LIVELYGLOW WHP-DZK

LIVELYGLOW Vanity Desk with Mirror and Lights Instruction Manual

Model: WHP-DZK

1. Product Overview

The LIVELYGLOW Vanity Desk is a multi-functional makeup station designed for cosmetic application and storage. It features an integrated mirror with adjustable LED lighting, multiple drawers, open shelves, and a cabinet for organized storage of beauty essentials. Constructed from engineered wood, this vanity desk offers stability and durability.

2. Safety Information

- Read all instructions carefully before assembly and use.
- Keep all small parts and packaging materials away from children.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and retighten as necessary.
- Do not overload drawers or shelves to prevent tipping or damage.
- Place the vanity on a flat, stable surface.
- Avoid exposing the vanity to excessive moisture or direct sunlight.

3. Package Contents

Verify that all components are present before beginning assembly.

- Vanity Desk components (MDF panels, hardware)
- LED light bulb kit

- Instruction Manual
- Accessory Packages (screws, dowels, tools)

4. Assembly Instructions

Assembly requires two people. Clear a spacious area and lay out all components. Refer to the included accessory packages for specific hardware for each step.

Step 4.1: Unpack and Identify Components

Carefully remove all parts from the packaging. Compare each part against the parts list provided in the separate instruction booklet to ensure all pieces are present and undamaged.

Step 4.2: Assemble the Main Desk Frame

Begin by connecting the side panels to the main desktop using the designated screws and dowels. Ensure all connections are flush and secure. Follow the numerical sequence in the provided assembly diagram.

Step 4.3: Install Drawers and Cabinet

Assemble the drawer boxes according to the instructions, then install the drawer slides onto both the drawer boxes and the desk frame. Insert the assembled drawers into their respective slots. Attach the cabinet door to the cabinet section using the provided hinges.

Image 4.3: Detailed view of the vanity's storage components, including three-tier open shelves, double cabinets, and two drawers with partitions.

Step 4.4: Attach Mirror and Light Assembly

Secure the mirror panel to the back of the desk using the specified hardware. Once the mirror is in place, attach the LED light bulbs to the designated positions around the mirror. Connect the light kit to the power source as instructed.

5. Operating Instructions

5.1: LED Lighting Control

The integrated LED light bulb kit features adjustable brightness and three color lighting modes. Use the provided

controller to operate the lights:

- **Brightness Adjustment:** The controller allows for 5 levels of brightness adjustment. Press the brightness buttons to increase or decrease light intensity.
- **Color Mode Selection:** Switch between three color lighting modes (Warm Light, Natural Light, Cold Light) using the dedicated button on the controller.

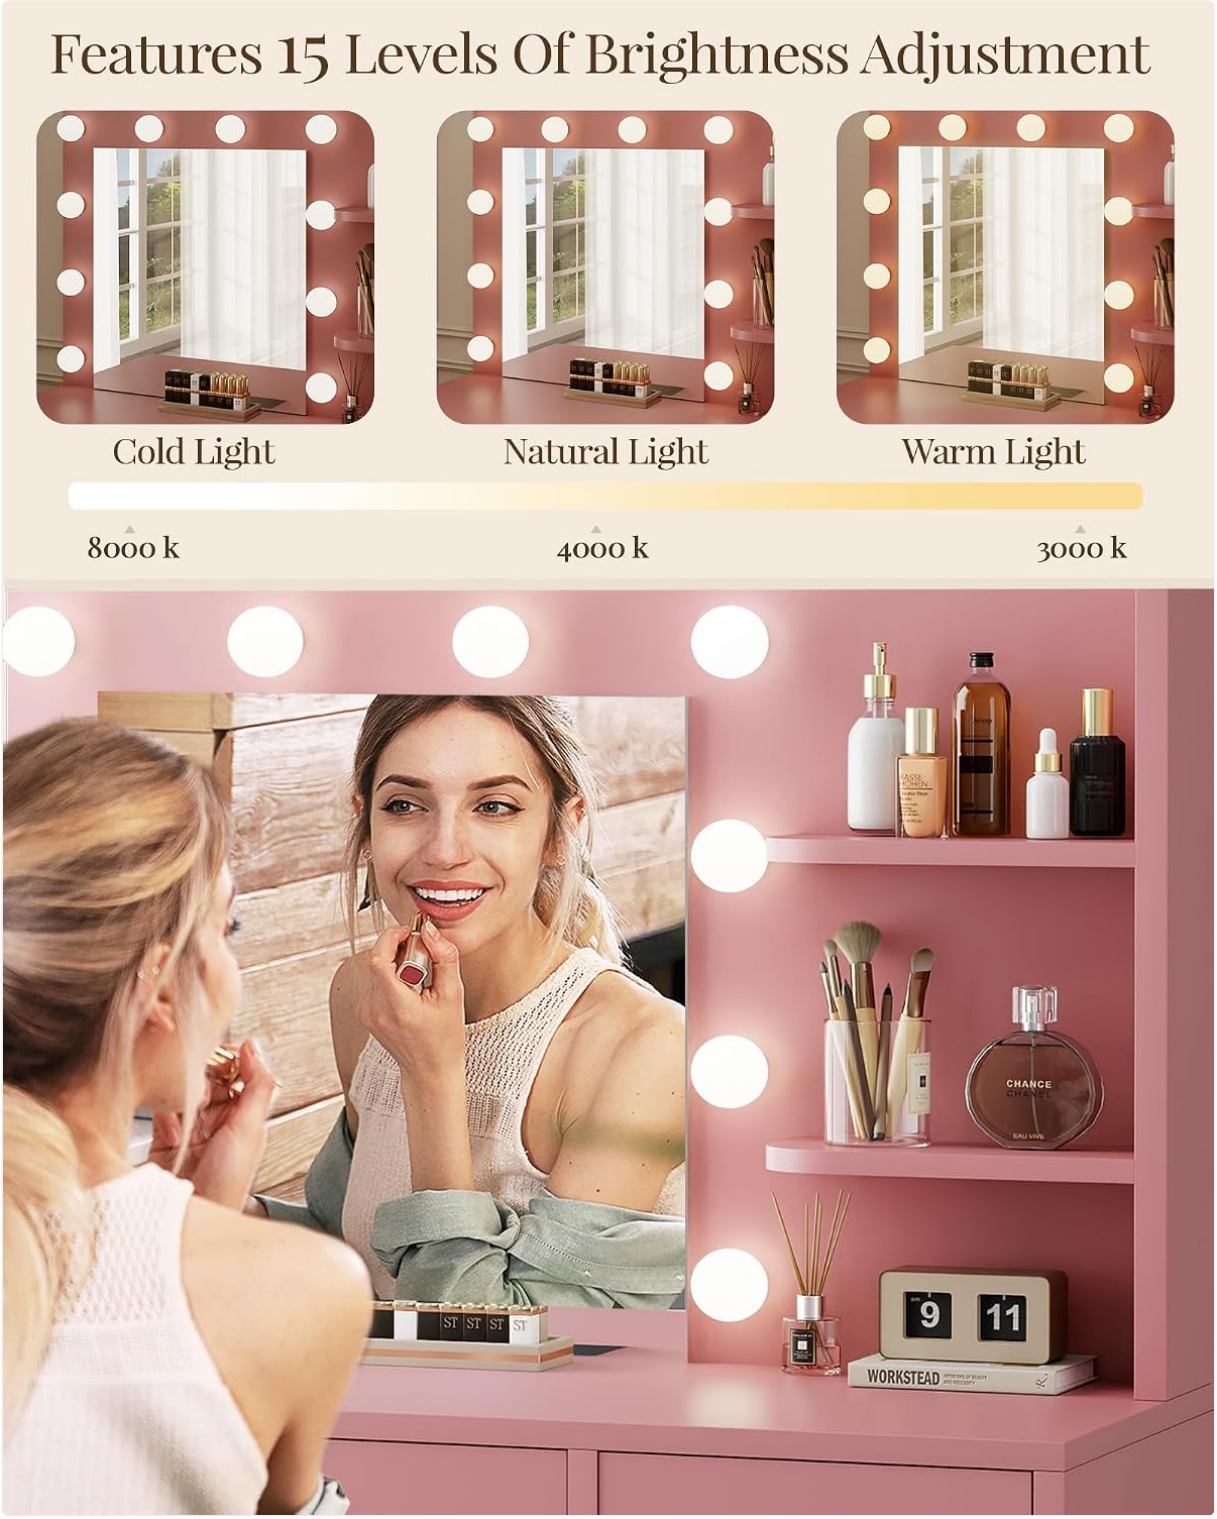

Image 5.1: Illustration of the three lighting modes (Cold, Natural, Warm) and the 15 levels of brightness adjustment available with the LED light kit.

5.2: Storage Utilization

The vanity desk offers various storage options:

- **Open Shelves:** Use the three-tier open shelves on the desktop for displaying frequently used items,

perfumes, or decorative objects.

- **Drawers:** The two drawers provide enclosed storage. They include partitions for organizing smaller items like lipsticks, powders, and brushes.
- **Cabinet:** The side cabinet offers a larger enclosed space for bulkier items or personal belongings.

6. Maintenance and Care

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the engineered wood.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth.
- **Fasteners:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

7. Troubleshooting

Problem	Possible Cause	Solution
Lights not turning on	Power cable not connected; faulty bulb; controller issue.	Ensure power cable is securely plugged in. Check if bulbs are properly seated. Test with a different power outlet. Contact customer support if issue persists.
Drawers stick or do not slide smoothly	Drawer slides misaligned; obstruction; overloaded drawer.	Empty the drawer and check for obstructions. Verify that drawer slides are correctly installed and aligned. Ensure screws on slides are tight.
Vanity feels wobbly	Loose fasteners; uneven floor.	Check and tighten all assembly screws. Ensure the vanity is placed on a level surface. Use furniture pads if necessary to stabilize.
