Safety Information

- Always follow local electrical codes and safety standards when installing and operating the electric fireplace.
- Do not overload the TV stand. The maximum weight capacity is 420 lbs.
- Ensure the TV stand is placed on a level, stable surface to prevent tipping.
- Keep flammable materials at least 3 feet (0.9 meters) away from the front of the electric fireplace.
- Do not block the air vents of the electric fireplace.
- Unplug the fireplace from the power outlet before performing any maintenance or cleaning.
- This product is intended for indoor use only.

Package Contents

Your Bonnlo Fireplace TV Stand will be delivered in two separate packages. These packages may arrive at different times. Please ensure you have received both packages and all components before beginning assembly. Refer to the included parts list in your physical instruction manual to verify all items are present.

Setup and Assembly

Assembly of the Bonnlo Fireplace TV Stand requires following the step-by-step instructions provided in the physical manual included with your product. All necessary hardware is included. It is recommended to have two people for assembly.

Key Assembly Tips:

- Identify all parts and hardware before starting.
- Use a soft, clean surface for assembly to prevent scratching the furniture.
- Do not overtighten screws during initial assembly; tighten fully once the section is complete.
- The electric fireplace insert is installed into the central opening of the TV stand structure.

Operating Instructions (Electric Fireplace)

The electric fireplace features realistic flame effects and a heating function. It can be operated using the control panel on the unit or the included remote control.

Features:

- **Flame Colors:** Choose from 7 flame color options to match your ambiance.
- **Temperature Control:** Adjustable temperature settings from 62°F to 82°F.
- **Timer Function:** Set the fireplace to operate for 0.5 to 6 hours.
- **Heat On/Off:** The flame effect can be used independently without the heating function.
- **Overheating Protection:** Built-in safety feature to prevent overheating.

Remote Control:

The remote control allows convenient adjustment of flame colors, temperature, and timer settings from a distance. Ensure batteries are correctly installed.

Storage and Features

The Bonnlo Fireplace TV Stand is designed with ample storage to accommodate various media devices, decor, books, and accessories. The side compartments feature adjustable shelves for flexible organization.

Adjustable Shelves:

The shelves in the side cabinets can be adjusted to different heights to suit your storage needs. This allows for customization to fit taller items or to create multiple smaller compartments.

Maintenance

- **Cleaning the Stand:** Wipe the surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Cleaning the Fireplace:** Ensure the fireplace is unplugged and cool before cleaning. Use a soft, dry cloth to clean the exterior. Do not spray liquids directly onto the unit.
- **Dusting:** Regularly dust the unit to prevent buildup, especially around the fireplace vents.
- **Inspecting Connections:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

Troubleshooting

Problem	Possible Cause	Solution
Fireplace does not turn on.	No power, power switch off, remote batteries dead.	Check power cord connection, ensure wall outlet is functional, turn on main power switch, replace remote batteries.
No heat output.	Heat function off, temperature set too low, air vents blocked.	Activate heat function, increase temperature setting, ensure air vents are clear.
Flame effect not working.	Flame effect off, internal issue.	Activate flame effect. If issue persists, contact customer support.
Stand feels unstable.	Loose connections, uneven surface.	Check and tighten all assembly screws. Ensure the stand is on a flat, level floor.
