CASTA DIVA CD-Y010POV

Casta Diva Smart Toilet CD-Y010POVNW User Manual

Model: CD-Y010POVNW

1. INTRODUCTION

Thank you for choosing the Casta Diva Smart Toilet CD-Y010POVNW. This advanced toilet system is designed to enhance your bathroom experience with a range of intelligent features focused on hygiene, comfort, and convenience. Please read this manual thoroughly before installation and use to ensure proper operation and longevity of your product.

2. KEY FEATURES

- **Foam Shield Technology:** Automatically creates a thick foam barrier to prevent splashing, block odors, and resist sticking. Foam liquid can be prepared from body wash or dish soap mixed with water.
- **Automatic Bidet Toilet:** Features an auto-opening lid upon approach and self-closing/flushing upon completion. Foot-kick operation controls the seat/lid and activates flushing for hands-free use.
- **Powerful Siphonic Flush:** Equipped with a built-in tank and pump for strong flushing performance independent of home water pressure. Efficient 1.06 GPF rating for water savings.
- **Multiple Cleaning Modes:** Includes automatic self-cleaning nozzle, rear wash, front wash, and oscillating massage with instant warm water.
- **Personalized Warmth & Comfort:** Adjustable heated bidet seat and warm water temperatures. Features a clear HD digital display for real-time settings.
- **Luxury Comfort Features:** 4-speed heated seat, warm air dryer, foot kick flush, soft night light, and auto deodorizer.

3. SAFETY INFORMATION

Please observe the following safety precautions:

- Ensure the toilet is installed by a qualified professional in accordance with local plumbing and electrical codes.
- Do not immerse the product in water or spray water directly onto electrical components.
- Always unplug the unit before cleaning or performing maintenance.
- Do not use abrasive cleaners or harsh chemicals that may damage the surface or internal components.
- Keep children and pets away from the toilet's moving parts and water jets.
- Ensure the electrical outlet is a three-prong, grounded outlet.

4. PACKAGE CONTENTS

Verify that all components are present before beginning installation:

- Casta Diva Smart Toilet Unit (Model CD-Y010POVNW)
- Remote Control
- T-Valve
- Mounting Bracket Screws
- Wax Ring
- Installation Template
- Flange
- User Manual (this document)

5. SETUP & INSTALLATION

Professional installation is recommended. Follow these general steps:

1. **Prepare the Area:** Ensure the floor drain outlet centerline is marked. Verify water supply pressure meets requirements (refer to specifications).
2. **Install Shut-off Valve:** Install the provided shut-off valve on the wall.
3. **Water Volume Check:** Connect a water hose to the shut-off valve. Fully open the valve and fill a bucket for 10 seconds. Measure if the water volume is greater than 1.05 gallons per 10 seconds.
4. **Outline Placement:** Use the installation template (cardboard) to outline the toilet's position on the floor with a pencil or tape.
5. **Mounting Bracket Assembly:** Assemble the mounting bracket with bolts and secure them to the pre-installed flange on the ground. Tighten with nuts.
6. **Connect Water Supply:** Connect the toilet's water supply lines to the shut-off valve.
7. **Power Connection:** Plug the toilet into a grounded three-prong electrical outlet.

For a visual guide on installation, please refer to the official installation video below:

Video: Official Casta Diva Smart Toilet Installation Guide. This video demonstrates the step-by-step process of installing the smart toilet, including preparing the area, connecting water lines, and securing the unit.

6. OPERATING INSTRUCTIONS

6.1 Automatic Functions

- **Auto Open/Close Lid:** The lid automatically opens when you approach the toilet and closes when you move away.
- **Off-seat Auto Flush:** The toilet will automatically flush after you stand up and move away.
- **Foot Kick Flush:** Gently tap the foot kick sensor at the base of the toilet to open/close the seat/lid or activate a flush.

6.2 Remote Control Operation

The remote control provides full command over all toilet functions. It can be mounted on a wall for easy access.

- **Stop:** Halts any active bidet or drying function.
- **Front Wash:** Activates the front bidet spray.
- **Rear Wash:** Activates the rear bidet spray.
- **Dryer:** Activates the warm air dryer (adjustable 4-speed).
- **Flush:** Manually activates a flush.
- **Nozzle Position:** Adjusts the bidet nozzle forward or backward.
- **Water Pressure:** Increases or decreases bidet water pressure.
- **Nozzle Clean:** Initiates a self-cleaning cycle for the bidet nozzle.
- **H/C Massage:** Activates hot/cold oscillating massage.
- **Night Light:** Toggles the soft night light on/off.

- **Air Temp:** Adjusts the warm air dryer temperature.
- **Water Temp:** Adjusts the bidet water temperature.
- **Seat Temp:** Adjusts the heated seat temperature (4-speed).
- **Open/Close Cover:** Manually opens or closes the toilet cover.
- **Open/Close Seat:** Manually opens or closes the toilet seat.

6.4 Special Features

- **Foam Shield:** To activate, ensure foam liquid is added to the designated reservoir (under the decorative lid). The foam barrier will automatically deploy upon seating.
- **Night Light:** A soft blue night light illuminates the bowl for convenience during nighttime use. Can be toggled via remote.
- **Auto Deodorizer:** Automatically activates to maintain a fresh environment.
- **Blackout Flush:** In case of a power outage, the toilet is equipped with a backup system to allow for flushing.

7. MAINTENANCE

7.1 Cleaning the Toilet

- Regularly clean the exterior surfaces with a soft, damp cloth and mild, non-abrasive cleaner.
- Do not use harsh chemicals, bleach, or abrasive pads as these can damage the finish.

7.2 Nozzle Maintenance

- The bidet nozzle features an automatic self-cleaning cycle before and after each use.
- For deeper cleaning, the nozzle is removable. Gently pull the nozzle out for manual cleaning with a soft brush and mild soap.

8. TROUBLESHOOTING

Problem	Possible Cause	Solution
No power/functions unresponsive	Power cord unplugged; circuit breaker tripped; power outage.	Check power connection; reset circuit breaker; use blackout flush feature during outage.
Bidet spray weak or inconsistent	Water pressure setting too low; nozzle clogged.	Increase water pressure via remote; clean nozzle.
Heated seat not warming	Seat temperature setting too low; heating element issue.	Adjust seat temperature via remote; contact customer support if issue persists.
Foam shield not activating	Foam liquid reservoir empty; sensor obstruction.	Refill foam liquid reservoir; ensure no obstruction to seating sensor.

9. SPECIFICATIONS

- **Model:** CD-Y010POVNW
- **Product Dimensions:** 26.8"D x 16.3"W x 19.5"H
- **Material:** Ceramic
- **Item Weight:** 97 Pounds
- **Flush Type:** Siphonic, 1.06 GPF
- **Power:** Requires 3-prong grounded electrical outlet
- **Included Components:** Mounting kit, Remote Control, T-Valve, Wax Ring, Installation Template, Flange

10. WARRANTY & SUPPORT
