WLIVE 9-Drawer Dresser and 2-Drawer Nightstand User Manual

Model: B0FRFDXMVM

INTRODUCTION

Thank you for choosing the WLIVE 9-Drawer Dresser and/or 2-Drawer Nightstand. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

These storage units are designed to help organize your living space, offering versatile storage solutions for bedrooms, hallways, entryways, and closets. They feature a sturdy steel frame, a durable wood top, and spacious fabric drawers.

SAFETY INFORMATION

- **Anti-Tipping Device:** Always install the included anti-tipping accessories to secure the dresser to a wall. This prevents accidental tipping and potential injury, especially in households with children or pets.
- **Weight Capacity:** Do not overload drawers or the top surface. Refer to the specifications section for maximum weight limits.
- **Stable Placement:** Place the unit on a flat, level, and stable surface. Adjust the leveling feet if necessary to ensure stability.
- **Assembly:** Assemble the unit according to the instructions. Ensure all screws and fasteners are securely tightened before use.
- **Children Safety:** Keep small parts and packaging materials away from children during assembly. Do not allow children to climb on or play with the furniture.

PACKAGE CONTENTS

Before assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Steel Frame Components
- Wood Top Panel(s)
- Fabric Drawers (9 for dresser, 2 for nightstand)
- Drawer Handles
- Adjustable Leveling Feet
- Anti-Tipping Kit (Wall anchor, screws, strap)
- Assembly Hardware (Screws, Allen wrench, etc.)
- Instruction Manual

SETUP AND ASSEMBLY INSTRUCTIONS

Assembly typically requires two adults. Please follow the steps carefully. A Phillips head screwdriver may be required (not included).

General Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble the Steel Frame:** Connect the vertical and horizontal steel bars using the provided screws and Allen wrench. Ensure all connections are secure but do not overtighten until the frame is fully assembled.
3. **Attach the Wood Top:** Place the wood top panel onto the assembled steel frame and secure it with the designated screws.
4. **Install Leveling Feet:** Screw the adjustable plastic feet into the bottom of the steel frame. These can be adjusted later to stabilize the unit on uneven floors.
5. **Prepare Fabric Drawers:** Unfold each fabric drawer and insert the bottom panel to create a rigid structure. Attach the handles to the front of each drawer.
6. **Insert Drawers:** Slide the assembled fabric drawers into their respective compartments within the steel frame.
7. **Install Anti-Tipping Device:** Secure the anti-tipping strap to the back of the unit and to a wall stud using the provided hardware. This step is critical for safety.

OPERATING INSTRUCTIONS

- **Drawer Usage:** Gently pull and push the fabric drawers to open and close. Avoid forcing them to prevent damage to the fabric or frame.
- **Storage:** Utilize the spacious drawers for organizing clothing, linens, toys, or other household items. The wooden top surface can hold lamps, books, decorative items, or other daily essentials.
- **Weight Distribution:** Distribute weight evenly within the drawers and on the top surface to maintain stability and prevent warping.

MAINTENANCE

- **Cleaning:** Wipe the steel frame and wood top with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. For fabric drawers, spot clean with a mild detergent and allow to air dry.
- **Dusting:** Regularly dust all surfaces to prevent buildup.
- **Inspection:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- **Avoid Moisture:** Keep the unit away from excessive moisture or direct sunlight to prevent damage to the wood top and fabric.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Unit is wobbly or unstable.	Uneven floor; loose screws; leveling feet not adjusted.	Adjust the leveling feet at the bottom of the frame. Ensure all assembly screws are tightened. Place on a flat surface.
Drawers do not slide smoothly.	Drawer not fully unfolded; bottom panel not inserted correctly; drawer overloaded.	Ensure the fabric drawer is fully unfolded and the bottom panel is firmly in place. Reduce the weight in the drawer.
Anti-tipping device not secure.	Improper installation; wall material not suitable.	Re-read anti-tipping installation instructions. Ensure it's anchored into a wall stud or appropriate wall anchor is used for your wall type.
