

LEMEGA IR1S

Lemega IR1S Internet Radio Instruction Manual

Model: IR1S | Brand: LEMEGA

INTRODUCTION

Thank you for choosing the Lemega IR1S Internet Radio. This manual provides essential information for the safe and efficient operation of your device. Please read it thoroughly before use and retain it for future reference.

The Lemega IR1S is a versatile audio device offering a wide range of listening options, including Internet Radio, FM radio, podcast playback, and Bluetooth streaming. It also features an alarm clock and can be powered by mains electricity or AA batteries for portability.

WHAT'S IN THE BOX

Upon unpacking, please ensure all items listed below are present and in good condition:

- Lemega IR1S Internet Radio Unit
- Power Adapter
- Owner's Manual (this document)

If any items are missing or damaged, please contact your retailer or LEMEGA customer support.

PRODUCT OVERVIEW

The Lemega IR1S combines modern connectivity with classic radio functionality in a compact design. Key features include:

- **Internet Radio & Podcast Player:** Access over 50,000 Internet Radio stations and a vast library of

podcasts worldwide via Wi-Fi.

- **FM Radio:** Enjoy local broadcasts with clear digital sound.
- **150 Presets:** Store your favorite stations across all modes for quick access.
- **Bluetooth Streaming:** Wirelessly connect your smartphone or tablet to stream audio.
- **Alarm Clock Functions:** Wake up to your preferred radio station or a buzzer, with snooze and sleep timer options.
- **Portability:** Operates on mains power or AA batteries (not included) for up to 10 hours of portable listening.
- **Full-Colour Display:** Provides clear information and easy navigation.
- **Headphone Jack:** For private listening.

SETUP

1. Powering On

1. **Mains Power:** Connect the provided power adapter to the DC IN socket on the back of the radio and

then plug it into a wall outlet.

2. **Battery Power:** For portable use, insert 4 x AA batteries (not included) into the battery compartment on the back of the radio. Ensure correct polarity. The radio can operate for up to 10 hours on batteries.

**10hrs Portable Play
(requires AA batteries)**

2. Initial Setup and Network Connection

1. When you power on the radio for the first time, it will guide you through an initial setup wizard.
2. Select your preferred language.
3. The radio will then scan for available Wi-Fi networks. Select your home network from the list.
4. Enter your Wi-Fi password using the control knob and buttons. Confirm your selection.
5. Once connected, the radio will display the current time and date, synchronized via the internet.

OPERATING INSTRUCTIONS

1. Internet Radio

- From the main menu, select "Internet Radio".
- You can browse stations by location, genre, or search for specific stations.
- Use the control knob to navigate and select stations.
- Press the "Mode" button to switch between different radio modes.

Image: A close-up view of the Lemega IR1S radio's front panel, highlighting its clear full-color display showing "BBC World Service Global" and its intuitive control buttons and rotary knob for easy navigation.

2. Podcasts

- From the main menu, select "Podcasts".
- Browse podcasts by category, country, or search for specific titles.
- The radio remembers your last played episode, allowing you to resume listening.

3. FM Radio

- Press the "Mode" button until "FM Radio" is selected.
- Extend the telescopic antenna for optimal reception.
- The radio will automatically scan for available FM stations.
- Use the control knob to tune to different stations.

4. Bluetooth Streaming

- Press the "Mode" button until "Bluetooth" is selected. The radio will enter pairing mode.
- On your smartphone or tablet, go to Bluetooth settings and select "Lemega IR1S" from the list of available devices.
- Once paired, you can stream audio from your device to the radio.

5. Presets

- To save a station: While listening to a station, press and hold one of the preset buttons (1, 2, 3, or "3+" for more options) until "Stored" appears on the display.
- To recall a station: Briefly press the desired preset button.
- The radio supports up to 150 presets across all radio modes.

6. Alarm Clock and Sleep Timer

- Access alarm settings through the main menu. You can set multiple alarms.
- Choose to wake up to Internet Radio, FM, or a buzzer.
- The sleep timer allows you to set a duration after which the radio will automatically turn off.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the radio's surface. Do not use abrasive cleaners or solvents.
- **Battery Replacement:** If using batteries, replace all AA batteries simultaneously when the low battery

indicator appears.

- **Antenna:** Handle the telescopic antenna carefully to avoid damage.
- **Storage:** If storing the radio for an extended period, remove the batteries to prevent leakage.

TROUBLESHOOTING

Problem	Possible Cause / Solution
No power	Ensure power adapter is securely connected to the radio and wall outlet. If using batteries, check if they are inserted correctly and not depleted.
No Internet Radio connection	Verify Wi-Fi network is active and the password is correct. Ensure the radio is within range of your Wi-Fi router. Restart your router and the radio.
Poor FM reception	Fully extend the telescopic antenna. Try repositioning the radio to a different location.
Bluetooth pairing issues	Ensure the radio is in Bluetooth mode and discoverable. Make sure your streaming device's Bluetooth is enabled and within range. Forget the device on your smartphone/tablet and try pairing again.

SPECIFICATIONS

- **Model:** IR1S
- **Product Dimensions:** 6.5 x 2 x 4 inches (16.5 x 5.1 x 10.2 cm)
- **Item Weight:** 1.23 pounds (0.56 kg)
- **Connectivity Technology:** Bluetooth, Wi-Fi
- **Tuner Technology:** Internet Radio, FM
- **Power Source:** Corded Electric (Power Adapter included), AA Batteries (not included)
- **Compatible Devices:** Earphone, Smartphone
- **Included Components:** Owner's Manual, Power Adapter
