1. SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- Always assemble the closet system according to the provided instructions.
- Do not overload the shelves or hanging rod. The hanging rod and shelves are designed to support typical clothing weights. Overloading can cause structural failure.
- Secure the unit to the wall using the provided anti-tip safety design to prevent tipping, especially in households with children or pets.
- Keep the area around the closet system clear to avoid accidents.
- Use on a level surface to ensure stability.
- Periodically check all connections and fasteners to ensure they remain tight.

2. PACKAGE CONTENTS

Before beginning assembly, ensure all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Wooden Panels (various sizes for frame, shelves, drawers)
- Hanging Rod
- Drawer Slides (extended silent smooth-glide)
- Drawer Handles
- Assembly Hardware (screws, dowels, cam locks, etc.)
- Anti-Tip Kit
- Instruction Manual

3. ASSEMBLY INSTRUCTIONS

Assembly is required. Follow the numbered steps in the included detailed instructions. Two people are recommended for assembly.

1. **Prepare the Area:** Clear a spacious, level area for assembly. Lay out all parts and hardware.
2. **Assemble the Frame:** Connect the side panels to the base and top panels using the provided hardware. Ensure all connections are secure.
3. **Install Drawer Slides:** Attach the drawer slides to the interior side panels of the cabinet and to the drawer boxes as per the instructions.
4. **Assemble Drawers:** Construct the three wooden drawers, ensuring the bottom panels are correctly inserted and secured. Attach the handles to the drawer fronts.

5. **Insert Drawers:** Carefully slide the assembled drawers into their respective slots on the cabinet.
6. **Install Adjustable Shelves:** Place the shelf support pins at the desired height for the adjustable shelves. Insert the shelves onto the pins.
7. **Attach Hanging Rod:** Secure the hanging rod within the designated upper compartment.
8. **Install Anti-Tip Kit:** Attach the anti-tip bracket to the top rear of the closet system and secure it to a wall stud using the provided hardware. This step is critical for safety.

4. OPERATING INSTRUCTIONS

4.1. Adjustable Shelves

The closet system features 4-position adjustable shelves, allowing you to customize storage space for various items.

- To adjust a shelf, remove all items from the shelf.
- Carefully lift the shelf and remove the support pins from their current holes.
- Reinsert the support pins into the desired new height holes. Ensure all four pins are at the same level.
- Place the shelf back onto the support pins, ensuring it is stable before placing items on it.

Large Storage Space

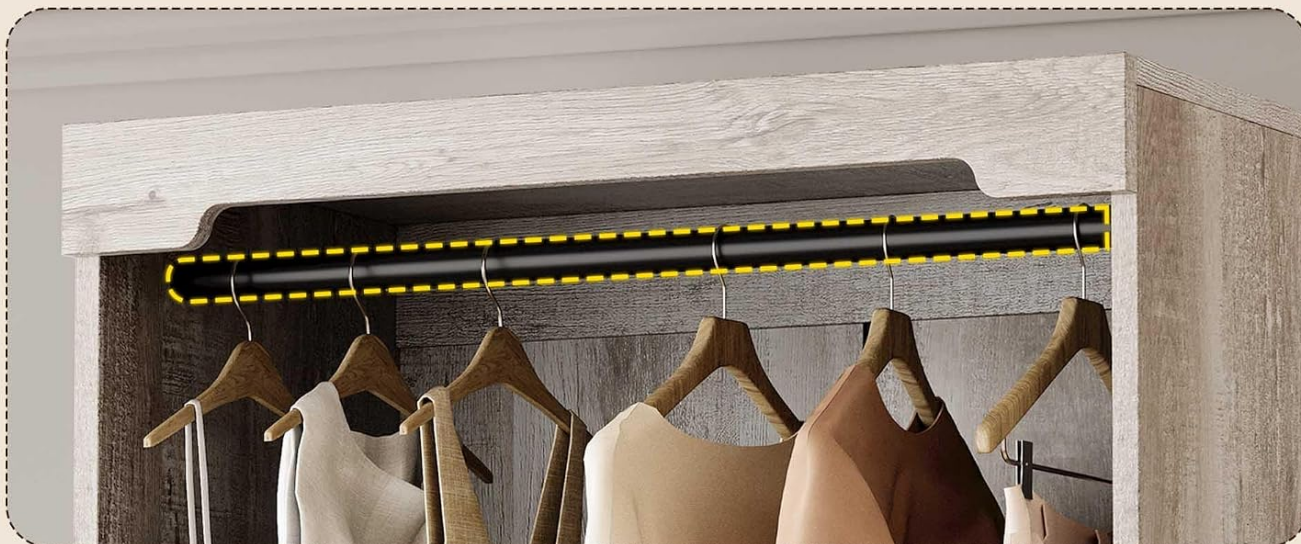

Adjustable shelves, 4 options for different needs

Image: This illustration demonstrates the four adjustable shelf positions, allowing users to customize the storage area to accommodate items of different heights, such as folded clothes or taller accessories.

4.2. Hanging Rod

The sturdy hanging rod provides ample space for hanging garments such as shirts, dresses, and coats. Ensure items are evenly distributed to prevent excessive strain on the rod.

4.3. Drawers

The three large wooden drawers feature extended silent smooth-glide slides for easy opening and closing. These are ideal for storing smaller items, accessories, or folded clothing.

3 large-capacity drawers with smooth slides

Image: This image highlights the three spacious drawers, demonstrating their smooth operation and capacity for organizing various personal items and clothing.

5. MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Hardware Check:** Periodically inspect all screws, bolts, and connections to ensure they are tight. Retighten if necessary to maintain stability.
- **Drawer Slides:** If drawers become stiff, a small amount of silicone-based lubricant can be applied to the slides.
- **Weight Distribution:** Always distribute weight evenly across shelves and the hanging rod to prevent warping or damage.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
Unit is wobbly/unstable	Loose hardware; uneven floor; anti-tip kit not installed.	Ensure all screws are tightened. Move to a level surface or use shims. Install the anti-tip kit securely to the wall.
Drawers do not slide smoothly	Drawer slides misaligned; debris in slides; overloaded drawer.	Check alignment of drawer slides. Clean slides. Reduce weight in the drawer.
Hanging rod sags	Overloaded rod.	Reduce the number of items on the hanging rod. Distribute weight evenly.
Missing parts during assembly	Packaging error.	Contact IRONCK customer support with your purchase details and the specific missing parts.

7. SPECIFICATIONS

Model: HK-YG-25B
Brand: IRONCK
Material: Engineered Wood (E1 grade MDF)
Color: Rustic Maple
Product Dimensions: 16.2 x 23.6 x 78.9 inches (Depth x Width x Height)
Item Weight: 81.1 pounds
Special Features: 3 Wood Drawers, Adjustable Shelves (4 positions), Hanging Rod, Anti-tip safety design
UPC: 791137740135
