

Jocoevol FZZH25033101

Jocoevol Full Size Loft Bed with L-Shaped Desk and LED Lights

Model: FZZH25033101

INTRODUCTION

Thank you for choosing the Jocoevol Full Size Loft Bed. This manual provides essential information for the safe assembly, operation, and maintenance of your new loft bed. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

This loft bed features a robust metal frame, an integrated L-shaped desk, LED lighting, a charging station, storage shelves, and fabric drawers, designed to optimize space and functionality in your room.

SAFETY INFORMATION

WARNING: Failure to follow these safety instructions could result in serious injury or death.

- **Pinch Points:** Be cautious of pinch points during assembly. Keep hands and fingers clear of moving parts and joints.
- **Proper Assembly:** Ensure the bed is assembled correctly and all fasteners are securely tightened to prevent instability. Regularly check and retighten all bolts and screws.
- **Weight Limit:** Do not exceed the maximum weight limit of 990 pounds (450 kg) for the top bunk.
- **Guardrails:** The top bunk features 16.5-inch high full-length guardrails. Always ensure guardrails are properly installed and secured to prevent accidental falls.
- **Anti-Tip Kit:** Utilize the included anti-tip kit to secure the loft bed to a wall, ensuring stability and preventing tipping.
- **Mattress Size:** Use only a full-size mattress that meets the recommended dimensions for the top bunk.
- **Ladder Safety:** Always use the ladder for entering and exiting the top bunk. Do not jump on the bed.
- **Children:** This bed is not recommended for children under 6 years of age on the top bunk.
- **Ventilation:** Ensure adequate ventilation around the charging station to prevent overheating.

For additional safety information, please refer to the included assembly instructions.

PACKAGE CONTENTS

Before assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Metal Bed Frame Components (posts, rails, slats)
- L-Shaped Desk Panels
- Storage Shelves
- 3 Fabric Drawers
- Ladder
- Guardrails
- LED Light Strip with Controller and Remote
- Built-in Charging Station (2 AC outlets, 2 USB ports)
- Bedside Storage Bag
- 4 Movable Hooks
- Anti-Toppling Device (Wall Anchor Kit)
- Assembly Hardware (screws, bolts, nuts, Allen wrench)
- Assembly Instructions Manual

SETUP AND ASSEMBLY

Assembly of the Jocoevol Loft Bed is designed to be straightforward. It is recommended that two adults perform the assembly. Please follow the step-by-step instructions provided in the separate assembly manual included in your package.

1. **Preparation:** Clear a spacious area for assembly. Lay out all components and hardware. Ensure you have the necessary tools (usually an Allen wrench is provided).
2. **Frame Assembly:** Begin by assembling the main metal frame structure according to the diagrams. Attach the posts, side rails, and crossbars.
3. **Desk and Shelves:** Install the L-shaped desk and storage shelves into the designated frame sections.
4. **Slat Installation:** Securely attach the metal slats to the bed frame to support the mattress.
5. **Guardrails and Ladder:** Install the full-length guardrails on the top bunk and attach the ladder securely.
6. **Accessories:** Attach the bedside storage bag and movable hooks as desired.
7. **Anti-Toppling Device:** For maximum stability and safety, secure the loft bed to a wall using the provided anti-toppling device.
8. **Final Check:** Once assembled, ensure all bolts and screws are tightened. Do not overtighten.

Heavy Duty Metal Frame Construction

Prevent turning over and falling out of bed while sleeping

The triangular design significantly increases frame stability and prevents shaking

Strong enough to support your child securely and designed to keep the mattress stable without sagging

Keeps the bed firmly in place, Prevents any unwanted sliding and protects your floors

Streamlined assembly process
helps you install faster and easier

Keeps the loft bed securely in place
and prevents tipping for added safety

OPERATING INSTRUCTIONS

LED Lights Operation

The integrated RGB LED light strip offers various lighting options. It can be controlled via buttons on the strip, a dedicated remote control, or a smartphone application.

- **Power On/Off:** Use the power button on the controller or remote.
- **Color Selection:** Choose from over 16 million colors using the app or remote.
- **Lighting Effects:** Select from 20+ preset lighting effects.
- **Brightness Adjustment:** Adjust the light intensity to your preference.
- **Music Sync Mode:** In this mode, the LED lights will flash and change rhythmically with music played nearby. Activate via the app or remote.
- **Timer Function:** Set a timer for the lights to automatically turn off.
- **App Control:** Download the specified app (details in the LED light manual) to control the lights from your smartphone.

Figure 3: LED Light Features. This image highlights the RGB LED light strip's capabilities, including music sync mode, mic mode, over 60,000 colors, brightness adjustment, timing function, and control via iOS/Android app or remote control.

Charging Station Usage

The built-in charging station provides convenient power access for your electronic devices.

- **AC Outlets:** Two 125V/12A AC outlets are available for standard plugs.
- **USB Ports:** Two 5V/2A USB ports are provided for charging smartphones, tablets, and other USB-powered devices.
- **Power Cord:** The charging station is connected via a 6.5-foot power cord. Ensure it is plugged into a grounded wall outlet.
- **Overload Protection:** Avoid overloading the charging station. Do not plug in high-power appliances that exceed the specified amperage.

Figure 4: Built-in Charging Station. This image details the charging station, showing two AC outlets (125V/12A) and two USB ports (5V/2A), along with its 6.5-foot power cord.

MAINTENANCE

Regular maintenance will help prolong the life and appearance of your loft bed.

- **Cleaning the Frame:** Wipe the metal frame with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Cleaning Wood Panels:** For the natural wood panels, use a wood-friendly cleaner or a damp cloth. Dry immediately.
- **Fabric Drawers:** The fabric drawers can be spot cleaned with a mild detergent and water. Allow to air dry completely.
- **Fastener Check:** Periodically check all bolts, screws, and connections to ensure they remain tight. Retighten as necessary to maintain stability.

- **LED Lights:** Keep the LED strip clean and free of dust. Do not attempt to repair or modify the LED strip or charging station yourself.

TROUBLESHOOTING

If you encounter issues with your Jocoevol Loft Bed, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Bed is wobbly or unstable.	Loose fasteners; uneven floor; anti-tip kit not installed.	Ensure all bolts and screws are securely tightened. Place shims under legs if floor is uneven. Install the anti-tip kit to a wall.
LED lights not turning on.	Power connection issue; remote battery dead; controller malfunction.	Check if the LED strip is properly connected to its power source. Replace remote control batteries. If issue persists, contact customer support.
Charging station not working.	Not plugged in; circuit breaker tripped; device not compatible.	Ensure the charging station's power cord is securely plugged into a working wall outlet. Check your home's circuit breaker. Verify device compatibility with 5V/2A USB or 125V/12A AC.
Missing parts during assembly.	Packaging error.	Carefully re-check all packaging materials. If parts are still missing, contact customer support with your model number and a list of missing items.

SPECIFICATIONS
