## LIGE EF18-A

# LIGE EF18-A Smart Watch User Manual

Model: EF18-A | Brand: LIGE

## 1. INTRODUCTION

This manual provides comprehensive instructions for the setup, operation, and maintenance of your LIGE EF18-A Smart Watch. Please read this manual thoroughly before using the device to ensure proper function and longevity.

## 2. PACKAGE CONTENTS

Verify that all items are present in the package:

- LIGE EF18-A Smart Watch (with 1 stainless steel band)
- 2 Silicone Straps
- USB Charging Cable
- Type-C Charging Cable
- Watchband Tool
- User Manual

Image: LIGE EF18-A Smart Watch with stainless steel band, two silicone straps, and charging cables.

Image: Diagram illustrating the contents of the LIGE EF18-A Smart Watch package, including the watch, three straps, two charging cables, and the user manual.

### 3. SETUP

#### 3.1 Charging the Device

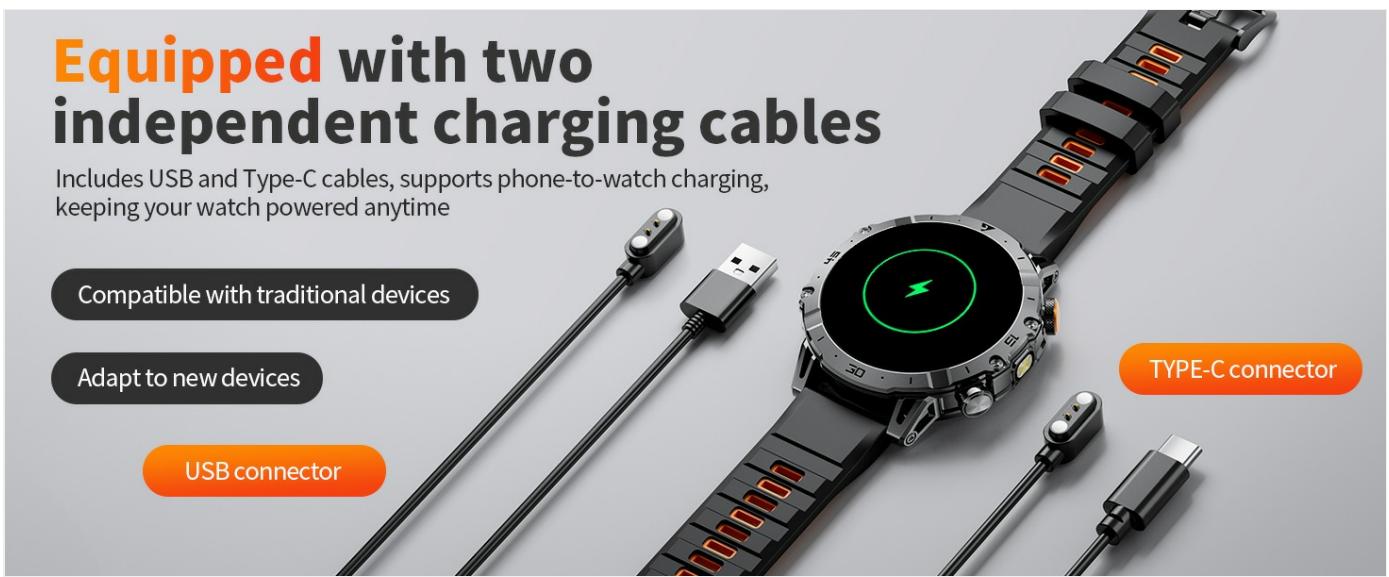

Before first use, fully charge the smart watch. Connect the magnetic charging cable to the charging points on the back of the watch and the USB/Type-C end to a power adapter (not included) or a computer's USB port. A full charge typically takes approximately 2.5 hours.

Image: The LIGE EF18-A Smart Watch connected to both USB and Type-C charging cables, illustrating the charging process.

# Equipped with two independent charging cables

Includes USB and Type-C cables, supports phone-to-watch charging, keeping your watch powered anytime

Compatible with traditional devices

Adapt to new devices

USB connector

TYPE-C connector

## 3.2 App Installation and Pairing

To unlock the full functionality of your smart watch, download and install the "FitCloudPro" app on your smartphone.

- Download App:** Search for "FitCloudPro" in the Apple App Store (for iOS devices) or Google Play Store (for Android devices) and install it.
- Enable Bluetooth:** Ensure Bluetooth is enabled on your smartphone.
- Open App & Pair:** Open the FitCloudPro app, navigate to the device section, and search for "EF18". Select it to initiate the pairing process.
- Confirm Pairing:** Follow the on-screen prompts on both your phone and watch to confirm the Bluetooth pairing.
- Grant Permissions:** Allow necessary permissions for notifications, health data access, and other features as requested by the app.

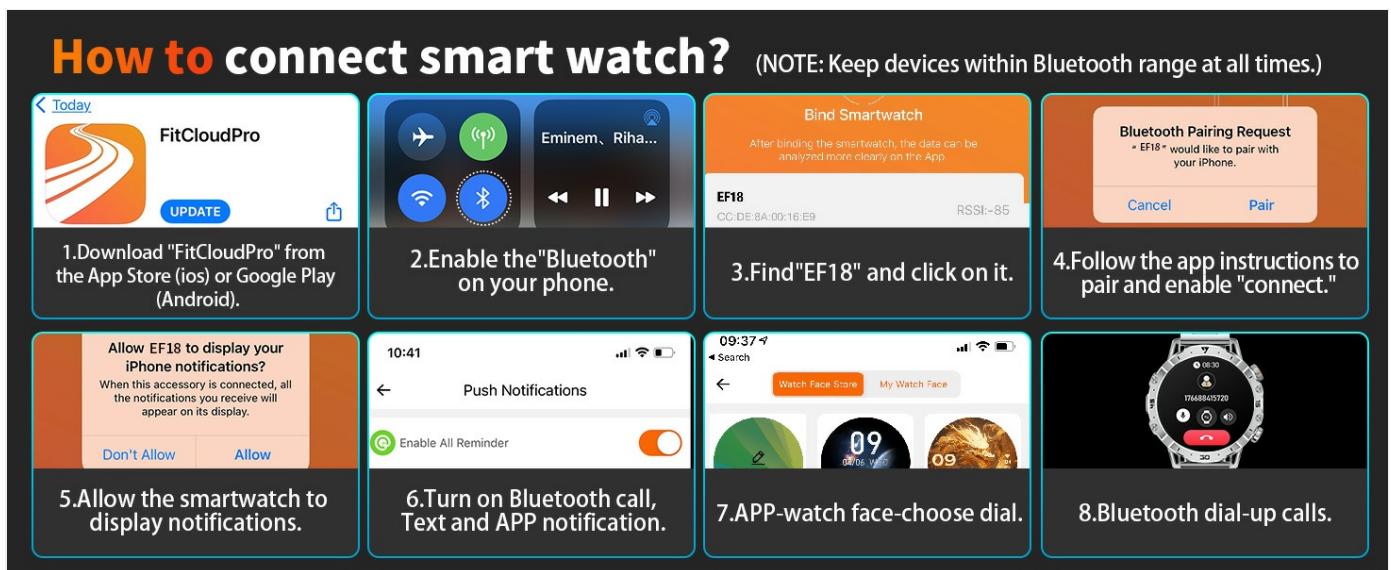

Image: Visual guide demonstrating the steps to connect the LIGE EF18-A Smart Watch to a smartphone using the FitCloudPro application, including app download, Bluetooth pairing, and notification settings.

## 3.3 Strap Installation/Replacement

The LIGE EF18-A Smart Watch comes with three interchangeable straps: one stainless steel and two silicone. Use the provided watchband tool to easily change straps in approximately one minute.

- Remove Current Strap:** Locate the quick-release pins on the underside of the watch where the strap connects. Use

the tool to depress the pin and gently pull the strap away from the watch body.

2. **Attach New Strap:** Insert one end of the new strap's pin into the lug hole on the watch. Depress the quick-release pin and align the other end with the opposite lug hole. Release the pin to secure the strap. Gently tug on the strap to ensure it is properly locked in place.

## 4. OPERATING INSTRUCTIONS

### 4.1 Basic Navigation

- **Touch Screen:** Swipe left/right, up/down to navigate through menus and features. Tap to select.
- **Side Buttons:** The watch features side buttons for quick access to functions or to return to the home screen. Refer to the watch's interface for specific button assignments.

Image: The LIGE EF18-A Smart Watch displaying its 1.7-inch Ultra HD touch screen with multiple personalized watch faces, demonstrating the visual clarity and customization options.

### 4.2 Communication Features

- **Bluetooth Calling:** Once paired with your smartphone, you can answer, make, or end calls directly from the watch. The watch is equipped with a 60dB speaker and noise-cancelling microphone for clear audio.
- **Message Alerts:** Receive notifications from SMS, Facebook, WhatsApp, Twitter, TikTok, and other applications directly on your watch. This feature can be toggled on or off in the FitCloudPro app.
- **Voice Assistant:** Activate the voice assistant feature to control your phone or get information hands-free.

## 4.4 Customization and Utilities

- **Watch Faces:** Choose from over 200 online watch faces or upload your own images via the FitCloudPro app to personalize your device.
- **Music Control:** Control music playback on your connected smartphone (play, pause, skip tracks).
- **Camera Control:** Use the watch as a remote shutter for your smartphone camera.
- **Weather Forecast:** View current weather conditions and forecasts.
- **Find Phone:** Locate your misplaced smartphone by triggering an alert sound from the watch.
- **Alarm Clock, Stopwatch, Timer, Calculator:** Access these utility functions directly from the watch.
- **Sedentary & Water Reminders:** Set reminders to move or drink water throughout the day.
- **Breathing Training:** Guided breathing exercises for relaxation.

## 5. HEALTH MONITORING

The LIGE EF18-A Smart Watch is equipped with high-precision sensors for continuous health monitoring.

- Heart Rate Monitoring:** Tracks your heart rate 24/7, providing real-time data and historical trends in the FitCloudPro app.
- Blood Oxygen (SpO2) Monitoring:** Measures your blood oxygen saturation levels to help you understand your physical condition.
- Sleep Tracking:** Analyzes your sleep patterns, including deep sleep, light sleep, and awake times, to help improve sleep quality.
- Activity Tracking:** Automatically records steps, calories burned, and distance traveled.

# Smart Health Monitoring

## Sleep Quality Tracker

Helps improve sleeping habits and sleep quality.

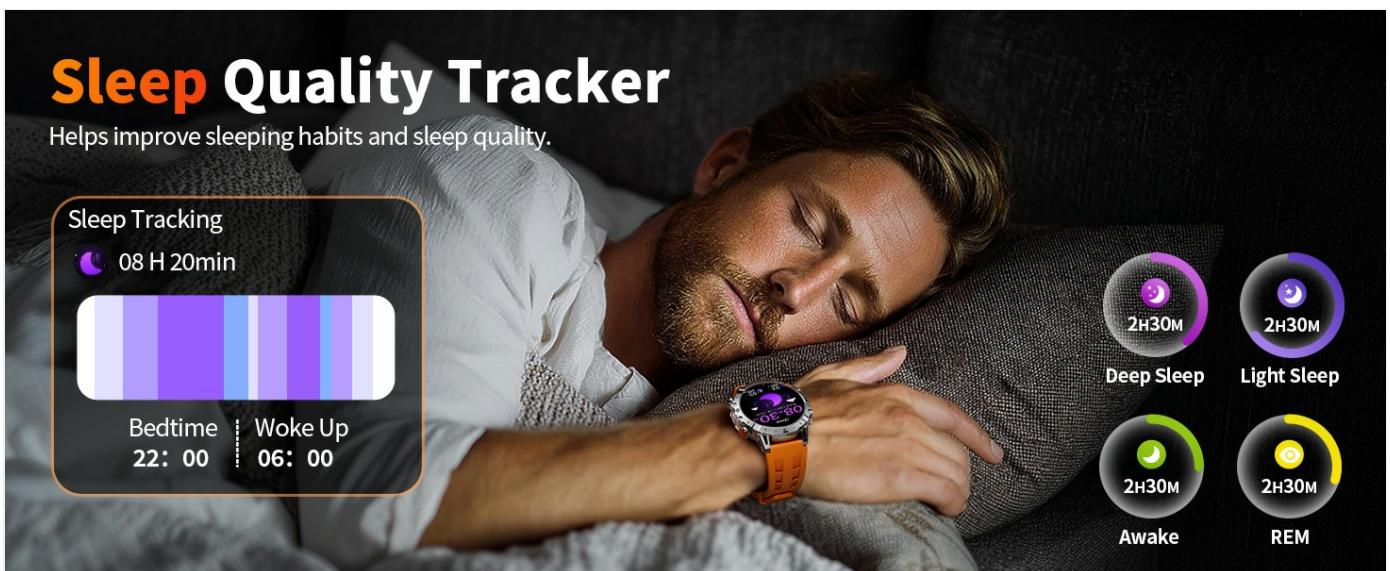

Image: The LIGE EF18-A Smart Watch demonstrating its sleep quality tracking feature, showing bedtime, wake-up time, and duration of deep sleep, light sleep, awake, and REM stages.

## 6. SPORTS MODES

The smart watch offers over 100 workout modes, including running, cycling, walking, hiking, fitness, yoga, and HIIT. It accurately tracks steps, heart rate, workout time, and calories burned during your activities. All fitness data is stored in the FitCloudPro app for analysis and progress tracking.

Image: The LIGE EF18-A Smart Watch showcasing its 114 sports modes, with an example of exercise record display including duration, distance, and calories burned, alongside a cyclist.

# 110+ Sports Modes

Including 110 sports modes such as cycling, running, mountaineering, etc., data monitoring during exercise helps you better achieve your goals and observe changes in your body

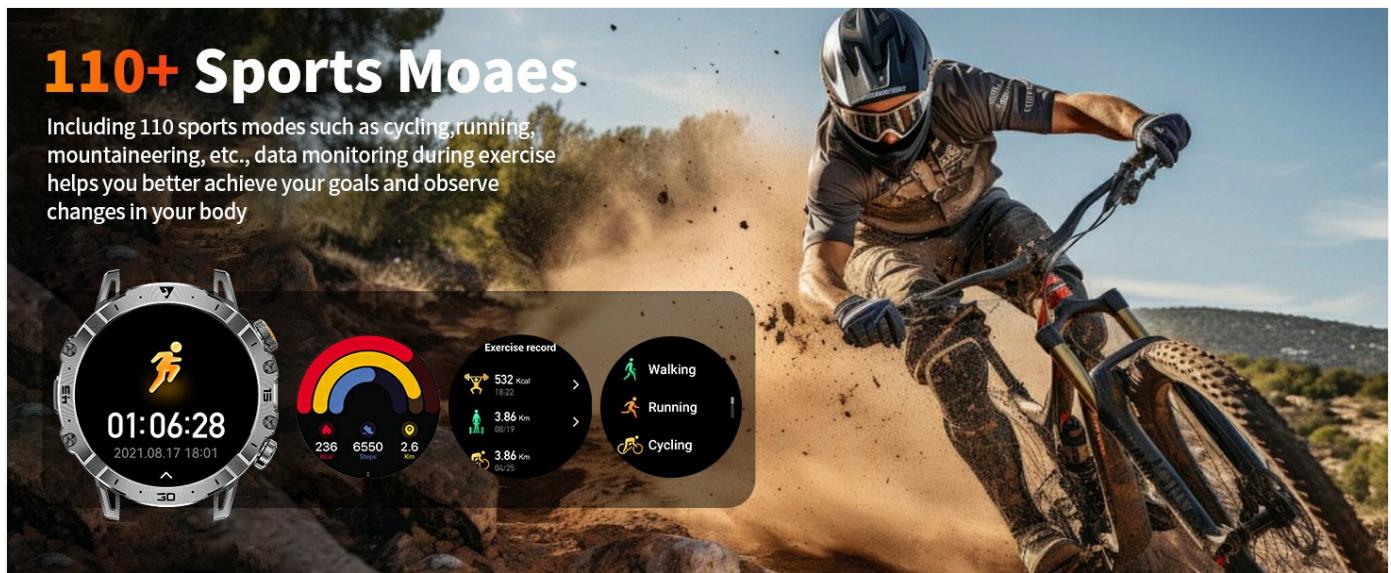

Image: The LIGE EF18-A Smart Watch highlighting its 110+ sports modes, including cycling, running, and mountaineering, with data monitoring during exercise to help achieve fitness goals.

## 7. MAINTENANCE

- Cleaning:** Regularly clean the watch screen and straps with a soft, dry cloth. For silicone straps, a mild soap and water solution can be used, followed by thorough rinsing and drying.
- Water Resistance:** The watch is 5ATM waterproof, suitable for swimming and showering. Avoid hot water, steam, or prolonged submersion in deep water. Do not operate buttons underwater.
- Battery Care:** To prolong battery life, avoid extreme temperatures. Charge the watch fully before long periods of inactivity.

## 8. TROUBLESHOOTING

Issue	Possible Solution
Watch not turning on	Ensure the watch is fully charged. Connect to the charger for at least 30 minutes.
Unable to pair with phone	Ensure Bluetooth is enabled on your phone. Make sure the watch is within Bluetooth range. Restart both the watch and your phone. Clear Bluetooth cache on your phone (Android). Forget the device in your phone's Bluetooth settings and try pairing again.
Notifications not appearing	Check app permissions in FitCloudPro and your phone's settings. Ensure the FitCloudPro app is running in the background. Verify that notification access is granted to the app.
Inaccurate health data	Ensure the watch is worn snugly on your wrist, not too loose or too tight. Clean the sensor on the back of the watch.
Short battery life	Reduce screen brightness, disable continuous heart rate monitoring if not needed, and limit frequent notifications.

## 9. SPECIFICATIONS

Feature	Detail
Model Number	EF18-A
Screen Size	1.7 Inches Ultra HD IPS (360x360 resolution)
Battery Capacity	1000 mAh
Charging Time	Approx. 2.5 hours
Water Resistance	5ATM
Connectivity	Bluetooth 5.0
