2. SAFETY INFORMATION

Please observe the following safety guidelines to prevent injury or damage to the product:

- **WARNING:** This product requires assembly. For optimal stability and ease of assembly, it is recommended that two people work together.
- Do not exceed the maximum weight capacity of 150 pounds (68 kg) on the tabletop.
- Be aware that the waterproof tabletop surface may become slippery when wet. Clean spills immediately.
- Always exercise caution when moving or adjusting the table to prevent tipping or personal injury.
- Ensure all electrical connections for the charging station and LED lights are secure and conform to local electrical standards. Do not overload the charging station.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. Refer to the included assembly guide for a complete list of parts and hardware.

PRODUCT DIMENSIONS

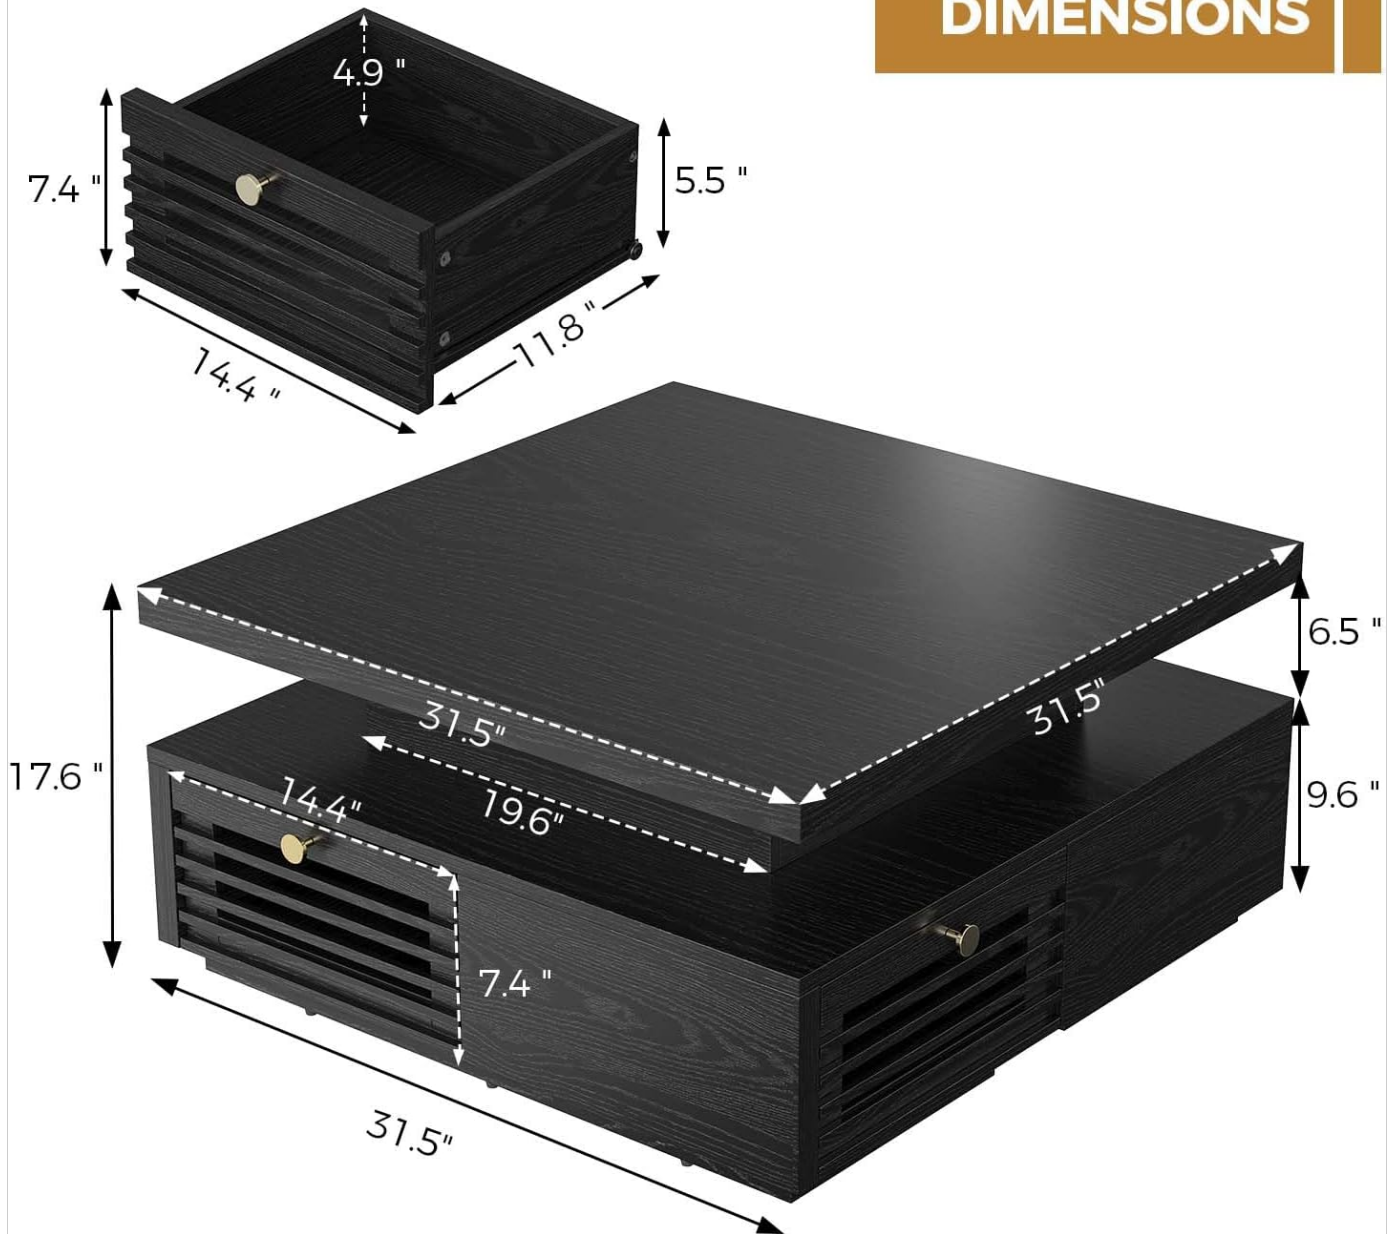

Figure 1: Diagram illustrating the overall product dimensions and individual drawer dimensions. Main tabletop: 31.5"L x 31.5"W. Overall height: 17.7".
Drawer dimensions: 14.4"W x 11.8"D x 4.9"H.

4. ASSEMBLY INSTRUCTIONS

The IRONCK Coffee Table is designed for straightforward assembly. A clear step-by-step instruction guide and all necessary tools are included in the package. For the best experience and to ensure stability, it is recommended that two individuals assemble this coffee table.

1. Unpack all components and verify against the parts list in the assembly guide.
2. Follow the detailed graphical and written instructions provided in the separate assembly guide.
3. Ensure all screws and fasteners are tightened securely, but do not overtighten to avoid damaging the material.
4. Connect the LED strip and charging station wiring as indicated in the assembly guide.

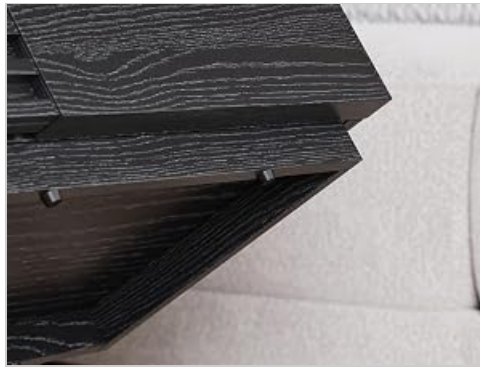

Figure 2: Detailed view of construction elements including anti-slip pads for floor protection, the 1.46-inch thick tabletop for durability, and metal drawer slides for smooth operation.

5. OPERATING INSTRUCTIONS

5.1. LED Light Operation

The integrated LED light strip offers customizable ambient lighting. To operate:

1. Ensure the LED strip is properly connected to the built-in charging station.
2. Use the included remote control to power on/off the lights.
3. Select from 7 vibrant colors.
4. Adjust the brightness level to your preference.
5. Switch between various lighting modes (e.g., flash, strobe, fade, smooth).

Multiple Colour Lighting Options

Figure 3: The coffee table displaying multiple color lighting options, controlled by the included remote. Examples include red, blue, green, and purple light settings.

5.2. Charging Station Usage

The built-in charging station provides convenient power access for your electronic devices.

- The charging station includes:
 - 2 AC outlets (120V/12A)
 - 1 USB port (5V/2A)
 - 1 Type-C port (5V/2A)
- Plug the table's power cord into a standard wall outlet.
- Connect your devices (phone, laptop, etc.) to the appropriate ports.
- Avoid overloading the charging station with high-power devices simultaneously.

5.3. Storage Drawers

The coffee table is equipped with four drawers for organized storage.

- Each drawer measures 14.4"W x 11.8"D x 4.9"H.
- Use the metal round knobs to open and close the drawers smoothly.
- The grille design on the drawers provides a distinct aesthetic.

6. MAINTENANCE

To maintain the appearance and longevity of your coffee table:

- **Cleaning:** The tabletop features a waterproof surface. Wipe spills immediately with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Dusting:** Regularly dust the table with a dry, soft cloth.
- **Inspection:** Periodically check all fasteners and tighten if necessary to ensure structural integrity.
- **Placement:** Avoid placing the table in direct sunlight or near heat sources to prevent material warping or fading.

Figure 7: Demonstrates the ease of cleaning the coffee table's waterproof surface by wiping away a spill with a cloth.

7. TROUBLESHOOTING

If you encounter any issues with your IRONCK Coffee Table, please refer to the following common solutions:

- **LED Lights Not Working:**
 - Ensure the LED strip is securely connected to the charging station.
 - Verify the table's main power cord is plugged into a functional wall outlet.
 - Check the remote control battery.
- **Charging Station Not Providing Power:**
 - Confirm the table's main power cord is plugged in.
 - Test the wall outlet with another device to ensure it is functional.
 - Avoid exceeding the maximum power output of the charging station.
- **Drawers Sticking or Not Sliding Smoothly:**

- Check for any obstructions in the drawer slides.
- Ensure the drawer slides were installed correctly during assembly.
- Verify that the table is placed on a level surface.
