Maxi-Cosi Oxford Cabin

Maxi-Cosi Oxford Cabin Lightweight Travel Stroller Instruction Manual

Model: Oxford Cabin (CV471HHH)

1. INTRODUCTION AND OVERVIEW

The Maxi-Cosi Oxford Cabin Lightweight Travel Stroller is designed for convenient and comfortable travel with a child. This stroller features an ultra-compact fold, making it suitable for various travel scenarios.

Key features include:

- **Ultra-Compact Fold:** The stroller folds compactly with one hand, meeting International Air Transport Association (IATA) guidelines for carry-on luggage, allowing it to fit into most airplane and train overhead compartments.
- **Car Seat Compatibility:** Infant car seat adapters are included, allowing compatibility with all Maxi-Cosi infant car seats (sold separately) to form a travel system.
- **Lightweight Design:** Weighing 16 lbs., the Oxford Cabin stroller is ultra-lightweight and includes a travel bag with backpack straps and a carry handle for easy transport. It is self-standing when folded for convenient storage.
- **Comfort Features:** An extendable UPF 50+ canopy with a mesh panel provides sun protection and airflow. Additional mesh on the seatback offers ventilation. The stroller accommodates children up to 50 lbs. and 45 inches tall.

OXFORD CABIN LIGHTWEIGHT
TRAVEL STROLLER

The stroller made for
travel near and far

The Maxi-Cosi Oxford Cabin stroller features an ultra-compact fold, making it IATA-compliant for carry-on luggage.

The stroller is ultra-lightweight at 16 lbs., making it easy to carry in its included travel bag.

2. WHAT'S IN THE BOX

Upon unpacking, ensure all components are present:

- Maxi-Cosi Oxford Cabin Stroller
- Travel bag
- Parent cup holder
- Storage basket
- Infant car seat adapters

The included travel bag features backpack straps and a traditional carry handle for easy transport.

3. SETUP

3.1 Unfolding the Stroller

To unfold the stroller, release the folding latch and extend the frame until it locks into place. Ensure all parts are securely engaged before placing a child in the stroller.

3.2 Folding the Stroller

The stroller can be folded compactly with one hand. Follow the instructions in the detailed manual for the specific folding mechanism. Once folded, it is self-standing for easy storage.

3.3 Car Seat Installation

The included infant car seat adapters allow you to attach any Maxi-Cosi infant car seat (sold separately) to the stroller frame, creating a convenient travel system. Refer to the car seat manual for specific installation instructions.

Maximum convenience

Designed for maximum convenience and comfort, this stroller makes going places with your little one easy as can be.

The stroller is compatible with Maxi-Cosi infant car seats using the included adapters to create a travel system.

4. OPERATING THE STROLLER

4.1 Canopy Adjustment

The stroller features an extendable UPF 50+ canopy. Adjust the canopy to provide optimal sun protection for your child. A mesh panel is integrated for improved airflow.

1-hand fold

and self-standing when folded

The extendable UPF 50+ canopy includes a mesh panel for protection and ventilation.

4.2 Recline and Leg Rest

The seat offers a 1-hand adjustable recline to ensure your child's comfort. The 3-position leg rest can also be adjusted to support your child's legs as they grow.

4.3 Storage Basket

Utilize the easy-access storage basket located beneath the seat for carrying essentials such as diapers, snacks, or small bags.

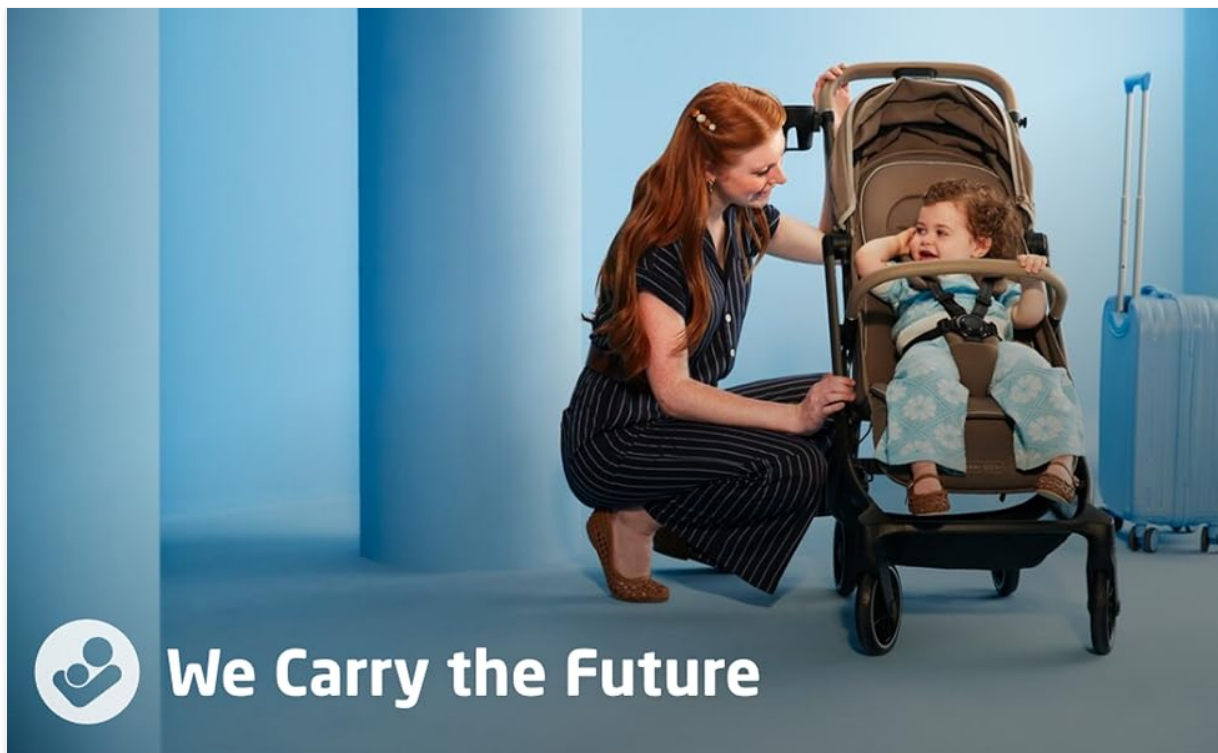

Ultra-lightweight at 16 lbs.

The stroller includes an easy-access storage basket for convenience.

4.4 Wheels and Brake System

The stroller is equipped with all-wheel suspension for a smooth ride. The brake system is designed for easy engagement, often referred to as 'flip-flop friendly'.

All-wheel suspension provides a smooth ride, complemented by an easy-to-use brake system.

5. MAINTENANCE

5.1 Cleaning Instructions

The stroller's fabrics are designed for easy cleaning. The infant inlay, harness covers, and travel bag are machine-washable. For other fabric parts, spot clean with a damp cloth and mild soap. Allow all components to air dry completely before reassembly or storage.

The EcoCare fabric is made from 100% recycled plastic bottles, contributing to environmental sustainability.

This stroller folds compactly and meets the IATA-recommended folded air travel size.

The stroller features EcoCare 100% recycled fabric, with machine-washable components for easy maintenance.
