## Maintenance

The wood countertop is water-resistant and stain-resistant. To clean, simply wipe with a damp cloth. Avoid using harsh chemicals or abrasive cleaners that could damage the finish. Regularly check all screws and connections to ensure they remain tight.

## Troubleshooting

- **LED Lights Not Working:** Ensure the power adapter is securely connected to both the LED strip and a working power outlet. Check the remote control battery.
- **Stand Wobbles:** Verify that all screws and fasteners are tightened correctly. Ensure the stand is placed on a flat, level surface.
- **Doors Not Closing Properly:** Adjust the hinges on the cabinet doors as needed. Ensure no items inside

the cabinet are obstructing the door's closure.
