1. SAFETY INSTRUCTIONS

Please read all safety instructions carefully before using the Uthfy 35L Towel Warmer. Failure to follow these instructions may result in electric shock, fire, or serious injury.

- **Electrical Safety:** Ensure the towel warmer is plugged into a grounded outlet. Do not operate with a damaged cord or plug. Keep the power cord away from heated surfaces.
- **Water and Moisture:** This appliance is designed for bathroom use but must be protected from direct water splashes. Do not immerse the unit in water or other liquids. Ensure hands are dry when plugging in or unplugging.
- **Overheating Protection:** The unit features an integrated auto-shutoff to prevent overheating. Do not block the ventilation openings.
- **Placement:** Place the towel warmer on a stable, level surface. Ensure the bottom brackets are securely positioned to prevent tipping.
- **Children and Pets:** Keep the appliance out of reach of children and pets. Supervise children to ensure they do not play with the appliance.
- **Hot Surfaces:** The interior and contents of the towel warmer will become hot during operation. Use caution when removing items. Metal zippers or embellishments on clothing can become very hot.
- **Intended Use:** Use this appliance only for its intended purpose of warming towels, bathrobes, blankets, and other fabric items. Do not use it for drying wet items or for any other purpose.
- **Cleaning:** Always unplug the unit before cleaning. Refer to the "Maintenance" section for detailed cleaning instructions.

2. PRODUCT OVERVIEW

The Uthfy 35L Towel Warmer is designed to provide warm, cozy fabrics for your comfort. It features a large capacity, adjustable heating timer, and an aroma tray for an enhanced experience.

2.1 Components

- Main Unit (Bucket)
- Lid with Portable Handle
- Control Panel (Power Button, Timer Button, LED Display)
- Aroma Tray Holder (located on the underside of the lid)
- Stainless Steel Lining
- Stabilizing Brackets (3 at the base)

2.2 Key Features

- **35L Large Capacity:** Accommodates up to two 40" x 70" bath towels, bathrobes, blankets, or pajamas.
- **Rapid Heating:** Heats items quickly with 450W power.
- **Adjustable Heating Timer:** Select from 15, 30, 45, or 60 minutes.
- **Auto Shut-Off:** Automatically turns off after the set time or in case of overheating for safety.
- **Aroma Tray:** Integrated holder for scented diffuser pads (not included) to add fragrance to warmed items.
- **Durable Construction:** Upgraded stainless steel lining resists corrosion.
- **User-Friendly Controls:** Top-mounted controls with LED display for easy operation.

3. SETUP

1. **Unpack:** Carefully remove all packaging materials from the towel warmer.
2. **Placement:** Choose a stable, level surface in your bathroom or desired location. Ensure the unit is not directly exposed to water splashes.
3. **Power Connection:** Plug the power cord into a standard grounded electrical outlet.
4. **Initial Cleaning:** Before first use, wipe the interior and exterior of the unit with a damp cloth. Ensure it is completely dry before plugging in.

4. OPERATING INSTRUCTIONS

4.1 Warming Items

1. **Open Lid:** Remove the lid from the towel warmer.
2. **Load Items:** Place dry towels, bathrobes, blankets, or other fabric items into the warmer. Do not overload the unit. For best results, loosely fold items.
3. **Close Lid:** Securely place the lid back on the unit.
4. **Power On:** Press the power button () on the control panel. The LED display will illuminate.
5. **Set Timer:** Press the timer button () repeatedly to cycle through the available heating times: 15, 30, 45, or 60 minutes. The selected time will be shown on the LED display.
6. **Heating:** The unit will begin heating. The interior will glow during the heating process.
7. **Auto Shut-Off:** The towel warmer will automatically turn off once the set heating time has elapsed.
8. **Remove Items:** Carefully remove the warmed items. Be aware that items, especially those with metal components, may be hot.

5. MAINTENANCE

Regular cleaning and proper care will ensure the longevity and optimal performance of your Uthfy 35L Towel Warmer.

- 1. Unplug Before Cleaning:** Always disconnect the towel warmer from the power outlet before cleaning.
- 2. Exterior Cleaning:** Wipe the exterior surfaces with a soft, damp cloth. Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the finish.
- 3. Interior Cleaning:** The body and lid can be separated for easy cleaning. Wipe the stainless steel lining with a damp cloth. Ensure the interior is completely dry before reassembling and using the unit.
- 4. Aroma Tray:** Remove and clean the aroma tray as needed. Replace scented diffuser pads regularly.
- 5. Storage:** If storing the unit for an extended period, ensure it is clean and dry. Store it in a cool, dry place.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
Unit does not power on.	Not plugged in; power outlet malfunction; unit malfunction.	Ensure the power cord is securely plugged into a working outlet. Test the outlet with another appliance. If the problem persists, contact customer support.
Items are not warming sufficiently.	Incorrect timer setting; unit overloaded; items too damp.	Select a longer heating time. Do not overload the unit; ensure items are dry before placing them inside.
Unit automatically shuts off prematurely.	Overheating protection activated.	This is a safety feature. Allow the unit to cool down. Ensure ventilation openings are not blocked and the unit is not overloaded.
Items have an unpleasant smell after warming.	Items were damp; interior needs cleaning; old aroma pad.	Ensure items are completely dry before warming. Clean the interior of the unit thoroughly. Replace the aroma pad if using one.
