

## Apple MGD74LL/A

# Apple MagSafe Charger User Manual

Model: MGD74LL/A

## 1. INTRODUCTION

---

The Apple MagSafe Charger is designed to provide fast and efficient wireless charging for compatible iPhone models and AirPods with a wireless charging case. Its perfectly aligned magnets ensure a secure connection for optimal charging performance.

### 1.1. What's in the Box

- MagSafe Charger
- USB-C integrated cable (1m)

### 1.2. Key Features

- Magnetic alignment for compatible iPhone models.
- Faster wireless charging up to 25W when paired with a 30W power adapter.
- Certified for Qi2.2 and Qi charging standards.
- Compatible with iPhone 8 or later and AirPods models with a wireless charging case.
- Integrated 1-meter USB-C cable.

## 2. SETUP

---

Follow these steps to set up your MagSafe Charger:

1. **Connect to Power:** Plug the USB-C end of the MagSafe Charger's integrated cable into a compatible USB-C power adapter (sold separately). For optimal fast charging, a 30W or higher power adapter is recommended.
2. **Power Source:** Plug the power adapter into a wall outlet.
3. **Placement:** Place the MagSafe Charger on a flat, stable surface.

### 3. OPERATING INSTRUCTIONS

---

Using your MagSafe Charger is simple:

1. **Align Device:** Place your compatible iPhone (iPhone 12 series or later for magnetic alignment) or AirPods with a wireless charging case onto the MagSafe Charger. The magnets will automatically align the device for optimal charging.
2. **Charging Indicator:** Your device's screen will indicate that it is charging. For iPhones, the battery icon will show a charging symbol.
3. **Fast Charging:** To achieve faster wireless charging speeds (up to 25W), ensure you are using a 30W or higher USB-C power adapter.
4. **Removing Device:** Gently lift your device from the MagSafe Charger when charging is complete or when you need to use your device.

#### 3.1. Compatibility

The MagSafe Charger is compatible with:

- iPhone 8 and later models (magnetic alignment for iPhone 12 series and newer).
- AirPods models with a wireless charging case.

## 4. MAINTENANCE

---

Proper care will ensure the longevity of your MagSafe Charger:

- **Cleaning:** Disconnect the charger from power before cleaning. Use a soft, lint-free cloth slightly dampened with water to wipe the surface of the charger. Avoid using abrasive cleaners, aerosols, or solvents.
- **Storage:** Store the charger in a cool, dry place when not in use. Avoid extreme temperatures.
- **Cable Care:** Do not bend or crimp the cable excessively. Avoid placing heavy objects on the cable.

## 5. TROUBLESHOOTING

---

If you encounter issues with your MagSafe Charger, refer to the following common problems and solutions:

Problem	Possible Solution
---------	-------------------

Problem	Possible Solution
Device not charging.	<ul style="list-style-type: none"> <li>◦ Ensure the USB-C power adapter is properly connected to a working wall outlet.</li> <li>◦ Verify that the MagSafe Charger's USB-C cable is securely plugged into the power adapter.</li> <li>◦ Check if your device is compatible with wireless charging and MagSafe.</li> <li>◦ Remove any thick cases from your device that might interfere with charging.</li> <li>◦ Try a different power adapter or outlet.</li> </ul>
Slow charging.	<ul style="list-style-type: none"> <li>◦ Ensure you are using a 30W or higher USB-C power adapter for faster charging.</li> <li>◦ Close any power-intensive apps on your device.</li> <li>◦ Ensure your device is properly aligned on the charger.</li> </ul>
Charger or device gets warm.	<ul style="list-style-type: none"> <li>◦ It is normal for the charger and device to become slightly warm during wireless charging.</li> <li>◦ If it becomes excessively hot, disconnect the charger and device, and allow them to cool down. Ensure proper ventilation.</li> <li>◦ Avoid charging in direct sunlight or hot environments.</li> </ul>

## 6. SPECIFICATIONS

Feature	Detail
Model Number	MGD74LL/A
Brand	Apple
Connector Type	USB Type C
Input Voltage	120 Volts
Wattage	Up to 25 watts (with compatible power adapter)
Cable Length	1 meter
Color	White
Item Weight	3.03 ounces
Package Dimensions	4.21 x 3.58 x 0.71 inches
Manufacturer	Apple

## 7. WARRANTY AND SUPPORT

Apple products are covered by a limited warranty. For detailed warranty information, please refer to the warranty documentation included with your product or visit the official Apple support website.

For technical support, troubleshooting assistance, or to inquire about repairs, please visit [support.apple.com](https://support.apple.com) or contact Apple Support directly.

You may also consider purchasing AppleCare+ for extended coverage and technical support.
