FirFurd P714

FirFurd P714 6-Compartment Cube Storage Shelf Instruction Manual

Model: P714 | Brand: FirFurd

INTRODUCTION

This manual provides comprehensive instructions for the assembly, use, and maintenance of your FirFurd P714 6-Compartment Cube Storage Shelf. Designed for versatility and stability, this unit offers flexible storage solutions for various spaces, including living rooms, offices, and bedrooms. It features adjustable shelves, a durable melamine-coated wood construction, and an anti-tipping device for enhanced safety. Follow these guidelines to ensure proper setup and long-lasting enjoyment of your storage unit.

SAFETY INFORMATION

- Always follow assembly instructions carefully.
- Ensure all fasteners are securely tightened before use.
- Do not overload shelves. Each shelf supports up to 20 kg (44 lbs).
- Install the anti-tipping device as recommended, especially in households with children or pets, to prevent accidental tipping.
- Keep small parts away from children during assembly.
- Use on a flat, stable surface.

PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged.

- 1 x Shelf Unit (main structure)
- 1 x Anti-Tipping Device
- 1 x Accessory Kit (containing screws, dowels, etc.)

- 1 x User Manual

SPECIFICATIONS

Feature	Detail
Brand	FirFurd

ASSEMBLY INSTRUCTIONS

Please read all instructions carefully before beginning assembly. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify against the package contents list.
2. **Identify Parts:** Each accessory and panel is numbered for easy identification. Refer to the included diagram for visual guidance.
3. **Assemble Frame:** Follow the step-by-step diagrams in the manual to connect the main panels using the provided hardware. Ensure all connections are snug but do not overtighten until the unit is fully assembled.
4. **Install Adjustable Shelves:** The second and fifth shelves are adjustable by 3 cm (1.2 inches) up or down. Insert the shelf pins into the desired holes and place the shelves securely. This allows for flexible storage of items like A4 binders.
5. **Secure Back Panel:** Attach the back panel using the provided fasteners. The back panel features buckles to prevent deformation and enhance stability.
6. **Apply Screw Hole Covers:** Once assembly is complete, use the color-matched stickers to cover visible screw holes for a clean aesthetic.
7. **Install Anti-Tipping Device:** For safety, especially in homes with children or pets, it is highly recommended to secure the unit to a wall using the included anti-tipping device. Follow the specific instructions provided with the device for proper installation.

OPERATING AND USAGE GUIDELINES

Your FirFurd P714 storage shelf is designed for versatile use in various rooms.

- **Storage:** Utilize the six compartments for organizing books, decorative items, photo frames, potted plants, storage boxes, small appliances, aromatherapy products, and cosmetics.
- **Adjustable Shelves:** Take advantage of the adjustable shelves to accommodate items of different heights, such as A4 binders.
- **Placement:** This unit is ideal for living rooms, offices, bedrooms, or dining areas. Its slim design allows it to fit into corners or narrow spaces, maximizing room utilization.
- **Combination:** This shelf can be combined with other FirFurd shelving units of the same series to create custom storage configurations and enhance your room's aesthetic.

30 cm erhöhter Abstand und verstellbare Ablagen

bieten problemlos Platz für Gegenstände unterschiedlicher Größe

CARE AND MAINTENANCE

To ensure the longevity and appearance of your storage shelf, follow these maintenance tips:

- **Cleaning:** The melamine-coated surface is waterproof and scratch-resistant. Wipe clean with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Promptly wipe up any spills to prevent water damage or staining.
- **Protection:** Avoid placing hot items directly on the surface. Use coasters or protective pads if necessary.
- **Inspection:** Periodically check all fasteners and connections to ensure they remain tight. Retighten if necessary.

TROUBLESHOOTING

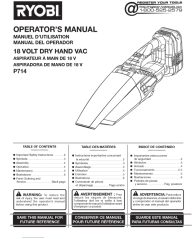

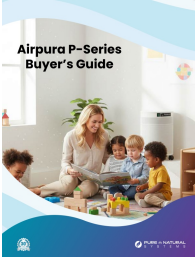

- **Missing Parts:** If any parts are missing or damaged upon arrival, please contact FirFurd customer support immediately for assistance.
- **Unstable Unit:** Ensure all screws are tightened. Verify the unit is on a level surface. If instability persists, ensure the anti-tipping device is correctly installed and secured to the wall.
- **Difficulty Assembling:** Review the assembly instructions carefully. Ensure you are using the correct hardware for each step. If issues persist, contact customer support.

WARRANTY AND SUPPORT

FirFurd is committed to providing high-quality products. While specific warranty details are not provided in this manual, please retain your proof of purchase for any warranty claims.

For product support, missing parts, or any questions regarding your FirFurd P714 6-Compartment Cube Storage Shelf, please contact your retailer or FirFurd customer service through their official website or contact channels.
