Bigbiglife 63 Inch Dining Table - Assembly and Care Manual

Model: 01

IMPORTANT SAFETY INFORMATION

Always follow the assembly instructions carefully to avoid injury. Use the provided tools and ensure all parts are securely fastened before use. Do not exceed the maximum weight recommendation of 330 pounds for the tabletop. Ensure the table is placed on a stable, level surface.

PRODUCT OVERVIEW AND DIMENSIONS

The Bigbiglife 63 Inch Dining Table is designed for both indoor and outdoor use, offering a spacious surface for dining, work, or other activities. Its sturdy construction ensures stability and durability.

Tabletop:330 lbs

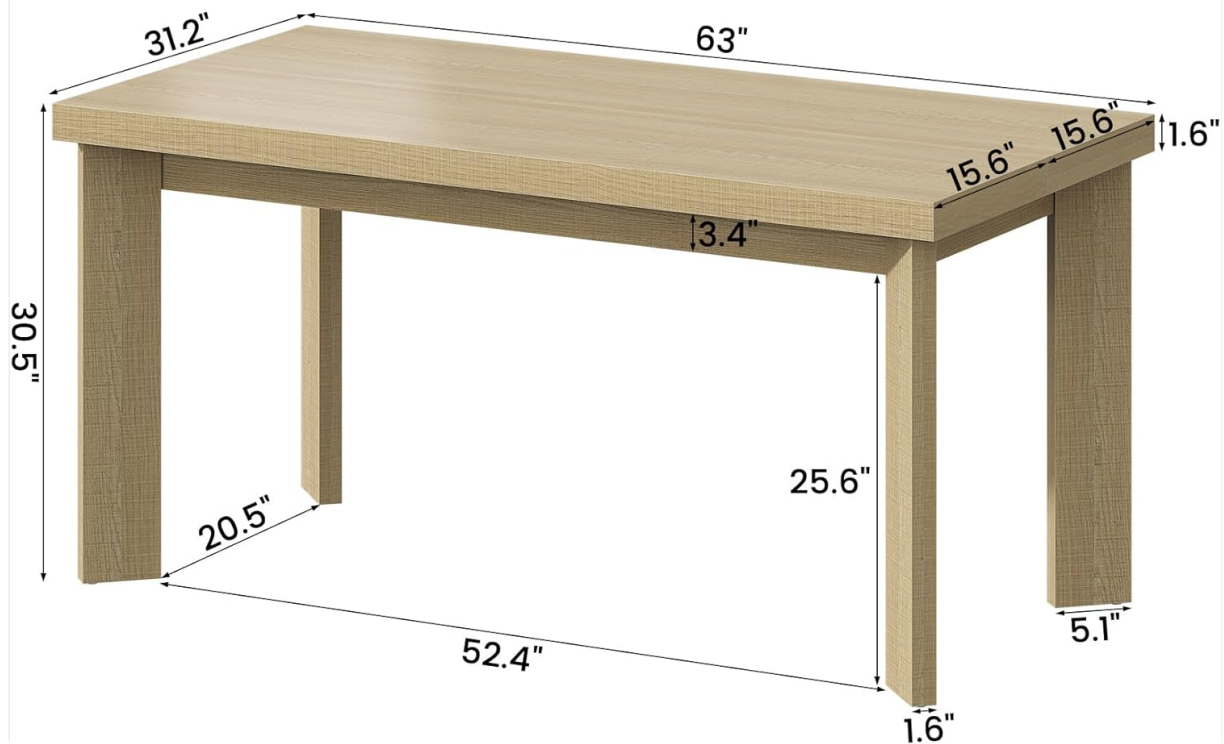

Figure 1: Product Dimensions. The table measures 63 inches in length, 31.2 inches in width, and 30.5 inches in height. The tabletop thickness is 1.6 inches.

PACKAGE CONTENTS

Before assembly, verify that all components are present. Refer to the assembly video for a visual guide to parts and hardware.

- Tabletop sections (Part 1)
- Support beams (Parts 2, 3, 4)
- Table legs (Part 5)
- Corner brackets (Part 6)
- Various screws, bolts, washers, and an Allen key (Hardware A-O)

ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your dining table. It is recommended to have two people for assembly.

Video 1: Step-by-step assembly guide for the Bigbiglife Dining Table. This video demonstrates the complete assembly process from unboxing to the final setup.

1. **Prepare Tabletop Sections:** Insert dowels (A) into the designated holes on the two main tabletop sections (Part 1).
2. **Assemble Central Support Frame:** Attach the shorter support beams (Part 4) to the longer support beams (Part 2) using cam locks (B) to form the central frame.

3. **Connect Tabletop Sections:** Join the two tabletop sections (Part 1) together using the provided connectors (D) and ensure they are flush.
4. **Attach Leg Mounting Plates:** Secure the square mounting plates (O) to the underside of the tabletop at each corner using screws (I).
5. **Install Dowels and Cam Locks:** Insert dowels (C) into the tabletop where the support frame will connect. Attach cam locks (B) to the support frame.
6. **Secure Support Frame to Tabletop:** Carefully align and attach the assembled central support frame to the underside of the tabletop, securing it with cam locks (B) and screws (C).
7. **Prepare Table Legs:** Attach the leg mounting plates (N) to the top of each table leg (Part 5) using screws (F).
8. **Install Corner Brackets:** Place the corner brackets (Part 6) into the inner corners of the support frame and secure them with screws (H).
9. **Attach Table Legs:** Mount each table leg (Part 5) to the underside of the tabletop at the corners, aligning with the previously installed mounting plates. Secure them using bolts (G), washers (L), and nuts (M). Ensure all connections are tight.
10. **Final Check:** Once all legs are securely attached, carefully turn the table upright. Check for stability and tighten any loose connections.

OPERATING INSTRUCTIONS

This dining table is designed for general residential use in dining rooms, living rooms, kitchens, or outdoor spaces. It can comfortably accommodate up to 6 people. The maximum weight capacity for the tabletop is 330 pounds. Avoid placing excessively heavy items on the table to prevent damage.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your Bigbiglife dining table, follow these care guidelines:

- **Cleaning:** The thick tabletop features waterproof, scratch-resistant, and easy-to-clean properties. Wipe spills immediately with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Protection:** While the tabletop is scratch-resistant, using placemats or coasters is recommended to protect against hot dishes and sharp objects.
- **Stability:** Periodically check all screws and bolts to ensure they remain tight. Retighten as necessary to maintain stability.
- **Environment:** For outdoor use, protect the table from prolonged exposure to extreme weather conditions to prevent wear and tear.

TROUBLESHOOTING

If you encounter any issues with your dining table, consider the following:

- **Wobbling Table:** Ensure all leg bolts are securely tightened. Check if the table is on an even surface; adjust the feet pads if necessary.
- **Loose Parts:** Re-examine all connections and tighten any loose screws or cam locks.
- **Surface Damage:** For minor scratches, furniture repair kits may be used. For significant damage, contact customer support.
