5. OPERATING INSTRUCTIONS

The RORRY CharmGo offers versatile charging options for your devices.

5.1 Charging Your Devices

1. Using Built-in Cables:

- Locate the built-in Lightning cable (for Apple devices) or the built-in USB-C cable.
- Gently pull out the desired cable from its slot.
- Connect the cable to your device's charging port. The power bank will automatically begin charging.

2. Using the USB-C Output Port:

- If your device requires a different cable or you prefer to use your own, connect it to the dedicated USB-C output port on the power bank.
- The power bank will automatically detect and charge your device.

3. Charging Multiple Devices: The RORRY CharmGo can charge up to three devices simultaneously using its built-in cables and the additional USB-C output port.
