VASAGLE URMB424K01S

VASAGLE King Bed Frame with Storage Headboard Instruction Manual

Model: URMB424K01S

IMPORTANT SAFETY INFORMATION

- Do not overload this bed frame. The maximum static weight capacity is 1100 lb (500 kg).
- Exercise caution around sharp edges during assembly and use.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Keep small parts away from children during assembly.
- Assembly should be performed by at least two adults.

PRODUCT OVERVIEW

The VASAGLE King Bed Frame (Model URMB424K01S) is designed to provide a sturdy and functional sleeping solution with integrated storage, LED lighting, and a charging station. This farmhouse-style bed frame features a tall headboard and footboard, offering both aesthetic appeal and practical utility.

Official assembly video for the VASAGLE King Bed Frame. This video provides step-by-step visual guidance for the entire assembly process.

General Assembly Tips:

- Lay out all parts and hardware on a clean, soft surface to prevent scratches.
- Identify each component using the labels in the instruction manual.
- Do not overtighten screws during initial assembly; tighten fully once all parts are aligned.
- Keep the included Allen wrench and any other tools handy.

Key Assembly Steps (Summary):

1. **Assemble the Headboard:** Attach the headboard panels and shelves using the provided hardware. Ensure all connections are secure.

MAINTENANCE

To ensure the longevity and appearance of your VASAGLE bed frame, follow these maintenance guidelines:

- Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- Periodically check all fasteners and re-tighten them to maintain stability and prevent noise.
- Avoid exposing the bed frame to excessive moisture or direct sunlight for prolonged periods.
- Do not drag the bed frame when moving it; lift it to prevent damage to the frame and your flooring.

TROUBLESHOOTING

If you encounter any issues with your bed frame, please refer to the following common solutions:

- **Squeaking Noises:** Check all bolts and screws for tightness. Ensure the rubber sound isolators and EVA foam pads on the slats are correctly positioned.
- **LED Lights Not Working:** Verify that the power cord for the LED lights is securely connected to both the bed frame and a working power outlet. Check the remote control battery.
- **Charging Station Not Functioning:** Ensure the power strip is properly connected to a live power source. Test with different devices and cables.
- **Drawers Sticking:** Check for any obstructions in the drawer tracks. Ensure the drawers are assembled correctly and the wheels are functioning smoothly.

If the problem persists, please contact customer support for further assistance.
