BYSAUD Loft Bed with Desk

BYSAUD Full Size Loft Bed with Desk and LED Lights

Instruction Manual

INTRODUCTION

Thank you for choosing the BYSAUD Full Size Loft Bed with Desk and LED Lights. This manual provides detailed instructions for assembly, operation, maintenance, and safety to ensure a safe and enjoyable experience with your new furniture. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

IMPORTANT SAFETY INFORMATION

- Always assemble the bed according to the provided instructions.
- Do not expose the bed to liquids.
- Ensure that the weight limit of **400 pounds** is not exceeded.
- Keep the bed away from heat sources to prevent fire hazards.
- Do not allow children to play on the bed unsupervised to prevent injury.
- Use the provided anti-tilt nails to secure the bed to the wall for enhanced stability and safety.
- Ensure the mattress thickness allows for adequate guardrail height (recommended 4-6 inch mattress).

SETUP AND ASSEMBLY

Assembly of the BYSAUD Full Size Loft Bed requires careful attention to detail. All parts are labeled for easy identification. It is recommended to have at least two adults for assembly.

General Assembly Tips:

- Unpack all components and verify against the parts list in the included manual.
- Organize hardware by type and size to streamline the process.
- Do not fully tighten screws until all components are loosely assembled to allow for adjustments.
- Use a power drill with appropriate Allen key bits for faster and more efficient assembly, but be careful not to overtighten.

MAINTENANCE

Product Care Instructions:

To maintain the quality and appearance of your BYSAUD Loft Bed, wipe surfaces with a dry cloth regularly. Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish. Periodically check all screws and connections to ensure they remain tight and secure.

TROUBLESHOOTING

Common Issues and Solutions:

- **Wobbling or Instability:** Ensure all bolts are securely tightened. Verify that the anti-tilt nails are properly installed and anchored to a wall stud.
- **Difficulty with Assembly:** Double-check the instruction manual for correct part orientation and sequence. Ensure all hardware is correctly identified and used in the designated steps.

- **LED Lights Not Working:** Check power connections and ensure the remote or app is properly paired. Refer to the LED light manual for specific troubleshooting steps.
- **Charging Station Not Functioning:** Confirm the power cord is securely plugged into a working outlet. Test with different devices to rule out device-specific issues.
