Safety Information

- **Anti-Tilt Device:** This dresser is equipped with an anti-tilt mechanism. It is crucial to install this device to prevent tipping, especially in households with children and seniors.
- **Rounded Corners:** The curved design eliminates sharp edges, reducing the risk of bumps and injuries.
- **Weight Capacity:** The tabletop can hold a maximum of 130 lbs. Each drawer can hold up to 30 lbs. Do not exceed these weight limits.
- **Assembly:** Always assemble the dresser on a soft, clean surface (like the packaging carton) to prevent scratches and damage. Ensure all screws and fasteners are tightened securely.
- **Supervision:** Keep children away from the assembly area and do not allow them to climb on or play with the dresser.

11. **Attach Base to Dresser:** Secure the assembled base frame to the bottom of the dresser using screws (F) (Step 26).
12. **Install Foot Pads:** Attach foot pads (O) to the bottom of the dresser (Step 27).
13. **Install Anti-Tilt Brackets:** Attach anti-tilt plates (M, N) and brackets (I, L) to the back of the dresser using screws (F) (Step 28-30).
14. **Install Back Panels:** Secure the back panels (2, 3) to the dresser frame using cam locks (B) and screws (E) (Step 31).
15. **Install Corner Brackets:** Attach corner brackets (G) to the back of the dresser using screws (H) for added stability (Step 32).

16. **Assemble Drawers:** Assemble each of the 9 drawers by following the steps shown in the video (Steps 33-36). This involves attaching the P2 part of the drawer slides to the drawer sides.

17. **Insert Drawers:** Carefully insert all 9 assembled drawers into the dresser frame.

Usage and Operation

Your Standifurno dresser is designed for ease of use and efficient storage. The handleless 45-degree bevel cut design allows for comfortable opening with a simple touch, and the smooth slide rails ensure effortless operation.

- **Opening Drawers:** Gently pull the top edge of the drawer front to open.
- **Closing Drawers:** Push the drawer firmly until it is fully closed and flush with the dresser frame.
- **Storage:** Utilize the nine spacious drawers for organizing clothing, accessories, books, and other household items. Distribute weight evenly to maintain stability.

Unique Curved Design

Maintenance

Proper care will help maintain the appearance and longevity of your dresser.

- **Cleaning:** Wipe the surface with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Spills:** Promptly wipe up any spills to prevent staining or water damage.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration of the wood finish.
- **Humidity:** Maintain a stable humidity level in the room to prevent warping or cracking of the wood.

Troubleshooting

If you encounter any issues with your dresser, refer to the following common solutions:

- **Wobbly Dresser:** Ensure all cam bolts and screws are tightened. Check that the dresser is on a level surface. Adjust foot pads if necessary.
- **Drawers Not Sliding Smoothly:** Verify that the drawer slide rails are correctly installed and aligned. Check for any obstructions in the rails. Ensure the drawer is not overloaded.
- **Drawers Not Closing Completely:** Check for items obstructing the back of the drawer or the inside of the dresser. Ensure the drawer slides are fully engaged.
- **Missing Parts:** If any parts are missing during assembly, please contact Standifurno customer service for assistance.
