger kitchen appliances.
- **Spacious Drawer:** Located under the main tabletop, perfect for utensils, cutlery, and other small accessories.

6. MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish. For the solid wood tabletop, use a wood-safe cleaner.
- **Spills:** Clean spills immediately to prevent staining, especially on the wood surface.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary to maintain stability.
- **Casters:** Keep casters free of debris to ensure smooth rolling. Lubricate if necessary.
- **Wood Care:** The rubber wood tabletop is heat-resistant and scratch-proof, but using cutting boards and trivets is recommended for prolonged durability.

7. TROUBLESHOOTING

- **Wobbly Island:** Ensure all assembly screws are fully tightened. Check that the island is on a level surface. Adjust leg levelers if applicable (not specified for this model, but a general tip).
- **Casters Not Rolling Smoothly:** Check for debris (hair, lint) wrapped around the caster wheels. Clean as needed. Ensure casters are not locked.
- **Drawer Sticks:** Ensure the drawer slides are properly aligned and free of obstructions. Check that all screws securing the slides are tight.
- **Drop Leaf Not Stable:** Verify that the support arms are fully extended and locked into their designated positions. Avoid placing excessive weight on the extended leaf.

For issues not resolved by these steps, please contact customer support.

8. SPECIFICATIONS

Feature	Detail
Model Name	Kitchen Island
Model Number	YJJ250030
Brand	HLR
Color	Black
Product Dimensions (D x W x H)	18"D x 47"W x 36"H
