WLIVE 40-inch Lift Top Coffee Table User Manual

Brand: WLIVE | Model: B0FQJPRSDR

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your WLIVE 40-inch Lift Top Coffee Table. Designed for versatility, this 4-in-1 coffee table adapts to various needs, functioning as a standard coffee table, a two-person desk, or a dining table for up to eight. It features integrated storage solutions, smart LED lighting, and a convenient USB charging station. Please read this manual thoroughly before assembly and use to ensure proper function and longevity of your product.

PRODUCT FEATURES

4-in-1 Lift Design

This coffee table offers a versatile 4-in-1 design to suit various activities. It can be used as a standard coffee table, raised halfway to serve as a two-person desk, or fully extended to function as a dining table for up to eight people. The effortless height adjustment mechanism allows for smooth transitions between modes.

Regular Coffee Table

Extra Storage Space

The lift-top coffee table is designed with practicality in mind, featuring dedicated storage compartments beneath the lift-top, two fabric drawers, and two large open shelves. These areas provide ample space to store living room essentials, keeping items like remote controls, magazines, and snacks organized and within easy reach, contributing to a clutter-free environment.

USB & Smart LED Light

The table includes a smart RGB LED strip offering over 70,000 colors, music synchronization, and app control for customizable ambiance. Additionally, a built-in USB port allows for direct phone charging, ensuring your devices remain powered. The LED and USB features are integrated for convenience and modern functionality.

Quality Lift Mechanism

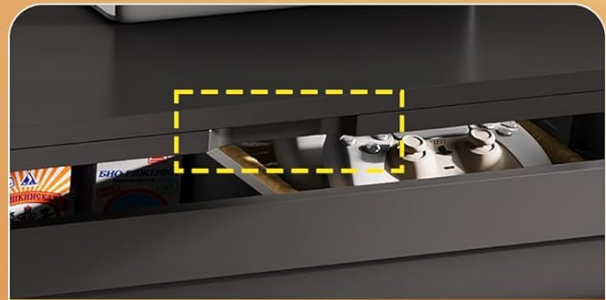

Equipped with a high-quality hydraulic lifting mechanism, the coffee table provides solid support for the tabletop. This mechanism allows for effortless lifting and a slow, safe lowering action, designed to prevent accidental pinches during use.

Lower tabletop must be raised first to avoid damage.

Sturdy and Durable Construction

The lift coffee table is constructed from high-quality MDF (Medium-Density Fiberboard) to ensure stability and durability. The material is also waterproof and scratch-resistant, facilitating easy cleaning and maintenance.

SETUP AND ASSEMBLY

Assembly of the WLIVE 40-inch Lift Top Coffee Table is required. Please ensure all parts and hardware are present before beginning. Follow the included step-by-step instructions carefully. It is recommended to have a clear, spacious area for assembly. For detailed visual guidance, refer to the assembly instructions provided in your product packaging. Ensure all screws and connectors are securely fastened to guarantee stability.

OPERATING INSTRUCTIONS

Using the Lift-Top Mechanism

- To raise the tabletop: Gently lift the desired section of the tabletop. The hydraulic mechanism will assist in a smooth upward movement.
- To lower the tabletop: Apply gentle downward pressure on the tabletop. The hydraulic mechanism is designed for a slow and controlled descent to prevent sudden drops.
- **Important Safety Note:** Always ensure the tabletop is fully raised before attempting to lower it to avoid potential damage or pinching.

Controlling the Smart LED Light

- **Key Control:** Use the inline controller on the LED strip cable to cycle through basic colors and modes.
- **App Control:** Download the dedicated smartphone application (refer to packaging or product information for app name/QR code). Connect your device via Bluetooth to access over 70,000 RGB colors, music sync features, and advanced lighting effects.

Using the USB Charging Station

- Plug the table's power cord into a standard 125V/12A AC outlet.
- Connect your devices to the two AC outlets or the two 5V/2.1A USB ports located on the side of the table.
- Ensure devices are compatible with the provided power specifications.

MAINTENANCE

- **Cleaning:** The table's high-quality MDF surface is waterproof and scratch-resistant. Wipe clean with a damp cloth and mild detergent. Avoid abrasive cleaners.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Tighten as necessary to maintain stability.
- **LED Lights:** If LED lights malfunction, check the power connection. If issues persist, contact customer support.

TROUBLESHOOTING

- **Tabletop not lifting smoothly:** Ensure no objects are obstructing the hydraulic mechanism or the internal storage compartments. Check that all assembly hardware is correctly installed and tightened.
- **LED lights not working:** Verify the power adapter is securely plugged into both the wall outlet and the LED strip. If using app control, ensure Bluetooth is enabled and the app is correctly paired with the device.
- **USB ports not charging:** Confirm the table's power cord is plugged into a live electrical outlet. Test with different devices and cables to rule out device-specific issues.
- For any persistent issues not covered here, please refer to the contact information for customer support.
