2. SAFETY INFORMATION

- Always follow assembly instructions carefully.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as needed.
- Do not exceed the maximum weight capacity of the bed frame.
- Be cautious while handling tools during assembly.
- Avoid placing heavy or frequently accessed items in the under-bed drawers to prevent damage to the drawer fronts.
- Keep electrical components (charging station, LED lights) away from liquids.
- Children should not play on or around the bed frame without adult supervision.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact Lifezone customer support.

5. OPERATING INSTRUCTIONS

5.1. Built-in Charging Station

The headboard features a built-in charging station with 2 standard AC outlets, 1 USB port, and 1 Type-C port. Simply plug the bed frame's main power cord into a wall outlet. You can then conveniently charge your electronic devices directly from the headboard.

This image shows a close-up of the charging station integrated into the headboard, featuring two AC outlets, a USB port, and a Type-C port, with devices plugged in.

5.2. Ambient LED Lighting

The headboard is equipped with integrated LED lights to create ambient lighting. The lights can be controlled via the included remote control or a mobile application (refer to the app instructions for pairing). Remember to remove the plastic piece from the remote control's battery compartment before first use.

- **Remote Control:** Use the remote to power on/off, change colors, adjust brightness, and select lighting modes (e.g., music sync, dynamic modes).
- **Mobile App:** Download the recommended app (details in the separate LED light manual) to access advanced controls, custom color settings, and scheduling features.

5.3. Storage Drawers

The bed frame includes two spacious under-bed storage drawers with magnetic closures. These drawers are on wheels for easy access. They are ideal for storing lightweight items such as seasonal clothing, bedding, or pillows.

- To open, gently pull the drawer front. The magnetic closure will release.
- To close, push the drawer back until the magnets engage, securing it in place.
- Avoid overloading drawers with heavy items to maintain smooth operation and prevent damage.

6. MAINTENANCE

- **Cleaning:** Wipe down metal and wood surfaces with a soft, damp cloth. Avoid harsh chemicals.
- **Fasteners:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary to prevent wobbling or noise.
- **LED Lights:** If LED lights malfunction, check the power connection and remote control battery.
- **Drawers:** Keep the drawer tracks clear of debris to ensure smooth operation.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed frame is wobbly/noisy	Loose fasteners	Check and tighten all screws and bolts.
LED lights not working	Power connection issue, remote battery dead	Ensure power cord is securely plugged in. Replace remote battery. Check LED strip connection.
Charging station not working	Power connection issue	Verify the bed frame's main power cord is plugged into a live outlet.
Drawers stick or don't close properly	Overloaded, debris in tracks, misaligned	Remove some items. Clean tracks. Re-align drawers.
