Garvee 54-inch Fluted Home Office Desk with Charging Station (Burlywood) - Instruction Manual

Model: jwFzpeS0fjGxLburlywood-aCkYd5

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Garvee 54-inch Fluted Home Office Desk with Charging Station. Please read this manual thoroughly before assembly and use to ensure proper function and longevity of your product.

SAFETY INFORMATION

WARNING: This desk has a maximum load limit of 500 pounds (226.8 kg). Do not exceed this weight capacity. Ensure the desk is properly assembled and anchored to prevent tipping. Always distribute weight evenly across the surface to maintain stability. Keep small parts away from children during assembly.

PACKAGE CONTENTS

Before beginning assembly, verify that all components listed in the assembly instructions are present and undamaged. If any parts are missing or damaged, do not proceed with assembly. Contact Garvee customer support for assistance.

- Desk components (engineered wood panels, legs, drawer parts)
- Hardware kit (screws, dowels, cam locks, etc.)
- Drawer pulls (vintage metal knobs)
- Integrated charging station (2 AC outlets, 1 USB-A port, 1 Type-C port)
- Assembly instructions manual

SETUP AND ASSEMBLY

Assembly is required for this product. It is recommended to have two people for assembly. The estimated assembly time is approximately 2 hours. Please note that assembly tools are not included and must be provided by the user.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to

prevent scratches.

2. **Identify Parts:** Refer to the detailed assembly instructions and diagrams provided in the separate manual to identify each component. Parts are typically marked with clear instruction labels.
3. **Assemble Frame:** Follow the step-by-step instructions to construct the main desk frame. Ensure all connections are secure before proceeding.
4. **Install Drawers:** Assemble the drawer boxes and install the ball bearing slide rails. Insert the drawers into their designated slots.
5. **Attach Drawer Fronts and Knobs:** Secure the fluted drawer fronts and attach the vintage metal knobs.
6. **Install Charging Station:** Place the integrated charging station into the pre-cut opening on the desktop. Connect the power cord as instructed.
7. **Final Checks:** Verify that all screws are tightened and the desk is stable.

OPERATING INSTRUCTIONS

- **Using the Charging Station:** Plug the desk's main power cord into a standard wall outlet. Use the 2 AC outlets for standard electronics, and the USB-A and Type-C ports for charging compatible devices.
- **Drawer Operation:** The drawers feature ball bearing slide rails for smooth operation. Pull drawers gently to open and push firmly to close. The file drawer is designed to hold hanging file folders.
- **Weight Distribution:** To ensure stability and prevent damage, distribute items evenly across the desktop and within the drawers. Avoid placing heavy objects on the edges or in a concentrated area.

CARE AND MAINTENANCE

- **Cleaning:** Wipe the desk surface with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the engineered wood finish.
- **Spills:** Immediately wipe up any spills to prevent moisture damage or staining.
- **Protection:** Use coasters under beverages and protective pads under hot items or objects with sharp edges to prevent damage to the desktop.
- **Hardware:** Periodically check and tighten all screws and fasteners to ensure the desk remains stable.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the wood finish.

TROUBLESHOOTING

- **Desk Wobbles:**
 - Ensure all assembly screws are securely tightened.
 - Verify the desk is on a level surface. Adjust leg levelers if present, or place shims under the legs if necessary.
- **Drawers Stick or Don't Close Smoothly:**
 - Check for any obstructions within the drawer slides.
 - Ensure the drawer slides are properly aligned and securely attached.
 - Avoid overloading drawers, as excessive weight can affect their operation.
- **Charging Station Not Working:**
 - Verify the desk's main power cord is securely plugged into a functional wall outlet.
 - Check if the device you are trying to charge is compatible with the USB-A or Type-C port.
 - Ensure the charging station itself is properly seated in its opening and its internal connections are secure (if accessible and safe to check).

SPECIFICATIONS

Brand	Garvee
Model Number	jwFzpeS0fjGxLburlywood-aCkYd5
Product Dimensions (L x D x H)	54.0" x 21.6" x 30.0" (137.2 cm x 54.9 cm x 76.2 cm)
