Innovative Designs Disney Winnie The Pooh Crochet Kit Instruction Manual

Model: 710347WPH

INTRODUCTION

This instruction manual provides guidance for assembling the Innovative Designs Disney Winnie The Pooh Crochet Kit. This kit is designed for beginners and includes all necessary materials and a step-by-step guide to create crocheted figures of Winnie the Pooh and Piglet. Please read all instructions carefully before beginning your project.

WHAT'S INCLUDED

Your kit contains the following components:

- 6 colors of yarn (120.84 yds / 110.5 m total)
- Black thread (2.9 yds / 2.7 m)
- Felt sticker
- 4 adhesive gems
- Crochet hook
- Plastic needle
- Stuffing (0.9 oz / 15 g)
- Printed Instruction Guide

SETUP

1. **Unpack Components:** Carefully remove all items from the kit packaging. Verify that all listed components are present.
2. **Familiarize Yourself:** Take a moment to identify the different yarn colors, the crochet hook, plastic needle, and other accessories.
3. **Review Instructions:** Read through the entire printed instruction guide provided in the kit. This will give you an overview of the steps and techniques involved.

OPERATING INSTRUCTIONS

The primary operating instructions for creating your Winnie the Pooh and Piglet figures are detailed in the included step-by-step instruction manual. This section provides a general overview and important tips.

1. Understanding Crochet Basics

The instruction guide will introduce you to fundamental crochet stitches. Common abbreviations you will encounter include:

- **SC:** Single Crochet
- **SLST:** Slip Stitch
- **INC:** Increase (adding stitches)
- **DEC:** Decrease (reducing stitches)

Practice these stitches with a spare piece of yarn until you feel comfortable before starting the main project.

2. Following the Pattern

The instruction guide provides specific patterns for both Winnie the Pooh and Piglet, broken down into rounds and rows for each body part (head, body, arms, legs, ears, etc.).

- **Read Each Round:** Carefully read each instruction before executing the stitches.
- **Count Stitches:** Regularly count your stitches at the end of each round to ensure accuracy and prevent errors.
- **Stuffing:** Stuff the body parts firmly as you crochet, or before closing, as indicated in the pattern.

3. Assembly

Once all individual parts are crocheted, the guide will instruct you on how to assemble them using the plastic needle and black thread. This includes:

- Attaching limbs to the body.
- Sewing on ears and other small details.
- Applying felt stickers and adhesive gems for facial features and clothing details.

MAINTENANCE

- **Cleaning Finished Figures:** If your crocheted figures become dirty, gently hand wash them with mild soap and cool water. Avoid harsh detergents or machine washing, which can damage the yarn and shape. Air dry thoroughly.
- **Storing Unused Materials:** Keep any remaining yarn, thread, and accessories in a dry, cool place away from direct sunlight to prevent fading or damage. The original kit box can be used for storage.

TROUBLESHOOTING

- **Yarn Splitting:** If the yarn frequently splits while crocheting, try adjusting your tension or using a crochet hook that is slightly larger or smaller to better suit the yarn's ply. Sometimes, different yarn types may be more prone to splitting.

- **Difficulty with Stitches:** If you are struggling with a particular stitch, refer to the stitch diagrams in the instruction guide. Online video tutorials for basic crochet stitches (e.g., single crochet, slip stitch) can also be a helpful resource. Practice on a scrap piece of yarn until the motion feels natural.
- **Figures Not Matching Pattern:** Double-check your stitch count at the end of each round. Even a single missed or extra stitch can alter the shape of your piece. Unraveling a few rounds and re-crocheting is often the best solution for maintaining accuracy.

SPECIFICATIONS

Feature	Detail
Brand	Innovative Designs
Model Name	710347WPH
UPC	191537103477
Item Dimensions (L x W x H)	8 x 3 x 10 inches
Item Weight	0.5 Pounds (8 ounces)
Material	Yarn
Age Range (Description)	Adult, Kid, Teen (Ages 6 and up with adult supervision)
Included Components	6 colors of yarn, black thread, felt sticker, 4 adhesive gems, crochet hook, plastic needle, stuffing, step-by-step instruction manual
