Mirightone Kids Full Size Bed Frame with Detachable Rails Instruction Manual

Model: 53

1. SAFETY INFORMATION

CAUTION: This bed frame is designed for children and has a low height. Always use the guardrails to prevent falls. Do not load more than 300 pounds onto the bed frame. Exercise caution around sharp edges during assembly and use.

2. PRODUCT OVERVIEW

The Mirightone Kids Full Size Bed Frame is a low-profile platform bed designed for children, featuring a headboard, footboard, and detachable guardrails. It is constructed from solid pine wood and MDF, providing a sturdy and safe sleeping environment. This bed frame does not require a box spring.

Key Features:

- **Detachable Guardrails:** Provides safety and can be removed as the child grows.
- **Low Platform Design:** Ensures easy entry and exit for children, promoting independence.
- **Sturdy Construction:** Made from solid pine wood and MDF for durability.
- **Mid-Century Style:** Features an elegant curved headboard and footboard.
- **No Box Spring Needed:** Slats provide mattress support directly.

3. DIMENSIONS

The full-size bed frame has the following dimensions:

- **Overall Dimensions (L x W x H):** 78.7 inches x 57.2 inches x 36 inches
- **Recommended Mattress Thickness:** 6 to 8 inches
- **Maximum Weight Recommendation:** 300 pounds

4. SETUP AND ASSEMBLY

The Mirightone Kids Full Size Bed Frame comes in one box with all necessary components and an instruction manual. Follow the included instructions carefully for proper assembly.

Assembly Steps (General Guidance):

1. **Unpack Components:** Carefully remove all parts from the packaging and verify against the parts list in the included manual.
2. **Assemble Headboard and Footboard:** Attach the legs and any decorative elements to the headboard and footboard as per the manual.
3. **Connect Side Rails:** Securely attach the side rails to the headboard and footboard.
4. **Install Slats:** Place and secure the wooden slats across the bed frame to support the mattress. Ensure all slats are evenly spaced and firmly attached.

5. **Attach Guardrails:** If desired, attach the detachable guardrails to the side rails. These can be installed on one or both sides.
6. **Final Check:** Ensure all screws and fasteners are tightened, and the bed frame is stable before use.

5. OPERATING INSTRUCTIONS

This bed frame is designed for children transitioning from a crib to a larger bed. Its low profile and optional guardrails provide a secure and accessible sleeping solution.

Using Detachable Guardrails:

- The guardrails can be installed on one or both sides of the bed to prevent accidental falls, especially for younger children.
- To remove a guardrail, locate the attachment points and unscrew the fasteners as instructed in the assembly manual. Store removed parts safely.
- Re-attach guardrails by aligning them with the designated holes and securing them with the provided hardware. Ensure they are firmly attached before use.

6. MAINTENANCE

Regular maintenance will help prolong the life and appearance of your Mirightone bed frame.

- **Cleaning:** Wipe the bed frame with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Tighten Fasteners:** Periodically check all screws and bolts and tighten them as needed to ensure the bed remains stable and secure.
- **Avoid Excessive Moisture:** Protect the wood from prolonged exposure to moisture, which can cause warping or damage.
- **Weight Limit:** Adhere to the maximum weight recommendation of 300 pounds to prevent structural damage.

7. TROUBLESHOOTING

If you encounter any issues with your bed frame, refer to the following common solutions:

Problem	Possible Cause	Solution
Bed frame is wobbly or unstable.	Loose fasteners.	Check and tighten all screws, bolts, and connections.
Squeaking noises.	Loose connections or friction between parts.	Tighten all hardware. Apply a small amount of lubricant (e.g., paraffin wax) to contact points between wood parts if necessary.
Guardrails feel loose.	Improper installation or loose screws.	Ensure guardrails are correctly aligned and all attachment screws are fully tightened.

Problem	Possible Cause	Solution
Missing parts during assembly.	Packaging error.	Contact Mirightone customer support with your purchase details and the specific missing parts.

8. SPECIFICATIONS

Feature	Detail
