### 3. SETUP

The VKNOW Entryway Bench is designed for easy home assembly. All necessary hardware and clear instructions are included to facilitate a quick and effortless setup, typically completed within 15 minutes.

#### Assembly Steps:

1. Unpack all components and verify against the parts list provided in the packaging.
2. Follow the step-by-step instructions and diagrams included with your bench.
3. Ensure all screws and fasteners are securely tightened before use. Do not overtighten.

For optimal stability, assemble the bench on a soft, clean surface to prevent scratches.

## 4. OPERATING INSTRUCTIONS

---

This bench is designed for seating and shoe storage. It can be used in various areas of your home, including entryways, bedrooms, living rooms, or hallways.

### Usage Guidelines:

- **Seating:** The upholstered top provides a comfortable surface for sitting while putting on or taking off shoes, or as an additional seating option.
- **Shoe Storage:** Utilize the lower tier to store shoes, keeping them organized and easily accessible. The tier is designed to accommodate over 6 pairs of shoes.
- **Weight Capacity:** Do not exceed the maximum weight recommendation of 300 pounds on the bench top.

## 5. MAINTENANCE

---

Proper care and maintenance will extend the life and appearance of your VKNOW Entryway Bench.

### Cleaning and Care:

- **Upholstery:** Clean the chenille fabric with mild soap and water only. Use a soft cloth and blot gently. Avoid harsh chemicals or abrasive cleaners.
- **Wood Frame:** Wipe the rubberwood frame with a dry or slightly damp cloth. Avoid excessive moisture.
- **Placement:** Do not expose the bench to direct sunlight or outdoor elements, as this may cause fading or damage to the materials.
- **Stability:** Periodically check and tighten all screws and fasteners to ensure the bench remains stable.

## 6. TROUBLESHOOTING

---

If you encounter any issues with your VKNOW Entryway Bench, please refer to the following common solutions:

### Common Issues:

- **Wobbling or Instability:** Ensure all assembly screws are tightened. If the issue persists, disassemble and reassemble, carefully following the instructions.
- **Stains on Upholstery:** For minor stains, immediately blot with a clean, dry cloth. For tougher stains, use a small amount of mild soap diluted in water and gently blot. Test on an inconspicuous area first.
- **Scratches on Wood:** Minor scratches on the rubberwood can often be minimized with wood repair markers or furniture polish.

If you cannot resolve the issue, please contact VKNOW customer support for assistance.
