

HIFIT UP-157VN

HIFIT Queen LED Bed Frame with Charging Station and Storage Drawers

Model: UP-157VN | Brand: HIFIT

INTRODUCTION

Thank you for choosing the HIFIT Queen LED Bed Frame. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure optimal use and longevity of your product. Please read this manual thoroughly before beginning assembly or use.

SAFETY INFORMATION

WARNING:

- Do not exceed the maximum weight capacity of 750 lbs (900 lbs as per some specifications). Overloading can lead to structural failure and injury.
- Exercise caution around the crystal buttons on the headboard and footboard to prevent injury.
- Follow all assembly instructions precisely. Improper assembly may result in instability or collapse of the bed frame.
- Keep small parts and packaging materials away from children to prevent choking hazards.

PACKAGE CONTENTS

Before assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Queen Platform Bed Frame with LED Headboard
- Four Storage Drawers
- Solid Wood Slats
- Assembly Kits (Hardware)
- Installation Manual (this document)
- Remote Control for LED Lights

SETUP AND ASSEMBLY

Assembly is estimated to take approximately 35 minutes. No additional tools are required beyond those provided in the assembly kit.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Identify each component using the parts list.
2. **Assemble the Frame:** Follow the step-by-step diagrams in the included assembly guide to connect the main frame components. Ensure all bolts and screws are tightened securely.
3. **Install Slats:** Place the solid wood slats onto the frame. The design includes stable snap locks for quick installation and noise-free strips to ensure a quiet sleep environment.
4. **Attach Headboard and Footboard:** Secure the velvet crystal button-tufted wingback headboard and footboard to the main frame.
5. **Assemble Storage Drawers:** Construct the four spacious steel storage drawers. Each drawer features high-quality quiet wheels for smooth operation and fixture holes to prevent accidental sliding under the bed.
6. **Connect LED and Charging Station:** Integrate the LED light strips and USB charging station according to the instructions. Ensure the 6.5-foot power cord is accessible for connection to a power outlet.

OPERATING INSTRUCTIONS

LED Lighting System

The bed frame features multi-function RGB LED lights in the headboard and footboard, controllable via remote or a dedicated app.

- **Power On/Off:** Use the designated button on the remote control or within the app to turn the LED lights on or off.
- **Color Selection:** Choose from over 16 million colors and 20+ effects to customize your room's ambiance.
- **Mode Selection:** Select various lighting modes, including static colors, dynamic effects, and music sync mode, where lights respond to audio.
- **Brightness/Speed Adjustment:** Adjust the brightness of the lights or the speed of dynamic effects using the remote or app controls.
- **Timer Function:** Set a timer for the lights to automatically turn off.

Crystal Upholstered & Wingback Headboard

Bring a chic feel to your bedroom

Figure 4: The LED lighting system can be controlled via the included remote or a smartphone application, offering extensive customization options.

USB Charging Station

The headboard is equipped with a built-in charging station, featuring two USB ports (5V/2A) for convenient device charging.

- **Connecting Devices:** Plug your USB-compatible devices into the available ports on the headboard.
- **Power Source:** Ensure the bed frame's power cord is connected to a functional wall outlet for the charging station to operate.

Figure 5: The headboard features integrated USB charging ports and a convenient shelf for placing devices or small items.

Storage Drawers

The bed frame includes four large storage drawers, providing ample space for organizing various items.

- **Accessing Drawers:** Gently pull the drawers outward using the designated handles. The smooth wheels ensure easy movement.
- **Securing Drawers:** Push the drawers fully inward until they engage with the fixture holes to prevent them from sliding out unintentionally.

MAINTENANCE

Cleaning

- **Upholstery:** Wipe the velvet upholstery with a dry cloth to remove dust and light debris. For spills, blot immediately with a clean, damp cloth and allow to air dry. Avoid harsh chemicals.
- **LED Strips:** Gently wipe LED strips with a dry, soft cloth. Do not use liquid cleaners directly on the lights.
- **Frame:** Clean the metal frame with a damp cloth and mild detergent if necessary. Dry thoroughly.

General Care

- Regularly check all bolts and screws to ensure they remain tight. Re-tighten as needed to maintain stability.
- Avoid placing heavy or sharp objects on the headboard shelf to prevent damage.
- Ensure the power cord for the LED lights and charging station is not pinched or damaged.

TROUBLESHOOTING

Problem	Possible Cause	Solution
LED lights not working	Power cord disconnected, remote battery low, LED strip damage.	Check power connection. Replace remote battery. Contact customer support if LED strip is damaged.
USB charging not working	Power cord disconnected, device cable faulty, device incompatible.	Ensure bed frame is powered. Try a different USB cable or device.
Drawers not sliding smoothly	Obstruction, dirty wheels, misaligned.	Check for obstructions. Clean drawer wheels. Re-align drawers if necessary.
Bed frame feels unstable or squeaks	Loose connections, uneven floor.	Re-tighten all assembly bolts. Ensure bed is on a level surface.
