IDEALHOUSE 82" Large Dog Crate Furniture

INSTRUCTION MANUAL

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your IDEALHOUSE 82" Large Dog Crate Furniture. This versatile unit serves as both a comfortable indoor kennel for up to two large dogs and a functional piece of furniture, such as a TV stand or console table, with integrated storage. It features two independent dog compartments, four large drawers, and four open compartments, designed to blend seamlessly with your home decor while providing a secure and organized space for your pets and belongings.

Safety Information

- Always ensure all screws and fasteners are securely tightened before allowing pets to use the crate. Loose parts can cause instability and injury.
- Do not exceed the maximum weight capacity of 300 lbs on the top surface.
- Regularly inspect the crate for any signs of wear, damage, or loose components. Address any issues immediately.
- Keep small children away from the assembly area and ensure all hardware is out of their reach.
- This product is designed for indoor use only. Exposure to outdoor elements may compromise its structural integrity and appearance.
- Ensure adequate ventilation for your pets when they are inside the crate.

Package Contents

Before beginning assembly, carefully unpack all components and compare them against the parts list provided in your separate assembly guide. Ensure all panels, hardware, and accessories are present and undamaged. If any parts are missing or damaged, please contact customer support immediately.

Setup and Assembly

Assembly of the IDEALHOUSE dog crate furniture requires careful attention to the provided instructions. It is recommended to have at least two people for assembly due to the size and weight of the components. Follow these general steps:

1. **Unpack All Components:** Carefully remove all parts from the packaging. Check that you have all the necessary components and hardware as listed in the instruction manual.
2. **Read the Instructions:** Before starting the assembly, read through the instruction manual thoroughly to understand the steps and familiarize yourself with all parts.
3. **Assemble the Frame:** Begin by assembling the main wooden frame according to the step-by-step diagrams. Ensure all connections are firm.
4. **Install Metal Crate Sections:** Attach the metal bar sections for the dog crates, ensuring the doors are correctly aligned and can open and close smoothly.

5. **Assemble Drawers and Shelves:** Construct the four drawers and install them into their designated slots. Insert the adjustable shelves into the central compartments.
6. **Final Checks:** Double-check all screws, latches, and connections to ensure everything is tightly secured and functioning properly.

Operating Instructions

This furniture-style dog crate is designed for ease of use and pet comfort.

- **Crate Usage:** The unit features two independent compartments, each measuring 35"L x 23"W x 23"H, suitable for medium to large dog breeds such as Shepherds, Bulldogs, Huskies, German Shepherds, Golden Retrievers, and Labradors. Open and close the metal doors using the secure latches.
- **Comfort:** Place soft bedding or a pet mat inside each crate compartment to provide a comfortable resting area for your dogs.
- **Storage:** Utilize the four large drawers for storing dog food, treats, toys, leashes, and other pet supplies. The four open compartments can be used for books, decorative items, or additional pet accessories.
- **Placement:** Position the assembled crate in a safe, comfortable area of your home, ensuring it is level and stable.

Maintenance

Proper maintenance will ensure the longevity and appearance of your dog crate furniture.

- **Cleaning:** Wipe wooden surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish. For metal bars, use a mild soap and water solution. Dry thoroughly after cleaning.
- **Regular Inspection:** Periodically check all screws, bolts, and latches to ensure they remain tight. Re-tighten as necessary to maintain structural integrity.
- **Avoid Moisture:** Protect the furniture from excessive moisture and direct sunlight, which can cause warping, discoloration, or damage to the wood.
- **Pet Chewing:** While the crate is designed with chew-resistant materials, persistent chewing can cause

damage. Monitor your pets and provide appropriate chew toys to redirect their behavior.

Troubleshooting

If you encounter any issues with your IDEALHOUSE dog crate furniture, refer to the following common solutions:

- **Wobbly or Unstable Unit:** Ensure the unit is placed on a level surface. Re-check all assembly screws and tighten any that are loose.
- **Drawers Not Sliding Smoothly:** Verify that the drawer slides are correctly installed and free of obstructions. Ensure the drawers are not overloaded.
- **Crate Doors Not Closing Properly:** Check the alignment of the door hinges and latches. Ensure no debris is obstructing the closing mechanism. If a door panel appears warped, contact customer support.
- **Damaged or Missing Parts:** If you received damaged components or are missing parts, do not attempt to force assembly. Contact customer support for assistance and replacement parts.
