Qinline HPJM03

Qinline Rose Flowers Bouquet Building Set (Model HPJM03) Instruction Manual

This manual provides detailed instructions for assembling, operating, and maintaining your Qinline Rose Flowers Bouquet Building Set.

Introduction

The Qinline Rose Flowers Bouquet Building Set (Model HPJM03) allows you to construct a beautiful, lifelike floral arrangement using 1077 precision-cut ABS blocks. This set includes components for creating various rose types, baby's breath, and a customizable vase. It is designed for individuals aged 14 and above.

Safety Information

- **Small Parts Warning:** This set contains small parts which may pose a choking hazard. Keep out of reach of children under 3 years of age.
- **Material Safety:** All components are made from high-quality, non-toxic ABS plastic.
- **Assembly Environment:** Assemble on a clean, flat, and well-lit surface to prevent loss of small pieces.

Package Contents

Your Qinline Rose Flowers Bouquet Building Set (Model HPJM03) includes:

- 1077 precision-cut ABS building blocks.
- Detailed instruction manual.

- Components for various rose types (Modern Roses, Grandiflora Roses).
- Components for White Alstroemeria and Baby's Breath.
- Components for a unique, customizable vase.

Assembly Instructions

Follow these steps carefully to assemble your Qinline Rose Flowers Bouquet. It is recommended to sort pieces by type or color before beginning.

Step 1: Unboxing and Preparation

Open the product box and carefully remove all packaged bags of building blocks and the instruction manual.

Your browser does not support the video tag.

Video: This video demonstrates the unboxing process and initial preparation of the building blocks, showing the contents of the package and the instruction booklet.

Refer to the detailed instruction booklet provided. Each step is illustrated to guide you through the construction process.

Step 2: Assembling the Roses

1. Begin by assembling the base of each rose, attaching the green stem and leaf components.
2. Follow the manual to layer the red petals, ensuring they fit snugly to form the rose bloom.
3. Repeat for all red roses, paying attention to the specific instructions for Modern Roses and Grandiflora Roses.

Your browser does not support the video tag.

Video: This video demonstrates the step-by-step assembly of a single rose, showing how the individual pieces connect to form the flower and stem.

Step 3: Assembling the White Flowers and Baby's Breath

1. Assemble the white Alstroemeria flowers by connecting the petals and central stamen pieces as shown in the manual.
2. Construct the Baby's Breath clusters by attaching the small white flower pieces to their green stems.

Step 4: Assembling the Vase

1. Follow the instructions to build the black and red vase using the designated block pieces.
2. Ensure all vase sections are securely connected to form a stable base for your bouquet.

Step 5: Arranging the Bouquet

1. Insert the assembled roses, white flowers, and baby's breath into the vase.
2. The stems are adjustable, allowing you to customize the height and arrangement of your bouquet. Experiment with different placements to achieve your desired display.

Operating Instructions

Once assembled, your Qinline Rose Flowers Bouquet is ready for display.

- **Placement:** Place the bouquet on a stable, flat surface in your desired location.
- **Adjustments:** Gently adjust the stems and flower heads to refine the arrangement as needed. The petals of some flowers can be slightly adjusted for a more realistic appearance.

Image: Examples of the assembled flower bouquet displayed in different home environments, such as a front door area, living room, and bedroom, demonstrating its versatility as decor.

Maintenance

- **Cleaning:** To clean the bouquet, gently wipe the blocks with a soft, dry cloth. For stubborn dust, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** If disassembling for storage, keep all pieces in a secure container to prevent loss.
- **Durability:** While made from durable ABS plastic, the assembled bouquet can be fragile. Handle with care to prevent pieces from detaching.

Troubleshooting

Pieces do not fit together:

Ensure you are using the correct pieces for the step indicated in the manual. Apply gentle, even pressure. If a piece is damaged, contact customer support.

Missing pieces:

Double-check all packaging and sorting areas. If pieces are genuinely missing, refer to the warranty and support section for contact information.

Assembled bouquet is unstable:

Re-examine the vase assembly steps to ensure all connections are secure. Ensure the stems are fully inserted into the vase.

SPECIFICATIONS

Feature	Detail
Brand	Qinline
Model Number	HPJM03
Number of Pieces	1077
