OPERATING & USAGE GUIDELINES

Each day, from December 1st to 24th, open the corresponding numbered compartment to reveal a new surprise. For optimal experience and safety, please observe the following:

- **Individual Instructions:** Many items within the calendar will have their own specific instructions for use, charging, and care. Always refer to these individual instructions before using any item.
- **Hygiene:** Clean all items thoroughly before and after each use with a toy cleaner or mild soap and warm water. Ensure items are completely dry before storage.
- **Lubrication:** For items designed for insertion, always use a water-based lubricant to ensure comfort and prevent damage to the product or body.
- **Material Compatibility:** Be aware of material compatibility when using lubricants or other products. Silicone-based lubricants can damage silicone toys.
- **Charging:** For rechargeable items, use the provided universal charger or a compatible USB charger. Do not overcharge. Refer to individual item instructions for charging times.

MAINTENANCE & CARE

- **Cleaning:** Always clean items before and after each use. Use warm water and a mild, toy-safe soap or specialized toy cleaner. Rinse thoroughly and allow to air dry completely before storing.
- **Storage:** Store all items in a clean, dry place, away from direct sunlight and extreme temperatures. Keep them separate from other materials that might cause damage or discoloration.
- **Battery Care:** For rechargeable items, charge them regularly, even if not used frequently, to maintain battery health. Avoid fully depleting the battery for extended periods.

TROUBLESHOOTING

- **Device Not Turning On:** Ensure the device is fully charged. If rechargeable, connect it to the charger and allow sufficient time to charge. Check the power button for proper engagement.
- **Weak Vibrations:** This may indicate a low battery. Recharge the device. If the issue persists after charging, contact customer support.

- **Charging Issues:** Ensure the charging cable is securely connected to both the device and the power source. Try a different USB port or power adapter.
- **Material Discoloration/Damage:** Ensure you are using compatible lubricants and cleaning agents. Avoid harsh chemicals or abrasive materials.
