CECER Queen Murphy Bed with Mattress Instruction Manual

Model: Queen Murphy Bed with Storage and Charging Station

Brand: CECER

1. INTRODUCTION

Thank you for choosing the CECER Queen Murphy Bed. This instruction manual provides essential information for the safe assembly, operation, and maintenance of your new Murphy bed. Please read this manual thoroughly before beginning assembly or use to ensure proper function and longevity of the product.

2. SAFETY INFORMATION

Your safety is paramount. Please adhere to the following safety guidelines:

- **Maximum Weight Capacity:** Do not load the bed with more than 800 pounds (362 kg). Exceeding this limit can cause structural damage and injury.
- **Sharp Edges:** Exercise caution around sharp edges during assembly and operation to prevent cuts or injuries.
- **Assembly:** This product requires assembly. It is recommended that two adults assemble the unit. Ensure all parts are correctly installed and fasteners are tightened securely before use.
- **Wall Mounting:** For stability and safety, the Murphy bed cabinet must be securely anchored to a wall. Use appropriate hardware for your wall type (not always included). Failure to anchor the unit can result in tipping and serious injury.
- **Children and Pets:** Keep children and pets away from the unit during assembly and when operating the folding mechanism.
- **Mattress:** Use only the provided mattress or a compatible queen-size mattress that fits within the bed frame's dimensions and weight limits.
- **Electrical Safety:** The built-in charging station should only be used with devices that meet its power specifications. Do not overload the outlets. Keep liquids away from the charging station.

3. PACKAGE CONTENTS

The CECER Queen Murphy Bed is shipped in four separate packages. Please ensure all packages have arrived before beginning assembly. Carefully unpack all components and verify against the parts list provided in your assembly guide. Contact customer service immediately if any accessories or parts are missing or damaged.

Included Components:

- Murphy Bed Frame components
- Queen Size Mattress
- Storage Drawer
- Built-in Multi-Port Charging Station (2 USB ports, 2 AC outlets)
- All necessary hardware for assembly
- Assembly Instructions Guide

4. SETUP AND ASSEMBLY

Assembly typically requires two people and can take several hours. Follow the detailed step-by-step instructions provided in the included assembly guide. Ensure you have adequate space and the necessary tools (e.g., screwdriver, drill) before starting.

Key Assembly Steps:

1. **Unpack and Organize:** Lay out all parts and hardware. Verify against the parts list.
2. **Assemble Cabinet Frame:** Construct the main cabinet structure according to the diagrams.
3. **Install Bed Mechanism:** Carefully install the folding bed mechanism into the cabinet.
4. **Attach Charging Station:** Integrate the charging station into the designated slot on the bed frame's right side.
5. **Assemble Storage Drawer:** Construct and install the full-width storage drawer.
6. **Insert Mattress:** Place the queen-size mattress into the bed frame.
7. **Secure to Wall:** This is a critical step. Securely anchor the assembled Murphy bed cabinet to a sturdy wall using appropriate wall anchors and screws. Consult a professional if unsure about wall types or anchoring methods.

Note: The assembly guide includes detailed diagrams and step-by-step instructions. Refer to it for specific part identification and

fastening procedures.

5. OPERATING INSTRUCTIONS

Folding and Unfolding the Bed:

1. **To Unfold:** Ensure the area in front of the cabinet is clear. Gently pull the bed frame outwards and downwards. The mechanism is designed for smooth operation. Continue lowering until the bed is fully extended and resting on its support legs.
2. **To Fold:** Remove all bedding and pillows from the bed. Lift the bed frame upwards, guiding it back into the cabinet. Ensure the mattress folds correctly within the frame. Push firmly until the cabinet doors close and latch securely.

Using the Storage Drawer:

The spacious full-width drawer located at the bottom of the unit can be accessed whether the bed is folded into a cabinet or unfolded. It is suitable for storing seasonal clothes, sheets, blankets, and pillows.

6. MAINTENANCE

Regular maintenance will help prolong the life of your Murphy bed:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary.
- **Mechanism Lubrication:** If the folding mechanism becomes stiff, apply a small amount of silicone-based lubricant to moving parts.
- **Mattress Care:** Follow the care instructions provided with your mattress. Rotate or flip the mattress regularly if recommended.

7. TROUBLESHOOTING

If you encounter issues with your Murphy bed, refer to the following common solutions:

Problem	Possible Cause	Solution
Bed is difficult to fold/unfold	Mechanism stiff; obstruction; uneven assembly	Check for obstructions. Lubricate moving parts with silicone spray. Verify all assembly steps were followed correctly and fasteners are tight.
Bed wobbles or feels unstable	Loose fasteners; not properly anchored to wall	Retighten all screws and bolts. Ensure the unit is securely anchored to a wall.
Charging station not working	Not plugged in; faulty device; power outage	Ensure the bed's power cord is securely plugged into a working wall outlet. Test with a different device. Check household circuit breaker.
Drawer does not slide smoothly	Obstruction; misaligned rails; loose hardware	Clear any items obstructing the drawer. Check drawer rails for proper alignment and ensure all hardware is tight.

If these solutions do not resolve the issue, please contact CECER customer service for further assistance.
