Hapfan Inflatable Bounce House Instruction Manual

Model: AJ0302C-A08-HP

Brand: Hapfan

1. INTRODUCTION

This manual provides essential instructions for the safe and proper use, setup, operation, maintenance, and troubleshooting of your Hapfan 15ft x 12ft Inflatable Bounce House. This large outdoor bouncy castle features a wider slide and a basketball hoop, designed for children aged 3 to 12 years. Please read all instructions carefully before assembly and use.

2. SAFETY INFORMATION

Your safety and the safety of others are paramount. Adhere to all warnings and instructions to prevent injury.

- **Adult Supervision Required:** Always ensure constant and competent adult supervision when the bounce house is in use.
- **Age and Weight Limits:** This bounce house is suitable for children aged 3 to 12 years. It supports a maximum of 6 children or a total weight of 600 lbs. Do not exceed these limits.
- **Secure Installation:** Use the provided strong ground stakes to keep the bounce house stable during active play. Ensure it is anchored firmly to the ground.
- **Protective Features:** The bounce house features breathable mesh walls and extended cushioning to help prevent falls and enhance safety.
- **Material Durability:** Constructed with 840D Oxford fabric in high-wear areas and reinforced double stitching, meeting ASTM safety standards for durability and resistance to scratches and outdoor use.
- **Normal Air Leakage:** Slight air leakage from the seams and small pinholes in some spots are normal. This design allows air passage through the seams to maintain air pressure balance inside the bouncy castle. These small holes are from the manufacturing process and do not affect the product's quality or usage.
- **Blower Operation:** The blower must remain on continuously while the bounce house is in use to

maintain inflation.

- **Clear Area:** Ensure the play area around the bounce house is clear of obstacles, sharp objects, and other hazards.

3. WHAT'S IN THE BOX

The Hapfan Inflatable Bounce House package includes the following components:

- 1 x Inflatable Bounce House
- 1 x Air Blower (750W UL-certified)
- 1 x Inflatable Basketball
- 1 x Dart Game Targets (set)
- 4 x Repair Patches
- 6 x Bouncer Stakes
- 4 x Blower Stakes
- 1 x Storage Bag

Image: Package Contents - Visual representation of all included items.

4. SETUP INSTRUCTIONS

Follow these steps for quick and easy setup:

1. **Unpack and Spread:** Take the bounce house out of its storage bag and spread it out flat on a clean, level surface.
2. **Secure Short Air Outlet:** Locate the short air outlet tube and tie it off securely to prevent air escape.
3. **Connect Blower:** Connect the long air fill tube of the bounce house to the air blower. Ensure the connection is tight and the tube is straight, not twisted, for optimal inflation.
4. **Stake Blower:** Fix the blower to the ground using the provided blower stakes.
5. **Power On:** Plug in the blower and switch it on. The bounce house will inflate rapidly, typically within 60 seconds.
6. **Anchor Bounce House:** Once fully inflated, secure the bounce house to the ground using the 6 bouncer stakes through the designated loops.

5. OPERATING INSTRUCTIONS

Once the bounce house is fully inflated and secured, it is ready for use. Remember to keep the blower running continuously during play.

- **Bouncing Area:** The large 117" x 107" jumping area provides ample space for multiple children to bounce safely.
- **Slide:** Utilize the wide slide for racing fun. Ensure children slide feet first.
- **Basketball Hoop:** The integrated basketball hoop with secure hook-and-loop fasteners allows for basketball play. An inflatable basketball is included.
- **Dart Game:** Engage in dart games using the provided dart game targets.
- **Obstacle Play:** The internal structure includes elements for climbing and navigating, promoting active fun.

6. MAINTENANCE

Proper maintenance ensures the longevity and safety of your bounce house.

- **Cleaning:** Clean the bounce house regularly with a damp cloth and mild soap. Avoid harsh chemicals that could damage the fabric. Ensure it is completely dry before storage to prevent mold and mildew.
- **Storage:** To store, first turn off the blower and untie the two drawstrings on the air fill tube to allow air to escape. Once fully deflated, remove all ground stakes. Fold the bounce house half from one end, then fold it half again. Roll it up tightly from the end opposite to the air fill tube. Secure it with ties and place it back into the included carrying bag.
- **Repairs:** For small punctures or tears, use the provided repair patches. Clean the area around the damage, apply the patch firmly, and allow it to cure according to the patch instructions.

7. TROUBLESHOOTING

If you encounter any issues with your Hapfan Inflatable Bounce House, refer to the following common troubleshooting tips:

- **Bouncer Not Staying Inflated:**
 - a. Check if the blower is working correctly and if air is coming out. If the blower is not working, contact customer support for a replacement.
 - b. Ensure the short air outlet tube is securely tightened.
 - c. Verify that the long inlet air tube connected to the blower is straight and not twisted, as twists can restrict airflow and prevent proper inflation.
- **Air Leakage or Pinholes:** As mentioned in the Safety Information, slight air leakage from seams and small pinholes are normal and part of the design to maintain air pressure balance. These do not indicate a defect.
- **Rips or Tears:** For minor rips, use the provided repair patches. For larger damage, contact Hapfan customer support for assistance.

8. SPECIFICATIONS

Feature	Detail
Brand	Hapfan
Model Number	AJ0302C-A08-HP
Item Dimensions (L x W x H)	183.6"L x 144"W x 94.8"H (15.3' x 12' x 7.9')
Item Weight	62 Pounds
Material Type	Oxford fabric, PVC coating

Feature	Detail
Maximum Weight Recommendation	600 Pounds
Age Range Description	3 to 12 Years
Number of Players	6 Players
Included Components	Air Blower, Basketball, Dart Game Targets, Inflatable Bounce House, Storage Bag

9. WARRANTY AND SUPPORT

Hapfan is committed to providing quality products and customer satisfaction.

- **Returns:** This product is eligible for 30-day easy returns.
- **Customer Support:** For any questions, concerns, or issues not covered in this manual, please contact HapfanDirect customer support. They are available to assist you with product-related inquiries, replacements, or repair guidance.
