3. Cleaning

- Use a soft, lint-free cloth to clean the screen and exterior.
- Avoid harsh chemicals or abrasive materials.
- Ensure the laptop is powered off and unplugged before cleaning.

TROUBLESHOOTING

If you encounter issues, consider the following common solutions:

- **No Power:** Ensure the power adapter is securely connected and the outlet is functional. Check if the battery is charged.
- **Display Issues:** If the screen is blank, try connecting an external monitor via HDMI to check if the issue is with the laptop's display or graphics output.
- **Connectivity Problems (WiFi/Bluetooth):** Verify that WiFi and Bluetooth are enabled in Windows settings. Restart your router for WiFi issues.

- **Slow Performance:** Close unnecessary applications, check for background updates, and ensure sufficient free storage space.

For persistent issues, refer to the support section for contact information.
