## ALLDOCUBE Ultra Pad

# ALLDOCUBE Ultra Pad 13 Inch Tablet User Manual

Model: Ultra Pad

## INTRODUCTION

This manual provides essential instructions for setting up, operating, and maintaining your ALLDOCUBE Ultra Pad 13 Inch Tablet. Please read this guide thoroughly before using your device to ensure proper function and longevity.

## PACKAGE CONTENTS

Verify that all items are present in your package:

- ALLDOCUBE Ultra Pad 13 Inch Tablet
- Magnetic Keyboard
- 4096 Level Stylus
- Data Cable (USB-C)

## PRODUCT OVERVIEW

The ALLDOCUBE Ultra Pad is a high-performance tablet designed for various tasks, featuring a large display, powerful processor, and versatile accessories.

**Image:** ALLDOCUBE Ultra Pad 13 Inch Tablet shown with its magnetic keyboard and stylus. The tablet features a 13-inch display with a 2.8K resolution and 144Hz refresh rate, indicating its high visual fidelity. Key specifications like 15000mAh battery, 24GB RAM, and 256GB ROM are visible on the screen, along with the "Ultra Pad" model name and "Snapdragon 7+ Gen 3" processor branding.

## SETUP

### Initial Power On and Charging

Before first use, ensure the tablet is fully charged using the provided USB-C data cable and a compatible power adapter (not included). The tablet supports PD 33W fast charging.

### Keyboard Language Setup

The keyboard language may need to be configured based on your region. Follow these steps:

1. Navigate to **Settings** → **System Settings** → **Language**. Set your preferred language.
2. Return to **System Settings** → **Keyboard** → **Physical Keyboard** → **uart\_dock** → **Multilingual Settings**. Select your language.
3. Return to **System Settings** → **Keyboard** → **On-Screen Keyboard** → **Gboard** → **Language**. Select your language and then choose the keyboard type that matches your physical keyboard cover.
4. Return to the desktop.
5. Open any input window, then hold down the space bar and select your language to complete the setup.

### Stylus Activation

To activate the 4096-level stylus function:

1. Connect the stylus to the tablet's USB-C port for initial charging and activation.
2. Connect the tablet to Wi-Fi.
3. Open a search box and begin typing text with the stylus. This action will automatically initiate the

necessary software download.

4. Wait for the "Slide Typing" setting in **Settings** to download and become active.
5. Wait for the "Type in Text Box" setting in **Settings** to download and become active.
6. Activation is complete once these settings are applied.

## OPERATING INSTRUCTIONS

### Display and Performance

- Display:** The tablet features a 13-inch IPS display with a 2880 x 1840 pixel resolution and a 144 Hz refresh rate.
- Processor:** Powered by the Qualcomm Snapdragon 7+ Gen3 octa-core processor and Android 15, ensuring smooth operation for various applications.
- Memory and Storage:** Equipped with 24GB RAM (12GB physical + 12GB virtual) and 256GB ROM, expandable up to 1TB via a TF card.

### Audio and Connectivity

- Audio:** Features 8 DTS stereo speakers for enhanced sound.
- Wireless:** Supports WiFi 6 and Bluetooth 5.4 for reliable wireless connections.
- Port:** The Type-C port supports USB 3.1 Gen2 protocol and DisplayPort (DP) projection.
- Headphones:** Connect headphones via the Type-C port.

### AI Features

The tablet includes AI functionalities powered by the Qualcomm Hexagon NPU and ALLDOCUBE OS 4.1. These features may include a voice assistant, offline translation, writing assistance, smart subtitles, and a meeting assistant.

### IMPORTANT NOTES

- This tablet does not support 4G LTE or GPS functionality.
- Face recognition and fingerprint recognition are not supported.
- The name "Ultra Pad" is for sales and advertising. The internal model designation, "iPlay 70 ultra," may appear during system updates or certifications. Both refer to the same product.

<b>Item Weight</b>	4.73 pounds

## TROUBLESHOOTING

If you encounter issues with your ALLDOCUBE Ultra Pad, consider the following general troubleshooting steps:

- Device Not Responding:** Press and hold the power button for approximately 10-15 seconds to force a restart.
- Charging Issues:** Ensure the USB-C cable is securely connected to both the tablet and the power adapter. Try a different cable or adapter if available.
- Connectivity Problems (Wi-Fi/Bluetooth):** Toggle Wi-Fi or Bluetooth off and on in the settings. Restart the tablet and your router/Bluetooth device.
- App Malfunctions:** Close and reopen the application. If the issue persists, clear the app's cache or reinstall it from the Google Play Store.
- Stylus Not Working:** Ensure the stylus is charged and activated as per the "Stylus Activation" section.
- Keyboard Input Issues:** Verify keyboard language settings are correct as per the "Keyboard Language Setup" section. Ensure the keyboard is properly connected to the tablet.
- Software Updates:** Regularly check for system updates in **Settings** to ensure your device has the latest fixes and improvements.

For persistent issues, contact ALLDOCUBE customer support.

## MAINTENANCE

To ensure the longevity and optimal performance of your ALLDOCUBE Ultra Pad:

- Cleaning:** Use a soft, lint-free cloth to clean the screen and body. Avoid abrasive materials or harsh chemicals.
- Storage:** Store the tablet in a cool, dry place away from direct sunlight and extreme temperatures.
- Battery Care:** Avoid fully discharging the battery frequently. For long-term storage, charge the battery to around 50-70%.
- Software Updates:** Keep the operating system and applications updated to benefit from performance improvements and security patches.
- Physical Protection:** Use a protective case and screen protector to guard against drops and

scratches.

## WARRANTY AND SUPPORT

For information regarding warranty coverage, technical support, or service, please refer to the warranty card included with your product or visit the official ALLDOCUBE website. Keep your purchase receipt as proof of purchase for warranty claims.
