Lehoo Castle WTT-001-NEW

Lehoo Castle Wooden Dinosaur Train Set Instruction Manual

Model: WTT-001-NEW

INTRODUCTION

Thank you for choosing the Lehoo Castle Wooden Dinosaur Train Set. This manual provides essential information for the safe assembly, operation, and maintenance of your new toy. Please read these instructions carefully before use and retain them for future reference. This set is designed to provide an engaging and educational play experience for children aged 36 months to 12 years.

SAFETY INFORMATION

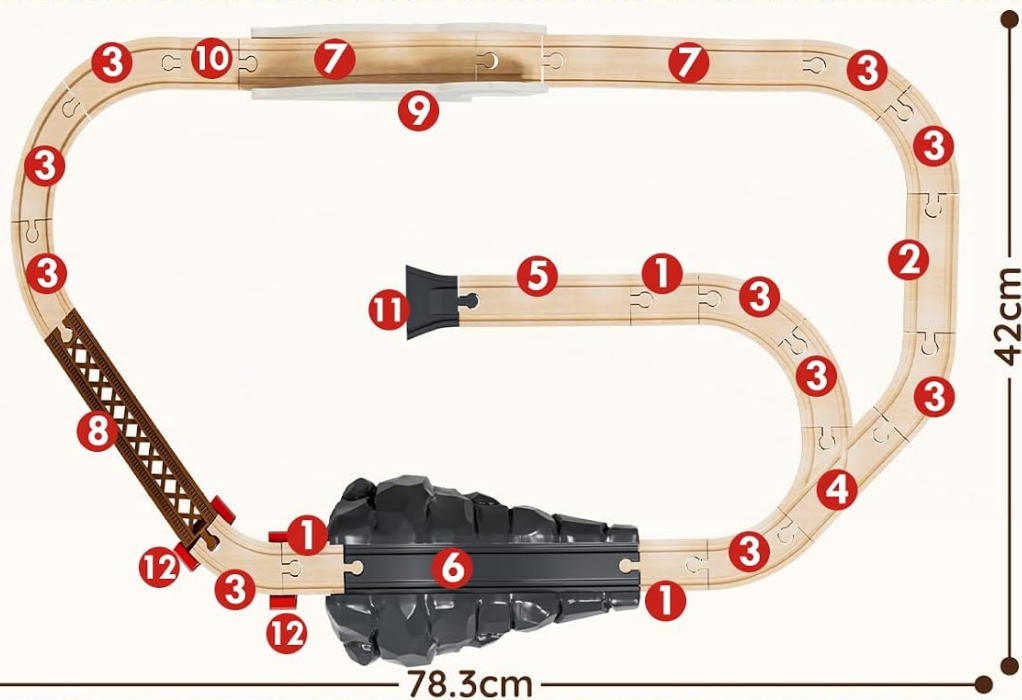

- This product is made from FSC-certified wood and non-toxic materials.
- Ensure all components are securely connected during play to prevent detachment.
- Regularly inspect the toy for any damage or loose parts. Discontinue use if damage is found.
- Small parts may be present. Adult supervision is recommended, especially for younger children.
- Keep packaging materials away from children to avoid suffocation hazards.

PACKAGE CONTENTS

The Lehoo Castle Wooden Dinosaur Train Set includes the following components:

- 1 x Dinosaur Train Engine
- 5 x Train Cars
- Assorted Wooden Tracks (various shapes and lengths)
- 1 x Mountain Tunnel
- 1 x Bridge Track
- 1 x Switch Track
- 1 x Dinosaur Bridge Decoration
- 2 x Bridge Ramps
- 1 x Bridge Support

- ## Simple Parts, Easy Build

SETUP AND ASSEMBLY

Assembly of the Lehou Castle Wooden Dinosaur Train Set is designed to be straightforward and can typically be completed in approximately 5 minutes. Follow these steps to set up your train set:

1. **Unpack Components:** Carefully remove all items from the packaging. Verify that all components listed in the 'Package Contents' section are present.
2. **Lay Out Tracks:** Begin by connecting the wooden track pieces. The pieces are designed to interlock easily. Refer to the diagram in Figure 1 for a suggested layout, or create your own unique track design.
3. **Install Structures:** Place the volcano tunnel, mountain tunnel, and bridge components onto the track layout. Ensure the bridge is stable with its supports and ramps.
4. **Add Scenery:** Position the scene mat, dinosaur figures, palm tree, road signs, and other scenery accessories around the track to create a prehistoric environment.
5. **Place Trains:** Position the dinosaur train engine and train cars onto the tracks. The train cars connect via magnets.

OPERATING INSTRUCTIONS

Once assembled, the Lehoo Castle Wooden Dinosaur Train Set offers various interactive play opportunities:

- **Magnetic Train Operation:** The train engine and cars feature magnetic connectors. Simply bring the ends of the cars together, and the magnets will securely attach them, forming a train. Push the train along the tracks to navigate the prehistoric landscape.

Shockproof Magnetic Train Set

Boost Your Playtime Fun

Figure 3: Magnetic connections between train cars.

- **Dinosaur Crane Interaction:** The set includes a dinosaur crane (Brachiosaurus) that can interact with cargo. Use the crane to lift and move small items or cargo pieces between train cars or around the play area.

- **Volcano Tunnel and Scenery:** Guide the train through the volcano tunnel and mountain tunnel. Arrange the various dinosaur figures (Tyrannosaurus Rex, Brontosaurus, Brachiosaurus) and scenery elements to create dynamic play scenarios.
- **Track Compatibility:** This wooden train set is compatible with major wooden track brands, allowing for expansion and integration with existing train sets.

Fits All Major Brands

Switch Between Multiple Play Modes

MAINTENANCE

- **Cleaning:** Wipe the wooden components with a clean, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the wood finish and paint. Do not immerse in water.
- **Storage:** Store the train set in a dry place away from direct sunlight and extreme temperatures to prevent warping or fading of the wood.
- **Inspection:** Periodically check all parts for wear and tear, especially the magnetic connectors and track joints. Ensure all pieces are smooth and free from splinters.

TROUBLESHOOTING

- **Tracks Not Connecting:** Ensure track pieces are aligned correctly and pushed firmly together. Some pieces may require a specific orientation to fit properly.

- **Train Derailment:** Check that all track pieces are flat on the playing surface and securely connected. Ensure the train cars are properly seated on the tracks.
- **Weak Magnetic Connection:** Verify that the magnetic ends of the train cars are clean and free from debris. If magnets appear weak, ensure they are facing the correct polarity for connection.
- **Missing Parts:** If any parts are missing upon unboxing, please contact Lehoo Castle customer support.

SPECIFICATIONS

Model Number	WTT-001-NEW
Brand	Lehoo Castle
Material	FSC-Certified Wood
Product Dimensions (L x W x H)	32 x 24 x 8.5 cm (12.6" x 9.45" x 3.35")
