# CaDA Japanese Sento Building Block Set C66012W Instruction Manual

Model: C66012W

## 1. INTRODUCTION

This instruction manual provides detailed guidance for the assembly, operation, and maintenance of your CaDA Japanese Sento Building Block Set C66012W. Please read this manual thoroughly before beginning assembly to ensure a smooth and enjoyable building experience. This set is designed for individuals aged 14 years and up.

## 2. PRODUCT OVERVIEW

The CaDA Japanese Sento Building Block Set C66012W is an intricate model inspired by traditional Japanese bathhouses, featuring 1249 high-quality pieces and integrated LED lighting. It offers a detailed representation of a Sento, complete with various architectural and interior elements.

### Key Features:

- **Authentic Design:** Recreates a traditional Sento with a pitched roof and Noren curtains, drawing inspiration from Japanese cultural themes.
- **Detailed Architecture:** Includes a bathing area, open-air hot spring, changing rooms, and a rest area.
- **Immersive Interior:** Features a women's room with vanity, a men's room with a vintage scale, a classic milk vending machine, and a Mount Fuji mural.
- **Interactive Elements:** The back wall opens for interior access, and LED lights illuminate the Sento for enhanced realism.

### What's in the Box:

- Building Block Pieces (1249 PCS)
- Instruction Manual
- LED Lights
- 2 AA Batteries (included for LED lights)

### 3. SAFETY INFORMATION

**WARNING: CHOKING HAZARD - Small parts. Not for children under 3 years.**

- Keep small parts away from young children to prevent choking.
- This product is for external assembly and display only.
- Ensure batteries are inserted correctly according to polarity (+/-). Do not mix old and new batteries.
- Dispose of used batteries responsibly.

### 4. SETUP AND ASSEMBLY

Follow the step-by-step instructions provided in the included printed instruction manual for assembling your CaDA Japanese Sento Building Block Set. The manual contains detailed diagrams and piece counts for each stage of construction.

#### General Assembly Tips:

- Organize your pieces before starting. Sorting by color and type can significantly speed up the process.
- Pay close attention to the orientation of pieces as shown in the diagrams.
- Apply gentle, even pressure when connecting bricks to avoid damage.
- If a step seems unclear, review the previous steps or look ahead to see the final structure.

#### LED Light Installation:

The set includes LED lights to illuminate your Sento model. The installation steps for the lighting system are integrated into the main building instructions. Ensure you follow these steps carefully to properly route the wires and place the light modules.

- The LED system requires 2 AA batteries, which are included. Install them into the designated battery box as per the instructions.
- Some light modules may feature a cylindrical piece that twists to activate. Ensure these are accessible for operation after assembly.

Figure 3: Follow the detailed instruction manual for assembly.

## 5. OPERATING INSTRUCTIONS

### Activating LED Lights:

Once the model is fully assembled and batteries are installed, locate the activation points for the LED lights. Some lights may be controlled by a small cylindrical twisting mechanism. Gently twist this component to turn the lights on or off. If the lights do not activate, refer to the troubleshooting section.

### Interactive Features:

The model features an opening back wall. Gently open this section to reveal the detailed interior, including the bathing area, changing rooms, and other intricate details. Close it securely when not in use.

## 6. MAINTENANCE

### Cleaning:

To maintain the appearance of your building block set, gently dust it regularly with a soft, dry cloth. For more stubborn dirt, use a slightly damp cloth with mild soap, then wipe dry immediately. Avoid harsh chemicals or abrasive materials.

### Storage:

Store the model in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic pieces. If disassembling for storage, keep all pieces organized to facilitate future reassembly.

### Battery Replacement:

When the LED lights dim or stop working, it's time to replace the 2 AA batteries. Follow the instructions for accessing the battery compartment, replace the old batteries with new ones, ensuring correct polarity, and dispose of used batteries properly.

## 7. TROUBLESHOOTING

- **LED Lights Not Working:**
  - Check if the batteries are correctly installed and not depleted.
  - Ensure all wire connections are secure and not pinched.
  - Verify that the light activation mechanism (if applicable, e.g., twisting cylindrical piece) is properly engaged.
- **Missing or Damaged Pieces:**
  - Carefully review the parts list in your instruction manual.
  - Contact CaDA customer support for assistance with replacement parts.
- **Difficulty During Assembly:**
  - Re-examine the diagrams in the instruction manual for the specific step.
  - Ensure you are using the correct pieces for each step.
  - Sometimes, a piece may require firm but gentle pressure to connect.

## 8. SPECIFICATIONS

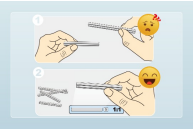

Specification	Detail
Product Dimensions	9.84 x 6.3 x 7.09 inches
Item Weight	3.74 pounds
Item Model Number	927DE66012
Manufacturer Recommended Age	14 years and up
Batteries	2 AA batteries required (included)
Number of Pieces	1249

## 9. WARRANTY AND SUPPORT

For warranty information, missing parts, or technical support, please contact CaDA customer service through their official website or the retailer where the product was purchased. Please have your model number (C66012W) and proof of purchase available when contacting support.
