2. SAFETY INFORMATION

- Do not expose the device to extreme temperatures, direct sunlight, or high humidity.
- Avoid dropping or subjecting the device to severe impact.
- Use only approved chargers and accessories to prevent damage and ensure safety.
- Keep the device away from water and other liquids.
- Do not attempt to disassemble or repair the device yourself. Contact qualified service personnel.

3. PACKAGE CONTENTS

Verify that all items are present in the package:

- 1 x 12 inch Relndoo Android Tablet

- 1 x Keyboard
- 1 x Mouse
- 1 x Stylus pen
- 1 x Foldable Protective Case
- 1 x Screen protector
- 1 x Charging Head
- 1 x USB-C Charger Cable
- 1 x User Manual

Note: The tablet itself is blue in color. The color of the tablet case may vary.

4. PRODUCT FEATURES OVERVIEW

4.1. Display and Visual Experience

The Relindoo TAB9 features a 12-inch 2K display with a resolution of 1200x2000 pixels. It supports Widevine L1 certification, enabling high-definition content streaming from platforms like Netflix, YouTube, HBO, and Amazon Prime Video. The display also offers eye protection modes and supports split-screen functionality for multitasking.

Widevine L1 Support

1080P Viewing Experience on Netflix, HBO, Hulu, Disney+, and Amazon Prime Video.

12" HD+ Tab, 12" Portable PC

Crisp and Clear, All Alive

Eye-friendly Modes:

Reading Mode

Night Light

Dark Mode
(Enhanced/Moderate/Gentle)

Smooth Touch, Seamless Interaction

The TAB9 display utilizes advanced TDDI and Incell touchscreen technology for a smoother design and higher visual clarity. A touch sampling rate of up to 90Hz reduces latency and provides users with a seamless and smooth touch experience

4.3. Operating System and AI

The tablet runs on GMS-certified Android 15, offering a smooth and secure user experience with enhanced privacy and data management. It includes AI intelligent optimization and new features like sidebars, floating balls, gesture controls, and global dark mode. Integrated Gemini AI assists with content creation, information retrieval, image

analysis, and more.

5. INITIAL SETUP

5.1. Powering On and First Use

1. Press and hold the Power button located on the side of the tablet until the screen lights up.
2. Follow the on-screen prompts to select your language, connect to a Wi-Fi network, and set up your Google account.
3. Complete the initial setup wizard to access the Android home screen.

5.2. Connecting Bluetooth Accessories

Your ReIndoo TAB9 tablet comes with a Bluetooth keyboard and mouse. To connect them:

1. Ensure the keyboard and mouse are charged and powered on.
2. On your tablet, go to **Settings** > **Connected devices** > **Bluetooth**.

3. Toggle Bluetooth to 'On' if it is not already.
4. Select 'Pair new device' and choose the keyboard or mouse from the list of available devices.
5. Follow any on-screen pairing instructions.

Video: An overview of the Relindoo Android 15 Tablet with Keyboard, demonstrating the unboxing and initial setup process, including connecting the keyboard and mouse.

6. OPERATING INSTRUCTIONS

6.1. Basic Navigation

- **Touch Gestures:** Tap to select, swipe to scroll, pinch to zoom.
- **Home Screen:** Access apps, widgets, and notifications.
- **Notifications:** Swipe down from the top of the screen to view notifications and quick settings.

6.2. Taking Screenshots

The tablet supports a three-finger gesture for taking screenshots:

1. Go to **Settings > System > Gestures**.
2. Select 'Three pointer screenshot' and ensure the feature is enabled.
3. To take a screenshot, swipe down on the screen with three fingers.

Video: Demonstration of how to enable and use the three-finger screenshot gesture on the tablet.

6.3. Multitasking with Split Screen

The Android 15 operating system allows for efficient multitasking using split-screen mode and app pairing:

1. Open an application.
2. Access the recent apps view (usually by swiping up and holding, or tapping the square navigation button).
3. Tap the app icon at the top of the app's card and select 'Split screen'.
4. Choose a second application to use alongside the first.

Video: A short demonstration of the split-screen feature with app pairing, showing how to run two applications simultaneously on the tablet's display.

6.4. Using the Stylus, Keyboard, and Mouse

- **Stylus:** Use the included stylus for precise input, drawing, or navigating the interface.
- **Keyboard:** The Bluetooth keyboard allows for comfortable typing, converting your tablet into a laptop-like experience.
- **Mouse:** The wireless mouse provides traditional cursor control, enhancing productivity for tasks requiring precise interaction.

7. MAINTENANCE AND CARE

- **Cleaning:** Use a soft, lint-free cloth to clean the screen and body of the tablet. Avoid abrasive cleaners.
- **Battery Care:** To prolong battery life, avoid fully discharging the battery frequently. Charge the device regularly.
- **Software Updates:** Keep your operating system updated to ensure optimal performance and security.
- **Storage Management:** Regularly clear unnecessary files and apps to maintain sufficient storage space.

8. TROUBLESHOOTING

- **Device not turning on:** Ensure the battery is charged. Connect the charger and try again.
- **Screen unresponsive:** Restart the tablet by holding the Power button. If the issue persists, perform a factory reset (data will be lost).
- **Wi-Fi connectivity issues:** Check your router and ensure the tablet is within range. Try forgetting the network and reconnecting.
- **Bluetooth device not connecting:** Ensure the accessory is in pairing mode and fully charged. Restart both the tablet and the accessory.
- **Apps crashing or freezing:** Close the app and reopen it. Clear the app's cache or reinstall it. Ensure sufficient storage and RAM are available.
